The Poetical Works of Robert Browning, 1897 *The Poetical Works of Robert Browning* Robert Browning, 1904

Robert Browning: Selected Poems John Woolford, Daniel Karlin, Joseph Phelan, 2013-11-19 Robert Browning 1812-1889 was one of the defining figures of the Victorian age. Famous in his lifetime for his elopement and marriage to Elizabeth Barrett, his critical reputation grew steadily in the years following her early death. Browning's mastery of dramatic verse was evident throughout his career from such chillingly unforgettable monologues as *My Last Duchess* and *Porphyria* to the mature work included in his collection *Dramatis Personae*. This selection, chosen by leading scholars, reveals the innovation, complexity, and profound psychological insight that have ensured Browning's enduring reputation and his continuing appeal to readers today. *Browning Selected Poems* results from a completely fresh appraisal of the canon text and context of the writer's work. The poems are presented in the order of their composition and in the text in which they were first published, giving a unique insight into the development of Browning's art. An introduction and chronology offer useful background material, whilst annotations and headnotes provide details of composition, publication sources, and contemporary reception. This authoritative yet accessible selection should become the first point of reference for scholar, student, and general reader alike.

A Bookman's Catalogue Vol. 1 A-L T. Bose, Paul Tiessen, 1987-01-01 The Colbeck collection was formed over half a century ago by the Bournemouth bookseller Norman Colbeck. Focusing primarily on British essayists and poets of the nineteenth century from the Romantic Movement through the Edwardian era, the collection features nearly 500 authors and lists over 13,000 works. Entries are alphabetically arranged by author with copious notes on the condition and binding of each copy. Nine appendices provide listings of selected periodicals, series publications, anthologies, yearbooks, and topical works.
