Letters and Miscellanies of Robert Louis Stevenson Sidney Colvin, 2021-03-03 **Robert Louis Stevenson and the Great Affair** Richard J. Hill, 2017-02-03 In his travel narrative *Travels with a Donkey in the Cevennes* 1879 Robert Louis Stevenson declares I travel not to go anywhere but to go I travel for travel s sake The great affair is to move Taking up the concepts of time place and memory the contributors to this collection explore in what ways the dynamic

view of life suggested by this quotation permeates Stevenson's work. The essays adopt a wide variety of critical approaches including post colonial theory, post structuralism, new historicism, art history and philosophy, making use of the vast array of literary materials that Stevenson left across a global journey that began in Scotland in 1850 and ended in Samoa in 1894. These range from travel journals, letters and classic literary staples such as *Treasure Island* and *The Strange Case of Dr Jekyll and Mr Hyde* to rarely read masterpieces such as *The Master of Ballantrae* or *The Ebb Tide*. While much recent scholarship on Stevenson foregrounds geography, the present volume also examines the theme of movement across memory, time and generic boundaries. Taken together, the essays offer a view of Stevenson that demonstrates how the protean nature of his literary output reflects the radical developments in science, technology and culture that characterized the age in which he lived.

she did not devote herself to being good all the time but spent her days in lessons play mischief and fun like any other lively ten year older But somehow whenever the sewing hour came she remembered that talk and as she worked she fell into the way of wondering whether Aunt Pen could guess from the patches what sort of days she had passed She wanted to try and see but Aunt Pen refused to read any more calico till the quilt was done then she said in a queer solemn way she should make the good and bad days appear in a remarkable manner
