

Robert Lowell Life Studies

Robert Lowell And Life Studies Revising The Self

Terri Witek

Robert Lowell And Life Studies Revising The Self:

Robert Lowell and Life Studies Terri Witek, 1993 Witek uses unpublished drafts of some of the most famous passages in *Life Studies* to show what happened when noted poet Lowell 1917-1977 confronted his own identity problems as writing problems Annotation copyright by Book News Inc Portland OR [Visions and Revisions](#) Robert Burr, Barry Wallenstein, 2001-10-04 This anthology takes a unique approach to the process of poetry Each poem included in the book is followed by at least one earlier draft or version of that poem The reader is thus able to explore the development of the poet's vision and to make a variety of historical aesthetic and intellectual comparisons The poets represented have been chosen both on the basis of the aesthetic strength of their work and on the grounds of the availability of previous versions of their work The inclusion of a number of selections by poets ranging from Dickinson and Yeats to Larkin Plath and P K Page allows readers to focus in some depth on the work of these poets Though the anthology makes no claim to present a selection fully representative of different eras regions or poetic styles the inclusion of a miscellany as a final chapter adds a substantial measure of breadth to the anthology Each chapter includes brief commentary by the editors and questions follow each set of poems

Reading the Middle Generation Anew Eric Haralson, 2006-04 Ten original essays by advanced scholars and well published poets address the middle generation of American poets including the familiar Robert Lowell Elizabeth Bishop Randall Jarrell and John Berryman and various important contemporaries Delmore Schwartz Theodore Roethke Robert Hayden and Lorine Niedecker This was a famously troubled cohort of writers for reasons both personal and cultural and collectively their poems give us powerful moving insights into American social life in the transforming decades of the 1940s through the 1960s In addition to having worked during the broad middle of the last century these poets constitute the center of twentieth century American poetry in the larger sense refuting invidious connotations of middle as coming after the great moderns and being superseded by a proliferating postmodern experimentation This middle generation mediates the so called American century and its prodigious body of poetry even as it complicates historical and aesthetic categorizations Taking diverse formal and thematic angles on these poets biographical historical deconstructionist and more formalist accounts this book re-examines their between-ness and ambivalence their various positionings and repositionings in aesthetic political and personal matters The essays study the interplay between these writers and such shifting formations as religious discourse consumerism militarism and war the ideology of America as nature's nation and U S race relations and ethnic conflicts *Reading the Middle Generation Anew* also shows the legacy of the middle generation the ways in which their lives and writings continue to be a shaping force in American poetry This fresh and invigorating collection will be of great interest to literary scholars and poets

Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation *Robert Lowell's Imitations and the Cold War* argues that Lowell's imitations are simultaneously

symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on Imitations 1961 Lowell s book length collection of translational adaptations by demonstrating how imitation shadows Lowell s work from his earliest collections Land of Unlikeness 1944 and Lord Weary s Castle 1946 through his celebrated mid career collections Life Studies 1959 and For the Union Dead 1964 and to later works such as Near the Ocean 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle s anthology Poets on Street Corners 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell s compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell s restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment s dualities porosities leakages and contaminants are most clearly displayed Lowell s imitations simultaneously challenge and develop our understanding of confession s presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

Twentieth-Century American Poetry Christopher MacGowan, 2008-04-15 Written by a leading authority on William Carlos Williams this book provides a wide ranging and stimulating guide to twentieth century American poetry A wide ranging and stimulating critical guide to twentieth century American poetry Written by a leading authority on the innovative modernist poet William Carlos Williams Explores the material historical and social contexts in which twentieth century American poetry was produced Includes a biographical dictionary of major writers with extended entries on poets ranging from Robert Frost to Adrienne Rich Contains a section on key texts considering major works such as The Waste Land North South Howl and Ariel The final section draws out key themes such as American poetry politics and war and the process of anthologizing at the end of the century

Rebound , 2004-01-01 This pioneering collection of new essays challenges established modes of reading American lyric poetry by orientating interpretation so that it incorporates an awareness of the book context in which individual poems are embedded These essays critically explore individual books by Walt Whitman Wallace Stevens Robert Frost Ezra Pound Hart Crane William Carlos Williams Randall Jarrell Robert Lowell Adrienne Rich Susan Howe Lyn Hejinian and Jorie Graham and consider the book as a restrictive binding concept for Emily Dickinson and some contemporary American poets Rebound both provides innovative readings of supposedly familiar poets and books and also generates critical strategies for renewed engagement with American poetry traditions As a speaking whole Rebound addresses a rich variety of topics intentionality as hermeneutic the architecture and artefacture of the book gender identity and the book the positioning of the book in postmodern poetics the consequences of textual history for interpretation and reception and the American poetry book as metonym for nation Contributors Domhnall Mitchell Eldrid

Herrington Charles Altieri Stephen Matterson Stephen Wilson Maria Irene Ramalho De Sousa Santos Ron Callan Michael Hinds Gareth Reeves Lucy Collins Justin Quinn Nerys Williams and Nick Selby Charles Bernstein's *The Book as Architecture* is reprinted as an Afterword *Rethinking Narrative Identity* Claudia Holler, Martin Klepper, 2013-02-28 Why is it that we tend to think about our lives as stories Why do we strive to create coherent narratives that reflect a particular perspective What happens when we discover multiple perhaps conflicting perspectives in our narratives Following groundbreaking work in the study of narrative identity in the last 20 years the scholars of this volume have expanded and merged their theories of narrative identity with new perspectives in fields such as narratology literary theory philosophy cultural studies psychology sociology gender studies and history Their contributions focus on the significance of perspective in the formation of narrative identities probing the stratagems and narrative means of individuals in testing out personae for themselves *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The *Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **The Critical Response to Robert Lowell** Steven G. Axelrod, 1999-06-30 From the publication of his first major volume in 1946 *Lord Weary's Castle* to a few years before his death in 1977 Robert Lowell held sway as the premier English language poet of his time *Lord Weary's Castle* seemed to push poetic language and cultural critique in exciting new directions yet they were directions sanctioned by the New Criticism of his time In 1959 Lowell's *Life Studies* dramatically broke the very traditions he had previously revitalized During the 1960s his works elaborated his new poetic mode and engaged with personal political and historical issues But with the 1973 publication of his poetic trilogy *History For Lizzie and Harriet* and *The Dolphin* his reputation suffered Though his final work the autobiographical *Day by Day* published shortly before his death in 1977 was favorably received critics continued to attack him in the decades that followed Thus Lowell's reputation as this volume makes clear has fluctuated and at the close of the twentieth century there is still no critical consensus about any aspect of his work This book provides a representative sample of the critical discourse concerning Lowell's poetry drama and prose and shows that discourse at its most varied and vital An introductory essay surveys the response to Lowell's writings The first three sections then track Lowell's volumes chronologically Most of his books receive one or two reviews followed by several scholarly essays arranged in the order of their publication Along with the reprinted articles are two essays written specifically for this volume The fourth section presents several broad overviews of Lowell and his works and an extensive bibliography of primary and secondary sources concludes the book The volume also

contains an essay by Lowell himself in which he reflects on his career

Robert Lowell's Language of the Self Katharine Wallingford, 2018-08-25 Katharine Wallingford's incisive study treats Robert Lowell's work as a poetry of self examination and explores the ways in which he used methods common to psychoanalysis and other forms of psychotherapy in his poetry. Although he was never psychoanalyzed in a strictly Freudian sense, Lowell spent many years in psychotherapy. Wallingford stresses not the pathological aspects of Lowell's work, however, but rather his lifelong process of self examination, a process with ethical as well as psychological dimensions. She links this process to the tradition of self scrutiny that Lowell inherited from his New England Puritan ancestors. Through close readings of the poetry and of unpublished drafts of several poems as well as letters from Lowell to George Santayana, Allen Tate and his cousin Harriet Winslow, Wallingford treats Lowell's use of specific psychoanalytic techniques: free association, repetition, concentration on the relation between the poet and the other to whom he addresses himself and the use of memory to probe the past. The book considers as well the role the narrative plays in these psychoanalytic and poetic techniques. Lowell believed firmly in the identity of self and language, one life, one writing, and this study brings us closer to an understanding both of the poet and of his dense and moving poetry. It enriches our reading of Lowell's poetry by calling attention to the ways in which his poetic techniques are analogous to and to some extent derived from psychoanalytic techniques, techniques that have in our time become integrated into our culture as a whole. Originally published in 1988, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value.

Yeats as Precursor S. Matthews, 2000-01-27 As both a late Romantic and a modern, W. B. Yeats has proved to be perhaps the most influential poet of the early twentieth century. In this original study, Steven Matthews traces through close readings of significant poems the flow of Yeatsian influence across time and cultural space. By engaging with the formalist criticism of Harold Bloom and Paul de Man in their dialogues with Jacques Derrida, he also considers Yeats's significance as the founding presence within the major poetry criticism of the century.

"Never Asking why Build - Only Asking which Tools" Rita Horváth, 2005

Midcentury Quartet Thomas J. Travisano, 1999-12-29 In a February 1966 letter to her artistic confidant Robert Lowell, Elizabeth Bishop tellingly grouped four midcentury poets: Lowell, Randall Jarrell, John Berryman, and herself. For Bishop, always wary of being pigeonholed and therefore reticent about naming her favorite contemporaries, it was a rare explicit acknowledgment of an informal but enduring artistic circle that has evaded the notice of literary journalists for more than forty years. Despite the private nature of their dialogue, the group's members—Bishop, Lowell, Jarrell, and Berryman—left a compelling record of their mutual interchange and influence. Drawing on an extensive range of published and archival sources, Thomas Travisano traces these poets' creation of a surprisingly coherent postmodern aesthetic and defines its continuing influence on American poetry. The refusal of this midcentury quartet, as Travisano calls them, to voice a formalized

doctrine coupled with their intuitive way of working has caused critics to miss the coherence of their project. Travisano argues that these poets are not only successors to Pound, Auden, Stevens, and Eliot but postmodern explorers in their own right. In forging their own aesthetic, characterized here as a postmodern mode of elegy, they encountered significant resistance from their immediate modernist mentors: Allen Tate, John Crowe Ransom, and Marianne Moore. Jarrell, whom others of the group regarded as a critic of particular genius, was first described as a postmodernist in a 1941 review by Ransom that Travisano cites as the earliest known use of the term. In Jarrell's review of Lowell's *Lord Weary's Castle*, six years later, he named Lowell a postmodernist and identified traits among them: the use of pastiche that are now considered by theorists such as Fredric Jameson as specifically postmodern. And Bishop's inventiveness allowed her to adapt a self-exploratory mode, often but imprecisely termed confessional, to challenging forms such as the double sonnet, villanelle, and sestina. Each of these poets suffered a devastating loss during childhood and lived through the twentieth-century disasters of the Great Depression, World War II, and the Holocaust, and the cold war. The continual tension in their poetry between subjectivity and form claims Travisano reflects the plight of the fractured individual in a postmodern world. By arguing so sharply for the importance of this circle, Midcentury Quartet is certain to redraw the map of postwar American poetry.

The Architecture of Address Jake Adam York, 2005. First Published in 2005. Routledge is an imprint of Taylor & Francis, an informal company.

The Catholic Imagination in American Literature Ross Labrie, 1997. A concluding chapter examines the significance of the corpus of Catholic American writing in the years 1940 to 1980, considering it parallel in substance to the body of Jewish American literature of the same period.

New England Landscape History in American Poetry, *The Male Image* Ian Gregson, 1999-11-12. This book discusses how masculinity is represented by women poets and gay poets but most of all how it is represented by straight male poets. It shows how Robert Lowell and John Berryman both identify a gender malaise in themselves which they struggle with throughout their careers, and how Derek Walcott displays a profound gender insecurity in relation to the colonial experience. It discusses the impact on Ted Hughes and Seamus Heaney of their belief in a transcendent feminine principle, and how C. K. Williams and Paul Muldoon display the impact of feminism on male poets who are young enough to have encountered it at a formative period.

Fools and Crows Terri Witek, 2003. *Shades of Authority* Stephen James, 2007-01-01. What is the relationship between poetry and power? Should poetry be considered a mode of authority or an impotent medium? And why is it that the modern poets most commonly regarded as authoritative are precisely those whose works wrestle with a sense of artistic inadequacy? Such questions lie at the heart of *Shades of Authority*, prompting fresh insights into three of the most important poets of recent decades: Robert Lowell, Geoffrey Hill, and Seamus Heaney. Through attentive close readings, James shows how their responsiveness to matters of political and cultural import lends weight to the idea of poetry as authoritative utterance but also how each is exercised by a sense of the limitations and liabilities of language itself.

Robert Lowell Steven Axelrod, Helen Deese, 1986. Robert Lowell is one of the most widely

recognised and influential poets of the second half of this century Yet his career is problematical and raises many questions about direction and quality particularly in light of his repeated reorientation of thematic concern and poetic technique Many previous studies of the poet have accounted for these radical differences in Lowell s work by examining the poet s private life but this collection of essays attempts to reassess Lowell s poetry and to restimulate critical thinking about it by focusing on his texts to raise new questions and discussions about the work The twelve essays in this volume by many of the most distinguished scholars in the field offer a chronological review of Robert Lowell s career as a poet The book includes pieces on major works such as Lord Weary s Castle Life Studies For the Union Dead Skunk Hour Notebook the sonnets of 1969 73 as well as four essays devoted to Lowell s last complete and often neglected work Day by Day Employing a variety of methodologies the essays arrive at innovative and often controversial interpretations of Lowell s poems

Unveiling the Magic of Words: A Overview of "**Robert Lowell And Life Studies Revising The Self**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Robert Lowell And Life Studies Revising The Self Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Robert Lowell And Life Studies Revising The Self PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Robert Lowell And Life Studies Revising The Self PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Robert Lowell And Life Studies Revising The Self free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Robert Lowell And Life Studies Revising The Self Books

What is a Robert Lowell And Life Studies Revising The Self PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Robert Lowell And Life Studies Revising The Self PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Robert Lowell And Life Studies Revising The Self PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Robert Lowell And Life Studies Revising The Self PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Robert Lowell And Life Studies Revising The Self PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
