Patton, 2004 Can we live with the God of Ezekiel Can we relate to a God who has established a multilayered hierarchy that separates the divine from the human who creates boundaries that segregate people from the temple the priesthood and the glory of the Lord In contrast to those who suggest that Ezekiel should no longer be read as an authoritative part of the canon the essays in this volume engage Ezekiel's hierarchical world directly neither dismissing it out of hand nor accepting it uncritically By wedding theological interest and reflection with serious biblical exegesis and criticism this work helps readers to understand Ezekiel's hierarchical theology especially the book's views on creation priesthood and land It thus equips readers to form their own evaluations of the relevance of Ezekiel's theology for today Contributors include Daniel I Block Keith Carley Stephen L Cook Kathryn Pfisterer Darr Iain M Duguid Friedrich Fechter Julie Galambush Norman Habel Risa Levitt Kohn Corrine L Patton David L Petersen Baruch J Schwartz Daniel L Smith Christopher and Steven Shawn Tuell Paperback edition is available from the Society of Biblical Literature www.sbl-site.org

Knoppers, 2021-05-03 Shortly before his untimely death Gary Knoppers prepared a number of articles on the historical books in the Hebrew Bible for this volume Many had not previously been published and the others were heavily revised They combine a fine attention to

historical method with sensitivity for literary critical analysis constructive use of classical as well as other sources for comparative evidence and wide ranging attention to economic social religious and political circumstances relating in particular to the Persian and early Hellenistic periods Knoppers advances many new suggestions about significant themes in these texts about how they relate one to another and about the light they shed on the various communities self consciousness at a time when new religious identities were being forged

Mitzvoth Ethics and the Jewish Bible Gershom M. H. Ratheiser, 2007-03-01 Ratheiser s study provides the framework for a non confessional mitzvoth ethics centered and historical philological approach to the Jewish bible and deals with the basic steps of an alternative paradigmatic perspective on the biblical text The author seeks to demonstrate the ineptness of confessional and ahistorical approaches to the Jewish bible Based on his observations and his survey of the history of interpretation of the Jewish bible Ratheiser introduces an alternative hermeneutical exegetical approach to the Jewish bible the paradigm of examples His study concludes that the biblical text is a collection of writings designed and formed from a specifically ethical ethnic outlook In other words he regards the Jewish bible to be written as an etiology of ancient instruction by ancient Jews to Jews and for Jews As such it serves as a religious ethical identity marker that provides ancient Jews and their descendants with an etiology of Jewish life Ratheiser regards this religious ethical agenda to have been the driving force in the minds of the final editors compilers of the biblical text as we have it today

The Idea of Biblical Interpretation

James L. Kugel, Judith H. Newman, Judith Hood Newman, 2004 In this Festschrift James Kugel's creative scholarship in biblical interpretation provides the inspiration for a wide ranging collection of essays that treat the history of Jewish and Christian scriptural interpretation from antiquity to the present *Dictionary of the Old Testament: Historical Books* Bill T. Arnold, H. G. M. Williamson, 2011-09-26 Editors Bill T Arnold and Hugh G M Williamson present more than 160 in depth articles on the essential historical literary theological interpretive and background topics for studying the historical books of the Old Testament Joshua Judges 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah **Reader's Guide to Judaism** Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly **Wisdom for Life** Nuria Caldich-Benages, 2014-04-01 Professor Maurice Gilbert SJ is widely acknowledged as one of the leading authorities on biblical wisdom literature in particular the Book of Ben Sira and the Wisdom of Solomon on which he has produced many publications This Festschrift the third one in his honor brings together twenty four essays written by both established scholars who are friends and colleagues of Professor Gilbert and younger members of the field who wrote their doctoral dissertation under his guidance at the Pontifical Biblical Institute in Rome There he was rector 1978 1984 and full professor until his retirement 1975 2011 The volume is divided into six main sections focusing respectively on Proverbs Job Qoheleth Sirach Wisdom of Solomon and Psalms Some essays display rigorous attention to textual and linguistic issues whereas others deal with more theological questions fear before God joy in Qoheleth arguments for justice in Wisdom of Solomon or focus on the comparison between two books for instance Qoheleth and Sirach Sirach and Genesis Sirach and Tobit **Philosophical Essays concerning Human Families** Stanley Vodraska, 2014-08-01 In *Philosophical Essays concerning Human Families* Stanley Vodraska describes a principle of moral practice that he calls the principle of familial preference In ordinary circumstances a moral agent should persistently provide preferential treatment to members of his or her family and should not pursue the good of extra familial persons to such an extent as to disadvantage or neglect his or her family The essays uncover this principle in human practices of love or charity mercy justice and prudence and measure its weight in religion moral philosophy and the political order **Past Renewals** Hindy Najman, 2010-03-02 How did ancient Jewish authors claim authority for their interpretations How after the end of prophecy could they claim the authority of revelation Whom did one have to be or aspire to be in order to merit authority Hindy Najman addresses these questions through close readings of ancient Jewish texts e g Ezra Nehemiah Philo of Alexandria 4 Ezra Dead Sea Scrolls and Jubilees In *Seconding Sinai* Brill 2003 Najman reconceived pseudepigraphy developing the idea of a Mosaic discourse that comprised a series of ancient texts attributed to Moses Here she develops the broader notion of a discourse tied to a founder

The Interpretation of Scripture in Early Judaism and Christianity Craig A. Evans, 2000-06-01 This volume assembles several important studies that examine the role of language in meaning and interpretation The various contributions investigate interpretation in the versions in intertestamental traditions in the New Testament and in the rabbis and the targumim The authors who include well known veterans as well as younger scholars explore the differing ways in which the language of Scripture stimulates the understanding of the sacred text in late antiquity and gives rise to important theological themes This book is a significant resource for any scholar interested in the interpretation of Scripture in and just after the biblical period

Jesus, the Galilean Exorcist Amanda Witmer, 2012-02-23 Amanda Witmer presents an investigation of exorcism in the activities of the historical Jesus particularly the connection between spirit possession and exorcism on the one hand and the socio political context of first century Galilee on the other Witmer draws on research from the areas of sociology anthropology archaeology and biblical studies to illuminate this aspect of Jesus career as well as the broader social implications of spirit possession in those he treated and the exorcisms themselves Evidence found in the strands underlying the Synoptic Gospels is evaluated using the criteria of authenticity and comparative analysis in order to establish early and historical material Questions posed and answered concern the historical plausibility of Jesus role as exorcist the possibility that his own career began with a period of spirit possession and the meaning that his exorcisms conveyed to his first century audience Thus the methodology includes textual analysis sociological analysis of general cultural patterns within which first century Palestine can be fitted and anthropological analysis of the plausible functions of both spirit possession and exorcism in agrarian societies

One Teacher John Yueh-Han Yieh, 2012-08-06 A literary critical analysis is embarked to show how Matthew highlights the primacy authority and exclusivity of Jesus role as the Teacher of God s will and how he features five long discourses in the narrative Two cultural parallels the Teacher of Righteousness and Epictetus are studied for comparison The ways in which they are remembered in the literature and in which they shape the lives of their followers provide proper historical perspectives and useful frames of reference Finally a social historical reading of the three teachers and their followers in the light of pertinent sociological theories sociology of knowledge group formation indicates that Jesus the One Teacher serves four crucial functions for his readers in Matthew s church polemic apologetic didactic and pastoral

The Wisdom Instructions in the Book of Tobit Francis M. Macatangay, 2011-03-29 Despite the resurgence of scholarly interest in the Book of Tobit in recent years an important aspect of this deuterocanonical book has been largely overlooked Within it there is an instruction manual for an effective way of being and living in exile namely the wisdom instructions in Tobit 4 With glances at Tobit 12 and Tobit 14 where the wisdom instructions are repeated in shorter form this monograph discusses the function of the wisdom discourse in the literary design of the narrative Moreover it examines how the wisdom instructions of Tobit demonstrate the vital role of the sapiential tradition in forming

and maintaining Jewish identity in the Diaspora Contextualizing the wisdom instructions not only within the narrative but also within the realities of Second Temple Judaism it is argued that the author of Tobit saw the validity and employed the resources of the Jewish wisdom tradition in reinterpreting some of the traditional claims of covenant faith Using the Sinaiticus as the textual basis of study it shows that the lengthy wisdom lecture of Tobit displays an inner logic that structures the collection of seemingly unrelated sayings The instructions reinterpret a major deuteronomic concern to remember the Lord always For Tobit the practice of righteousness the practice of wise behavior and the practice of prayer realize and concretize such remembrance Addressed to those in the Dispersion Tobit s wisdom instructions are meant to foster and shape a distinct ethos of truth righteousness and mercy Theology of the Old Testament Walter

Brueggemann,2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time Fighting Words John Renard,2012-12-31 One of the critical issues in interreligious relations today is the connection both actual and perceived between sacred sources and the justification of violent acts as divinely mandated Fighting Words makes solid text based scholarship accessible to the general public beginning with the premise that a balanced approach to religious pluralism in our world must build on a measured well informed response to the increasingly publicized and sensationalized association of terrorism and large scale violence with religion In his introduction Renard provides background on the major scriptures of seven religious traditions Jewish Christian including both the Old and New Testaments Islamic Baha i Zoroastrian Hindu and Sikh Eight chapters then explore the interpretation of select facets of these scriptures focusing on those texts so often claimed both historically and more recently as inspiration and justification for every kind of violence from individual assassination to mass murder With its nuanced consideration of a complex topic this book is not merely about the religious sanctioning of violence but also about diverse ways of reading sacred textual sources
