## **Sai Baba The Ultimate Experience:**

**Sai Baba** Phyllis Krystal, 1994-02-01 A vivid account of Phyllis Krystal's encounters with Sai Baba over a period of ten years. This is a teaching story that shares some of the personal development and growth that Krystal experienced plus some of the very everyday things you wonder about when visiting India for the first time. What do you wear? How do you make sure you don't lose your sari? How do you handle the separation between men and women or the living quarters at the ashram? When Sai Baba looks through you and sees you and knows your problems, how do you deal with it? This is a very helpful book. It presents a warm view of Sai Baba, the teacher, healer, diplomat, and visionary who has been a friend and a comforter to thousands of people. Phyllis Krystal's experience with this special avatar is important reading for anyone who wants to go to India to meet with him. When you've read this book, you feel like you've learned something and you feel very close to Sai Baba and what he represents in the world. **Sai Baba** Phyllis Krystal, 1985      [Sai Bhagvatham](#) Manoj Nakra, 2015-09-22

**Sai Bhagvatham** is a story of man's engagement with God. The book uses over a thousand personal spiritual experiences and anecdotes that record inner experiences of persons wrestling with their religious circumstances. The experiences drawn from all religious traditions are evocative of how the divine engages with man. The experiences with Sri Sathya Sai Baba are juxtaposed with the narratives of spiritual experiences recorded by seekers over the millennia. The experiences with Sai are uncannily similar to the universal experiences of man with God; they mirror man's journey to the Divine. The spiritual journey with Sai is tangible, poignant, accessible, and more intense than recorded before. Sai is relentless in the pursuit of his purpose, transformation of man; however much man falters, vacillates, resists, struggles, or even tries to escape, Sai demonstrates that in the relationship of man with the Divine, God is actively engaged with man; he is not an impassive bystander. The engagement of man with God is planned and activated by God; it progresses based upon the responses of man, and the engagement stimulates the transformation of man. Man in his engagement with God asks the 'why' questions, seeking to comprehend and explain God. He is also reflective, attempting to understand himself and realize who he really is. The diverse and innumerable first-person incidents with Sri Sathya Sai Baba create a vivid characterization of the persona of Sai; hence the use of

**Bhagvatham** in the title. **Sathya Sai Baba** Anselm Keussen, Gabriele Breucha, 2022-04-19 Sathya Sai Baba, True Divine Parents for Humanity. Dears Readers, cordial greetings. Still, you might ask Sathya Sai Baba, who is that? If you haven't switched on your mobile to research him in the first place. Since Sai Baba has left his mortal coils in 2011, there seems to be less public discussion on his life and his spiritual and worldly legacy. What remains are the amazing social institutions: large ashrams, schools, colleges, a university, world-standard maximum care hospitals, huge water-providing projects, and countless selfless service organizations all over India and the world, which Sai Baba has founded in such a solid way that they are all operating successfully even today, about ten years later. And there are almost endless amounts of books and media on Sathya Sai Baba and about the impossible divine feats of his life. A Matter of Balance. But there are also other reports, mainly in the

internet that decry Sai Baba's work actions and intentions in very low ways Therefore this book has now been written for spiritually interested people who prefer to hear all sides out who truly had contact from close quarters with this Avatar of Humanity rather than jumping to spectacular if below the belt conclusions often long distance without ever seeing Sai Baba in person It is in order to help setting a hopefully more impartial if thoroughly personal perspective on these True Divine Parents of Humanity as we have experienced Sathya Sai Baba that we have written this book It intends to integrate the various narrations on Sathya Sai Baba with our own exchange with him in such a way that you Dear Readers will hopefully be able to gain a somewhat better balanced imagination of this super human being that often was simply called Sai

**My Sai and I** Dr. Kavita S. Bhatt, 2025-09-09 My God and Guru Sri Sathya Sai Baba rightly says that the Lord who is the author of the Divine Drama of Time with its three acts the past the present and the future the one and the only one who knows the entire drama The spectators and actors have to go through all the three acts to know the gist or the end of the divine drama The gist being the search for our Real Self or Self Realization which is our ultimate destination We all have our own personal notions about Self Realization according to our understanding and imagination because of which there is a lot of confusion The book *My Sai and I* dissolves this confusion and guides the reader step by step on the inward journey from I to Him This book also discusses secrets like Cycle of birth and death Wheel of Life Involution and Evolution Karmas Time Space and Causation Scientific explanation about the Creation The role of Ego annihilation of Ego etc which will add to the readers understanding and bring a drastic change in attitude towards life and living The experiences that the author has on the inward path clearly shows that

Never before in the history of the world have there been so many indications of the descent of the Full Avatar in human form. The miracles of Krishna and Jesus must be taken on trust and faith; those of Sri Sathya Sai Baba you can see for yourself. The author describes the various ways how Sri Sathya Sai Baba is transforming humanity, discusses the factors on which his devotees base their belief in him, outlines his Mission and explains how he is achieving it. The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now. Sathya Sai Baba's Mission starts with nothing less than the transformation of humanity to reinstate the supremacy of the spirit over matter and offer liberation itself. Sathya Sai Baba is short in stature, has a huge halo of hair on his head, wears an orange robe, walks as though his feet are gliding on the floor, displays a majestic grace, works all day long but at the same time maintains an austere life style. He is a fountain of knowledge although he has never read any books; he speaks in the most profound way with remarkable clarity and spontaneity as he has no need to think; he always gives discourses impromptu as he has no need of any notes or preparation; he replies to searching questions by scientists, theologians and other intellectuals with a ready and spontaneous answer on any subject. This Avatar never engages in any spiritual practice, does no Japa or reciting the holy name, no Dhyana or meditating and no Yoga practising union with God. He knows no worship or prayer for He is the Highest. He only teaches you to worship and pray. The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards. The Avatar by contrast is already born fully divine and descends downwards. His humanitarian projects are unique like his Schools and Universities that provide free education, world class Super Specialty Hospitals in rural areas that provide free treatment to one and all, and massive water systems that provide drinking water to millions of people in drought prone districts, all established in record time. Sathya Sai Baba's Global Education Programme based on human values aims to bring about worldwide social transformation, reduce strife and turmoil and unite mankind to live as one family in peace and harmony. The author describes the worldwide Sai Movement with special reference to Latin America where the Sai Spirit has spread like wild fire, crossing the barriers of language, religion and culture.

**How an Engineering Professor Becomes a Spiritual Philosopher** Tommy S. W. Wong, 2016-07-01

Have you met an engineering professor? Have you met an engineering professor who is deep into spirituality and writes spiritual books? I have, and he is me. I had worked as an engineering professor in a university in Singapore. I now write philosophical, self-help and spiritual books. For an engineering professor to become a spiritual author is unusual, to say the least. Indeed, it is this unusualness that prompted me to write this book. Engineering and spirituality are often perceived as two ends of a spectrum, and it is. As engineering deals with the physical and spirituality deals with the non-physical, there is actually tremendous synergy once they are combined. In this book, there are ten chapters in which I share my physical and spiritual journey. They are: 1 Study years, 2 Working years, 3 Academic years, 4 From an engineering professor to a spiritual author, 5 Care for the dying, 6 Being unemployed, 7 Return as consultant, 8 Into politics and socio-political writings, 9 Becoming a

spiritual philosopher and 10 Epilogue You are invited to join me on this journey I hope this sharing is beneficial to you May your life be filled with peace love joy and harmony

The Hagiographer and the Avatar Antonio Rigopoulos,2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru s hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru s hermitage more or less continuously from 1954 up until Kasturi s death in 1987 Despite Kasturi s influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi s relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer s work was not subordinate to the guru s definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon Furthermore Kasturi s ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself this book deepens our understanding of this important pan Indian figure and his charismatic religious movement
