The Life of Saint Joseph as Seen by the Mystics Paul Thigpen, 2022-11-22 Saint Joseph stands close to Jesus and Mary at the heart of the gospel story Yet he remains largely in the background silent and steady Not surprisingly Christians throughout the ages have pondered deeply this mystery that is Joseph Many have speculated about the unknown details of his life and several mystics were granted visions that portrayed the hidden days both the ordinary and the extraordinary of Our Lord's appointed guardian vividly and profoundly The Life of Saint Joseph as Seen by the Mystics weaves together into a single narrative numerous episodes from five such visionaries Saint Bridget of Sweden Servant of God Marina de Escobar Venerable Mary of greda Venerable Maria Cecilia Baij and Blessed Anne Catherine Emmerich The Church insists that such private revelations cannot be viewed as another Gospel nor even as accurate historical accounts or theological treatises Instead they provide a kind of sacred drama full of spiritual insight and devotional power In this fascinating story which reads more like a novel than a history book you'll journey alongside Saint Joseph as he matures from childhood to manhood in preparation for his unique mission responds with courage and wisdom to the startling revelations he receives in dreams protects and cares for his Family during their journey to Bethehem and their sojourn in Egypt labors daily to provide for his household during the hidden years in Nazareth suffers heroically in his final years and dies peacefully in the arms of Jesus and Mary This work serves as a companion to The Life of Mary as Seen by the Mystics compiled by Raphael Brown TAN Books 1991 Together the two books offer a compelling vision of the Holy Family that can deepen and transform your devotion to Jesus Mary and Joseph

Blessed Virgin Mary in England: Vol. II Anthony Josemaria FTI, 2009-03-02 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033 1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary's dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the Immaculate and gifted scholar for the effort he has expended to find qualified contributors and to offer so well edited a book to the general public From the Foreword by Father Peter M Fehlner FI theologian sponsor of the International Symposium on Marian Coredemption
