Ringma, Irene Alexander, 2015-10-15 Everywhere there are voices calling for a new Reformation marked by a return to the older sources of Christian wisdom and for drinking anew the inspiration of the Desert Fathers and Mothers the church fathers those from the monastic tradition and the medieval Christian mystics This anthology of original sources in contemporary English structured in a meditational mode could well be the rich resource you are looking for in hearing the ancient Christian wisdom Here are the deep wells of theological and spiritual insight that could guide you in walking a renewed path of faith in our precarious world These voices from the past may well help you in living against the tide of late modernity with its rationality and utilitarianism that cannot sustain a well lived and well loved life This book could sustain the hope for a renewed world through life lived in the presence of the healing and empowering God **Love Itself Is**

Understanding Matthew A. Rothaus Moser , 2016-11-01 Hans Urs von Balthasar 1905 1988 sets out to reunite Truth and holiness by returning the saints to their proper place at the heart of philosophy theology and metaphysics Love Itself is Understanding is one of the first systematic treatments of Balthasar s theology of the saints Matthew Rothaus Moser presents Balthasar as an alternative to Idealist philosophy a thinker who develops a religious metaphysics in which the saints practices of prayer and contemplation are the chief mode of knowing that the Truth of Being is divine love Love Itself is Understanding casts new light on dominant themes in Balthasar s thought and invites a renewed vision of the theological and metaphysical significance of the spiritual practices of prayer obedience and charity **The Confessions of Saint**

Augustine Saint Augustine, 2024-05-17 The Confessions of Saint Augustine is an autobiographical work that chronicles the spiritual journey of one of the most influential figures in the history of Christianity Written in the early 5th century by Saint Augustine a Bishop of Hippo in North Africa this book is considered a classic of Christian literature and a cornerstone of Western philosophy The book is divided into 13 books each representing a different phase in Augustine s life and spiritual development It is written in the form of a prayer with Augustine addressing his confessions to God seeking forgiveness and understanding Through his honest and introspective writing Augustine reveals his inner struggles doubts and triumphs

providing readers with a rare glimpse into the mind of a saint The first nine books focus on Augustine's early life starting with his childhood in North Africa and his education in rhetoric and philosophy He describes his search for truth and meaning in life which leads him down a path of worldly desires including a long term relationship with a woman and his involvement in the Manichean religion These experiences ultimately leave him feeling unfulfilled and questioning the purpose of life In the tenth book Augustine recounts his conversion to Christianity which marks a turning point in his life and the beginning of his spiritual journey He describes his encounter with God through a vision of a child which inspires him to abandon his previous lifestyle and embrace a life of devotion to God The remaining books focus on Augustine's struggles to overcome his human desires and achieve spiritual enlightenment including his struggles with the concept of time his understanding of the nature of God and his interpretation of the Bible Throughout the text Augustine reflects on the philosophical and theological questions that have troubled him such as the origin of evil and the relationship between faith and reason He also shares his profound insights into human nature morality and the human desire for God His writing is marked by a deep sense of humility as he openly admits his flaws and sins and seeks forgiveness from God The Confessions of Saint Augustine is not only a spiritual autobiography but also a profound theological and philosophical work It is a testament to the power of divine grace and the transformative nature of faith By sharing his personal journey Augustine invites readers to reflect on their own lives and their relationship with God This book continues to resonate with readers of all backgrounds and beliefs making it a timeless masterpiece of literature

The Gospel According to Saint Scooter Phil Burpee, 2025-02-25 The seventeen stories in this collection range from short vignettes to sprawling novellas The characters who appear in them are ordinary folk full of flaws and frailties who embark upon journeys that call them to rise to unforeseen challenges These expeditions which variously take them to the very frontiers of life shift their perception of themselves and the world in which they live love and toil Most of these yarns are tales of redemption and sometimes serendipitous justice with characters who are good people at heart yet who may seem rough hewn with their sometimes spicy language And they are visual stories meant to unfold like movies in the reader s mind For surely everybody s going somewhere looking for something or someone Often such discoveries are made in unexpected ways and it s how each person makes that journey that spins a good tale
