Saints And Rebels Seven Nonconformists In Stuart England:

Saints and Rebels Richard L. Greaves, 1985 **Spirituality in Adversity** Raymond Brown, 2014-07-08 The unique feature of this scholarly and very readable work is that it examines the way those persecuted responded to hardship their faith their worship their perseverance With marvellous warmth Raymond Brown shows us the spirituality of these men and women spirituality centred on Jesus Christ and the Father's love even in such times Brown dives into the writings of those persecuted and demonstrates the rich theology that could only be written with such depth by those who lived in suffering and found God faithful and satisfying I highly recommend this book to scholars as well as common sufferers looking for solace in God Larry Siekawitch pastor and author of *Balancing Head and Heart in Seventeenth Century Puritanism* Paternoster 2012 At a time when Evangelicals interested in the study of spirituality often overlook the immense resources of their own antecedents I hope that this book will help to redress the balance Timothy Grass church historian author and associate editor for the Ecclesiastical History Society Grace Overwhelming Anne Dunan-Page, 2006 *Religions and Discourse* explores religious language in the major world faiths from various viewpoints including semiotics pragmatics and cognitive linguistics and reflects on how it is situated within wider intellectual and cultural contexts In particular a key issue is the role of figurative speech Many fascinating metaphors originate in religion e.g. revelation as a garment apostasy as adultery loving kindness as the circumcision of the heart **Politics and the Paul's Cross Sermons, 1558-1642** Mary Morrissey, 2011-06-16 English Reformation culture centred on the word preached Throughout this period the most important public pulpit was Paul's Cross This book provides a detailed history of the Paul's Cross sermons exploring how they were delivered and the tensions between the authorities who controlled them *John Bunyan and English Nonconformity* Richard Greaves, 1992-07-01 This volume is a comprehensive collection of articles on Bunyan as well as including several broader views of the Nonconformist tradition *"I Will Sing the Wondrous Story"* David W. Music, Paul Akers Richardson, 2008 Baptists have a long and rich heritage of congregational song The hymns Baptists have sung and the books from which they have sung them have been shaping forces for Baptist theology worship and piety Baptist authors and composers have provided songs that have made an impact not only among Baptists in America but also across denominational and geographic lines Congregational singing continues to be a key component of Baptist worship in the twenty first century Beginning with an overview of the British background this book is a survey of the history of Baptist hymnody in America from Baptist beginnings in the New World to the present Its intent is to help the reader better understand the background against which current Baptist congregational song practices operate Unlike earlier writings on the subject this book provides both comprehensive coverage and a continuous narrative It gives thorough attention to the major Baptist bodies in America as well as calling attention to the contributions of significant smaller groups The British Baptist background is dealt with in an introductory section The book also includes many texts and tunes as illustrations of the topics being discussed and focuses on

some of the contributions of Baptist authors and composers to the repertory of congregational song Book jacket **The Puritan Millennium** Crawford Gribben, 2008-07-01 Puritanism was an intensely eschatological movement From the beginnings of the movement Puritan writers developed eschatological interests in distinct contexts and often for conflicting purposes Their reformist agenda emphasized their eschatological hopes In a series of readings of texts by John Foxe James Usser George Gillespie John Rogers John Milton and John Bunyan this book provides an interdisciplinary exploration of Puritan thinking about the last things **John Goodwin and the Puritan Revolution** John Coffey, 2006 A major contribution to our understanding of the English Revolution Ann Hughes Professor of Early Modern History Keele University John Goodwin 1594 1665 was one of the most prolific and controversial writers of the English Revolution his career illustrates some of the most important intellectual developments of the seventeenth century Educated at Queens College Cambridge he became vicar of a flagship Puritan parish in the City of London During the 1640s he wrote in defence of the civil war the army revolt Pride s Purge and the regicide only to turn against Cromwell in 1657 Finally repudiating religious uniformity he became one of England s leading tolerationists This richly contextualised study the first modern intellectual biography of Goodwin explores the whole range of writings produced by him and his critics Amongst much else it shows that far from being a maverick individualist Goodwin enjoyed a wide readership pastored one of London s largest Independent congregations and was well connected to various networks Hated and admired by Anglicans Presbyterians and Levellers he provides us with a new perspective on contemporaries like Richard Baxter and John Milton It will be of special interest to students of Puritanism the English Revolution and early modern intellectual history JOHN COFFEY is Professor of Early Modern History at the University of Leicester **Black Bartholomew's Day** David J. Appleby, 2013-07-19 Black Bartholomew s Day explores the religious political and cultural implications of a collision of highly charged polemic prompted by the mass ejection of Puritan ministers from the Church of England in 1662 It is the first in depth study of this heated exchange centres centring on the departing ministers farewell sermons Many of these valedictions delivered by hundreds of dissenting preachers in the weeks before Bartholomew s Day would be illegally printed and widely distributed provoking a furious response from government officials magistrates and bishops Black Bartholomew s Day re interprets the political significance of ostensibly moderate Puritan clergy arguing that their preaching posed a credible threat to the restored political order This book is aimed at readers interested in historicism religion nonconformity print culture and the political potential of preaching in Restoration England **Expect Great Things, Attempt Great Things** Allen Yeh, Chris Chun, 2013-09-04 William Carey often dubbed The Father of Modern Missions and Adoniram Judson America s first intercontinental missionary were pioneers whose missions overlapped in chronology geography and purpose However rarely are they both featured in the same volume or compared and contrasted Here we have unique material by some of the world s leading experts on these two giants of missionary history with perspectives on these men in ways never seen before Especially relevant to this current age of World

Christianity are the perspectives from India and Burma the lands which received these men for their missionary enterprise

Glimpses of Glory Richard L. Greaves,2002 This is a major reinterpretation of John Bunyan each of whose works including the posthumous is analyzed in its immediate historical context The author draws on recent literature on depression to demonstrate that Bunyan suffered from this mood disorder as a young man and then used this experience to help mold his literary works

Apocalypse How? Mark Robert Bell,2000 The reintegration of the religious and political aspects of their thought reveals the Baptist movements to have been capable of generating support for both radical groups

John Owen, Richard Baxter and the Formation of Nonconformity Dr Tim Cooper,2013-07-28 John Owen 1616 1683 and Richard Baxter 1615 1691 were both pivotal figures in shaping the nonconformist landscape of Restoration England Yet despite having much in common they found themselves taking opposite sides in several important debates and their relationship was marked by acute strain and mutual dislike By comparing and contrasting the parallel careers of these two men this book not only distils the essence of their differing theology it also offers a broader understanding of the formation of English nonconformity Placing these two figures in the context of earlier events experience and differences it argues that Restoration nonconformity was hampered by their strained personal relationship which had its roots in their contrasting experiences of the English Civil War This study thus contributes to historiography that explores the continuities across seventeenth century England rather than seeing a divide at 1660 It illustrates the way in which personality and experience shaped the development of wider movements

Sir Henry Vane, Theologian David Parnham,1997 Well known to students of history as a leading political figure during the English Civil War and beyond Vane is presented in this book as a formidable and articulate thinker Author David Parnham sees Vane as a fascinating occupant of the rich intellectual world of the mid seventeenth century

Cromwell's Major-Generals Christopher Durston,2001-07-06 Christopher Durston s full scale study ambitiously documents the history behind what remains today a powerful symbol of military rule He explores the motivations behind the decisions to appoint the major generals looking at their careers and personalities Durston pays particular attention to the collection of the decimation tax the attempt to improve the security of the regime and the struggle to build a godly nation He concludes with an investigation of the 1656 election and the major generals subsequent fall from power

John Owen, Richard Baxter and the Formation of Nonconformity Tim Cooper,2016-05-06 John Owen 1616 1683 and Richard Baxter 1615 1691 were both pivotal figures in shaping the nonconformist landscape of Restoration England Yet despite having much in common they found themselves taking opposite sides in several important debates and their relationship was marked by acute strain and mutual dislike By comparing and contrasting the parallel careers of these two men this book not only distils the essence of their differing theology it also offers a broader understanding of the formation of English nonconformity Placing these two figures in the context of earlier events experience and differences it argues that Restoration nonconformity was hampered by their strained personal relationship which had its roots in their

contrasting experiences of the English Civil War This study thus contributes to historiography that explores the continuities across seventeenth century England rather than seeing a divide at 1660 It illustrates the way in which personality and experience shaped the development of wider movements

Eight Women of Faith Michael A. G. Haykin, 2016-07-18 Read the Stories of Eight Remarkable Women and Their Vital Contributions to Church History Throughout history women have been crucial to the growth and flourishing of the church Historian Michael A G Haykin highlights the lives of eight of these women who changed the course of history showing how they lived out their unique callings despite challenges and opposition inspiring modern men and women to imitate their godly examples today Jane Grey The courageous Protestant martyr who held fast to her conviction that salvation is by faith alone even to the point of death Anne Steele The great hymn writer whose work continues to help the church worship in song today Margaret Baxter The faithful wife to pastor Richard Baxter who met persecution with grace and joy Esther Edwards Burr The daughter of Jonathan Edwards whose life modeled biblical friendship Anne Dutton The innovative author whose theological works left a significant literary legacy Ann Judson The wife of Adoniram Judson and pioneer missionary in the American evangelical missions movement Sarah Edwards The wife of Jonathan Edwards and model of sincere delight in Christ Jane Austen The prolific novelist with a deep and sincere Christian faith that she expressed in her stories

William Bridge H. Rondel Rumburg, 2003-06 *Deliver Us from Evil* Richard L. Greaves, 1986 After more than two decades of unprecedented political social and religious upheaval revolutionary thought and activity in Britain continued to thrive even after the restoration of the monarchy in 1660 This highly original study which draws on the reports of both police and informers follows the radical underground in England from the eve of the Restoration to the collapse of the northern rebellion in 1663 In a tale that winds its way across England and into Scotland Ireland the Netherlands and Switzerland Greaves examines how radicals remained united in their common animosity to monarchy prelacy taxes and popery Although ultimately unsuccessful their conspiracies and rebellions nonetheless fueled the drive for the repression of Nonconformists prompted the state to cultivate an elaborate network of informers and heightened the concern for domestic security

Heretics Within David Parnham, 2014-05-14 When early in the seventeenth century the puritan pastor Anthony Wotton started to circulate manuscript statements of his theological revision he was courting danger Wotton was at once bold and subtle a provocation to clerical brethren yet a skilled exponent of their technical disciplines He addressed matters of fundamental importance Christ's redemptive suffering and the imputation of justifying righteousness God's saving grace and the moral law faith and works the gracious covenant and the legal covenant Crucially important for Wotton was the interpretation of St Paul's epistles in relation to the justification of sinners This book examines Wotton's revisionary writings and the bitter doctrinal controversy that they stimulated and traces the Wottonian complexion of the theology of John Goodwin who became over the course of a period of thirty years a prolific exponent of unorthodox notions perhaps the most provocative of England's learned heretics and blasphemers in the age of the Long Parliament and the

Interregnum Contemporary responses to Wotton and Goodwin reveal how fixed were the core positions of orthodoxy and how worrisome were the challenges posed to them Wotton and Goodwin trespassed often in the name of John Calvin upon some of the borderlands at which unusual uses of technical language became intolerable to the custodians of Calvinist truth At these points the contingency of theological language was uncomfortably exposed and interlocutors discovered how rubbery were the signifiers of doctrine and how unstable the communication of truth could be
