Scrum Wars The Prime Ministers And The Media:

Power, Prime Ministers and the Press Robert Lewis, 2018-10-27 An intimate history of the journalists who covered Canadian history and made some of their own The history of the press gallery is rich in anecdotes about the people on Parliament Hill who have covered 23 prime ministers and 42 elections in the past 150 years Mining the archives and his own interviews Robert Lewis turns the spotlight on the watchers including reporters who got too close to power and others who kept their distance The Riel Rebellion the Pacific Scandal two world wars the Depression women s liberation Quebec separatism and terrorism are all part of the sweeping background to this lively account of how the news gets made manipulated and sometimes mangled Since Watergate press gallery coverage has become more confrontational a fact Lewis argues that fails Canadian democracy Canada's Department of External Affairs, Volume 3 John Hilliker, Mary

Halloran, Greg Donaghy, 1990-01-01 Volume three of the official history of Canada s Department of External Affairs offers readers an unparalleled look at the evolving structures underpinning Canadian foreign policy from 1968 to 1984 Using untapped archival sources and extensive interviews with top level officials and ministers the volume presents a frank insider s view of work in the Department its key personalities and its role in making Canada s foreign policy In doing so the volume presents novel perspectives on Prime Minister Pierre Trudeau and the country s responses to the era s most important international challenges These include the October Crisis of 1970 recognition of Communist China UN peacekeeping decolonization and the North South dialogue the Middle East and the Iran Hostage crisis and the ever dangerous Cold War

Prime Ministers' Wives Lavona Fercho, 2021-01-06 Being the wife of a Canadian prime minister offers both rewards and challenges In *Prime Ministers Wives* author Lavona Fercho presents a look at the wives and their lives as public figures Beginning with Isabella Clark Macdonald and ending with Sophie Gregoire Trudeau this collection of thirteen biographical sketches reveals how the role of the wife of Canadian prime ministers has developed throughout the years Fercho depicts how each wife coped with the battles and intrusions they faced at the prime minister s residence at 24 Sussex Drive She shares how some wives adopted a minimal public lifestyle while the more gregarious accepted roles of charitable chair positions press conferences as well as campaigns to promote their husband Frank and revealing *Prime Ministers Wives* tells how each wife handled the extreme pressures of the position Whether personal or public reported experiences were of marital challenges including infidelity parentage alcoholism and mental illness as well as public verbal and physical assault death threats and unrelenting scrutiny while promoting a societal recognition of women for equal status **Being Prime**

Minister J.D.M. Stewart, 2018-06-16 *Being Prime Minister* sheds light on the lives of prime ministers as ordinary people examining them through a variety of experiences most Canadians share **Four Days in Hitler's Germany** Robert Teigrob, 2019-05-23 In 1937 Canadian Prime Minister Mackenzie King travelled to Nazi Germany in an attempt to prevent a war that to many observers seemed inevitable The men King communed with in Berlin including Adolf Hitler assured him of

the Nazi regime's peaceful intentions and King not only found their pledges sincere but even hoped for personal friendships with many of the regime's top officials *Four Days in Hitler's Germany* is a clearly written and engaging story that reveals why King believed that the greatest threat to peace would come from those individuals who intended to thwart the Nazi agenda which as King saw it was concerned primarily with justifiable German territorial and diplomatic readjustments Mackenzie King was certainly not alone in misreading the omens in the 1930s but it would be difficult to find a democratic leader who missed the mark by a wider margin This book seeks to explain the sources and outcomes of King's misperceptions and diplomatic failures and follows him as he returns to Germany to tour the appalling aftermath of the very war he had tried to prevent

Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes

Newspaper City Phillip Gordon Mackintosh, 2017-04-24 In *Newspaper City* Phillip Gordon Mackintosh scrutinizes the reluctance of early Torontonians to pave their streets He demonstrates how Toronto's two liberal newspapers the *Toronto Globe* and *Toronto Daily Star* nevertheless campaigned for surface infrastructure as the leading expression of modern urbanity despite the broad resistance of property owners to pay for infrastructure improvements under local improvements by laws To boost paving newspapers used their broadsheets to fashion two imagined cities for their readers one overrun with animals dirt and marginal people the other civilized modern and crowned with clean streets However the employment of capitalism to generate traditional public goods such as concrete sidewalks asphalt roads regulated pedestrianism and efficient automobilism is complicated Thus the liberal newspapers' promotion of a city of orderly infrastructure and contented people in actual Toronto proved strikingly illiberal Consequently Mackintosh's study reveals the contradictory nature of newspapers and the historiographical complexities of newspaper research

King Allan Gerald Levine, 2011 Advance Praise for *King* Here we have Allan Levine one of the aces of Canadian historical chronicles channelling Mackenzie King And what a story they have to tell our longest serving prime minister getting advice from his dog and having two way conversations with his long dead mother If Canadian history was ever dull it isn't now Get this book Book jacket

Lord Strathcona Donna McDonald, 2002-09-01 Donald Smith known to most Canadians as Lord Strathcona was an adventurer who made his fortune building railroads He joined the Hudson's Bay Company at age eighteen and went on to build the first railway to open the Canadian Northwest to settlement As his crowning achievement he drove the last spike for the nation building Canadian Pacific Railway In 1896 Smith became Canada's High Commissioner in London and was soon elevated to the peerage He became a generous benefactor to Canadian

institutions This eminently readable biography brings to light new information including details about Strathcona's personal life and his scandalous marriage

Mapping South Asian Masculinities Chandrima Chakraborty, 2017-10-02 This book offers the first substantial critical examination of men and masculinities in relation to political crises in South Asian literatures and cultures It employs political crisis as a frame to analyze how South Asian men and masculinities have been shaped by critical historical events events which have redrawn maps and remapped or unmapped bodies with different effects These include colonialism anti colonialism state formations civil wars religious conflicts and migration Political crisis functions as a framing device to offer nuances and clarifications to the assumed visibility of male bodies and male activities during political crisis The focus on masculinities in historical moments of crisis divests masculinity of its naturalization and calls for a heterogeneous conceptualization of the everyday practices and experiences of being a man Written by scholars from a variety of theoretical perspectives and disciplinary approaches and drawing on a range of written and visual texts this book contributes to this recent rethinking of South Asian literary and cultural history by engaging masculinity as a historicized category of analysis that accommodates an understanding of history as differentiated encounters among bodies cultures and nations This book was originally published as a special issue of *South Asian History and Culture*

Our Man in Tehran Robert Wright, 2011-01-11 For the true story behind Argo read *Our Man in Tehran* The world watched with fear in November 1979 when Iranian students infiltrated and occupied the American embassy in Tehran The Americans were caught entirely by surprise and what began as a swift and seemingly short lived takeover evolved into a crisis that would see fifty four embassy personnel held hostage most for 444 days As Tehran exploded in a fury of revolution six American diplomats secretly escaped For three months Ken Taylor the Canadian ambassador to Iran along with his wife and embassy staffers concealed the Americans in their homes always with the prospect that the revolutionary government of Ayatollah Khomeini would exact deadly consequences The United States found itself handcuffed by a fractured fundamentalist government it could not understand and had completely underestimated With limited intelligence resources available on the ground and anti American sentiment growing President Carter turned to Taylor to work with the CIA in developing their exfiltration plans Until now the true story behind Taylor's involvement in the escape of the six diplomats and the Eagle Claw commando raid has remained classified In *Our Man in Tehran* Robert Wright takes us back to a major historical flashpoint and unfolds a story of cloak and dagger intrigue that brings a new understanding of the strained relationship between the United States and Iran With the world once again focused on these two countries this book is the stuff of John le Carr and Daniel Silva made real

In the News, 2nd edition William Wray Carney, 2012-07-02 Are you or your organization going to be in the news Do you want to be in the media spotlight and do you know how to deal with it *In the News* provides an introduction to media relations in Canada from a practical and philosophical approach Grounded in the latest research on how to work with media it explains current media practices and demonstrates how to take a proactive planned approach to dealing with media

First published in 2002 to wide acclaim from media and academia alike the second edition is revised and updated containing two new chapters that outline emerging trends in media relations as well as connecting larger issues in media to its role in modern society *The Dundurn Group* The Dundurn Group, **Canadian Books in Print. The Harper Factor Jennifer Ditchburn,Graham Fox,2016-10-19 Political legacy is a concept that is often tossed around casually hastily defined by commentators long before a prime minister leaves office In the case of the polarizing Stephen Harper clear eyed analysis of his tenure is hard to come by The Harper Factor offers a refreshingly balanced look at the Conservative decade under his leadership What impact did Harper have on the nation s finances on law and order and on immigration Did he accomplish what he promised to do in areas such as energy and intergovernmental affairs How did he change the conduct of politics the workings of the media and Parliament A diverse group of contributors including veteran economists David Dodge and Richard Dion immigration advocate Senator Ratna Omidvar Stephen Harper s former policy director Paul Wilson award winning journalists such as Susan Delacourt and vice provost of Aboriginal Initiatives at Lakehead University Cynthia Wesley Esquimaux make reasoned cases for how Harper succeeded and how he fell short in different policy domains between 2006 and 2015 Stephen Harper s record is decidedly more nuanced than both his admirers and detractors will concede The Harper Factor provides an authoritative reference for Canadians on the twenty second prime minister s imprint on public policy while in office and his political legacy for generations to come Scrum Wars Allan Gerald Levine,1993 Scrum Wars chronicles fascinating and dramatic confrontations between the prime ministers of Canada and the men and women of Canada s news media The Blueprint J. P. Lewis,Joanna Everitt,2017-08-28 In this collection J P Lewis and Joanna Everitt bring together a group of up and coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada covering the pre merger period 1993 2003 and both the minority and majority governments under Prime Minister Stephen Harper The contributors provide nuanced accounts about the experience of conservatives in Canada which reflect the contemporary evolution of Canadian politics in both policy and practice They challenge the assumption that Harper s government was built upon traditional toryism and reveal the extent to which the agenda of the CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more The Blueprint showcases the renewed vigour in political studies in Canada while revealing the contradictory story of the modern Conservative Party Governing James Bickerton,B. Guy Peters,2013-06-01 To honour the distinguished career of Donald Savoie Governing brings together an accomplished group of international scholars who have concerned themselves with the

challenges of governance accountability public management reform and regional policy Governing delves into the two primary fields of interest in Savoie's work regional development and the nature of executive power in public administration The majority of chapters deal with issues of democratic governance particularly the changing relationship over the past thirty years between politicians and public servants A second set of essays addresses the history of regional development examining the politics of regional inequalities and the promises and pitfalls of approaches adopted by governments to resolve the most vexing policy problems Contributors provide readers with a valuable primer on the key issues that have provoked debate among practitioners and students of government alike while reflecting on government initiatives meant to address inadequacies Showcasing the practical experience and scholarly engagement of its authors this collection is a valuable addition to the fields of public administration public policy political governance and regional policy Contributors include Peter Aucoin Dalhousie University Herman Bakvis University of Victoria James Bickerton St Francis Xavier University Jacques Bourgault cole nationale d administration publique UQAM Thomas Courchene Queen's University Ralph Heintzman University of Ottawa Mark D Jarvis University of Victoria Lowell Murray Senate of Canada retired B Guy Peters University of Pittsburgh Jon Pierre University of Gothenburg Mario Pol se INRS UCS Christopher Pollitt Leuven University Donald J Savoie Universit de Moncton and Paul G Thomas University of Manitoba
