Sea of Dreams Cheng Gu,2005 A comprehensive selection of poems and essays spanning the career of one of China's most celebrated 20th century poets You can write poetry and then again you can't It comes into this world of its own accord not by the will of the poet Gu Cheng Gu Cheng 1956 1993 is one of China's most celebrated contemporary poets His

early death ended a literary career that was influenced by the Cultural Revolution and that reawakened the lyricism of Chinese poets during the 1980s Offering a unique blend of brooding imagism and political innuendo Gu Cheng's poetry traces complex changes in the poet's life/familial psychological/cultural and also radiates an innocence and a touching melancholy His poetry began on the farms in Shandong province where his parents were exiled during the Cultural Revolution and ended on a small island in New Zealand where he took up a Thoreau-like existence before his tragic suicide His poem *One Generation* became emblematic for the generation coming of age in China in the 60s and 70s Here for the first time is poetry based on the poet's own personal selections from his work *Sea Basket Blue* There are also prose works including excerpts of Gu Cheng's novel *Ying'er* plus a selection of his essays **Upon a Sea of Dreams** Kathleen Donnelly, 2008 *Beyond the Sea of Dreams* Mary Ann Short, 2021-06-22 Dierdre Farrell's childhood is filled with fear and insecurity A heartless and insensitive family has her feeling traumatized and alone Finding the courage to leave the callous and abusive environment in which she was raised her life begins to slowly transform Nevertheless she cannot completely run from her past and is ultimately compelled to face its grim realities Determined to find hope and deliverance in a new town loyal friends and the love of a kind yet troubled man she learns the meaning of trust and forgiveness **The Astral Wanderer and the Sea of Dreams** Amelie C. Langlois, 2021-10-22 In the second book of the Astral Wanderer series the dread Wanderer screams across a sea of cancerous flesh in a craft of unbridled speed and destruction bound for the heart of the undying forest and the daughter he forsook in ages past On his journey he must contend with incarnations of his terrifying past pirates who have abandoned their souls to the ceaseless hunger the whispers of insanity that claw at his mind and a star-maddened captain hunting him to the eye of creation itself **Shells from the Strand of the Sea of Genius** Harriet Farley, 1847 *Yellow Moon Sea* Matthew R Brackley, 2014-03-14 The mystical story of Yellow Moon Sea A story of love and that it can last forever in the universe That loves energy can travel anywhere To quote the introduction On yellow moon sea a spirit can travel forever in light on dark blue forever this is you A book for those who feel love intensely and understand the full meaning of everything Created in A4 size for ease of reading and sharing **Awash in a Sea of Faith** Jon Butler, 1990 Challenging the formidable tradition that places early New England Puritanism at the center of the American religious experience Yale historian Jon Butler offers a new interpretation of three hundred years of religious and cultural development Butler stresses the instability of religion in Europe where state churches battled dissenters magic and astonishingly low church participation He charts the transfer of these difficulties to America including the failure of Puritan religious models and describes the surprising advance of religious commitment there between 1700 and 1865 Through the assertion of authority and coercion a remarkable sacralization of the prerevolutionary countryside advancing religious pluralism the folklorization of magic and an eclectic syncretistic emphasis on supernatural interventionism including miracles America emerged after 1800 as an extraordinary spiritual hothouse that far eclipsed the Puritan achievement even as

secularism triumphed in Europe Awash in a Sea of Faith ranges from popular piety to magic from anxious revolutionary war chaplains to the cool rationalism of James Madison from divining rods and seer stones to Anglican and Unitarian elites and from Virginia Anglican occultists and Presbyterians raised from the dead to Jonathan Edwards Joseph Smith and Abraham Lincoln Butler deftly comes to terms with conventional themes such as Puritanism witchcraft religion and revolution revivalism millenarianism and Mormonism His elucidation of Christianity's powerful role in shaping slavery and of a subsequent African spiritual holocaust with its ironic result in African Christianization is an especially fresh and incisive account Awash in a Sea of Faith reveals the proliferation of American religious expression not its decline and stresses the creative tensions between pulpit and pew across three hundred years of social maturation Striking in its breadth and deeply rooted in primary sources this seminal book recasts the landscape of American religious and cultural history **The Hidden**
