## Sea Breeze And Local Wind:

Sea Breeze and Local Winds John E. Simpson, 1994-06-02 The sea breeze affects our lives in many ways It controls our local weather not only on the coast but also in many districts inland Air pollution and smog also the distribution of airborne insect pests and the spread of pollen are all controlled by the sea breeze In the world of sport it is important to glider pilots sailors and surfers and balloonists In the book we see how radar lidar and satellite photography have helped to forecast and map sea breezes and the all important sea breeze front The book ends with a description of laboratory experiments mostly carried out by the author and his co workers and a simple summary of theoretical models The book will be welcomed by those researching in the subject but will also be valuable to the general reader who is interested in local weather and the natural environment
