The ability to decode text is not enough. It is vital that children understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers. The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that. They provide children with a variety of engaging, enjoyable texts that will grab their attention and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues to plays, stories and poems. They gradually increase in difficulty as you progress through the book and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. Tasks range from simple factual recall and vocabulary work to more open-ended questions enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers.      **Tales of Shipwrecks and Adventures at Sea** James Lindridge, 1846      *Paleontology and Stratigraphy of the Castle Hayne and Trent Marls in North Carolina* Lewis Burnett Kellum, 1926      **Secretary of the Army's Report on Civil Works Activities** United States Army. SE ,1986      *Ireland's Sea Fisheries, 1400-1600* Patrick W. Hayes,2023 This book examines the environmental political and economic history of Ireland s marine fisheries from 1400 to 1600 It combines a wide range of historical sources with innovative digital research methods to provide a comprehensive and systematic overview Government letters and court documents highlight the diverse range of fishing fleets from across Europe that visited Irish waters in the early sixteenth century bringing wealth and cultural influence to the native Irish who developed complex systems to protect and tax the visitors Furthermore trade records illustrate that fish was Ireland s premier export in the late fifteenth and early sixteenth centuries However a range of factors led to the industry s collapse by the end of the sixteenth century the Tudor conquest which disrupted fishing operations and fundamentally altered who controlled fishing resources the destabilization of Irish waters resulting from the terrestrial conflict which allowed pirates to thrive an influx of cheap cod from the newly exploited fisheries in Newfoundland which changed consumption patterns in Ireland and across Europe and shifting climatic conditions and decades of over exploitation which meant fewer fish and poorer catches Overall the book reveals that fisheries form a vital part of the broader environmental political and economic history of Ireland
