Sea Shells R Viswakumar, 2022-04-25 Quotes are quoted as the translation of one's own experiences in life For eons the message is passed on from one generation to another by way of sharing their experience in writing It is simple literary work and not about literary skills either Many a time we have to read between lines Unless one dives deep into his heart with deep introspection it is not possible to reflect the experiences in writings like picking pearls from the deep sea hence the title SEA SHELLS Those on shore never know or realize how deep the experience is unless they dwell in their experience For the same reason quotes do not transform a reader but can only remind introspect reader's experience *Sea Shells of the Jersey Shore* Henry Augustus Pilsbry, 1891
