Seafaring America:

Sea Faring America Joseph J. Thorndike, 1975 *The Quest for the America's Cup: Sailing to Victory* Richard V. Simpson, 2012-04-24 For over one hundred and fifty years the America's Cup has been the premier prize as yachtsmen have been pitted against sailors from around the world in an effort to win this prestigious race The race takes its name from the champion schooner America which was created due in large part to the efforts of New York Yacht Club founder John Cox Stevens Author Richard V Simpson sheds new light on long forgotten stories of the early quests for the coveted Cup Among the notable yachtsmen profiled are Sir Thomas Johnstone Lipton who earned a special award for being the race's best loser and Ted Hood who owned a sail making company that developed the Dacron cloth from which the twelve meter sails were cut This history comes to life with exciting descriptions of the yachts the races and the colorful personalities of those who longed to capture the greatest prize in yacht racing **Work in America** Carl E. Farinelli,2017-09-05 Two days after Christmas in 1738 a British merchant ship traveling from Rotterdam to Philadelphia grounded in a blizzard on the northern tip of Block Island twelve miles off the Rhode Island coast The ship carried emigrants from the Palatinate and its neighboring territories in what is now southwest Germany The 105 passengers and crew on board sick frozen and starving were all that remained of the 340 men women and children who had left their homeland the previous spring They now found themselves castaways on the verge of death and at the mercy of a community of strangers whose language they did not speak Shortly after the wreck rumors began to circulate that the passengers had been mistreated by the ship s crew and by some of the islanders The stories persisted transforming over time as stories do and in less than a hundred years two terrifying versions of the event had emerged In one account the crew murdered the captain extorted money from the passengers by prolonging the voyage and withholding food then abandoned ship In the other the islanders lured the ship ashore with a false signal light then murdered and robbed all on board Some claimed the ship was set ablaze to hide evidence of these crimes their stories fueled by reports of a fiery ghost ship first seen drifting in Block Island Sound on the one year anniversary of the wreck These tales became known as the legend of the Palatine the name given to the ship in later years when its original name had been long forgotten The flaming apparition was nicknamed the Palatine Light The eerie phenomenon has been witnessed by hundreds of people over the centuries and numerous scientific theories have been offered as to its origin Its continued reappearances along with the attention of some of nineteenth century America s most notable writers among them Richard Henry Dana Sr John Greenleaf Whittier Edward Everett Hale and Thomas Wentworth Higginson has helped keep the legend alive This despite evidence that the vessel whose actual name was the Princess Augusta was never abandoned lured ashore or destroyed by fire So how did the rumors begin What really happened to the Princess Augusta and the passengers she carried on her final fatal voyage Through years of painstaking research Jill Farinelli reconstructs the origins of one of New England s most chilling maritime mysteries *A History of US: Liberty for All?* Joy Hakim,2012-10-31 Recommended by the Common Core State Standards for English Language Arts and Literacy as an

exemplary informational text Early nineteenth century America could just about be summed up by Henry David Thoreau's words when he said Eastward I go only by force but westward I go free It was an exuberant time for the diverse citizens of the United States who included a range of folk from mountain men and railroad builders to whalers and farmers as they pushed forward into the open frontier and all their hopes and fears are captured in *Liberty for All* In addition to colorful accounts of the massive westward migration the California Gold Rush a war with Mexico the Oregon boundary conflict Texas and the Alamo *Liberty for All* takes a deep look at the issue that began to gnaw at the country's core How in the land where all men are created equal could there be slaves About the Series Master storyteller Joy Hakim has excited millions of young minds with the great drama of American history in her award winning series *A History of US* Recommended by the Common Core State Standards for English Language Arts and Literacy as an exemplary informational text *A History of US* weaves together exciting stories that bring American history to life Hailed by reviewers historians educators and parents for its exciting thought provoking narrative the books have been recognized as a breakthrough tool in teaching history and critical reading skills to young people In ten books that span from Prehistory to the 21st century young people will never think of American history as boring again
