Alden,2023-01-21 Packed with action INVASION is relentless and leaves you wanting more Highly recommended Steven McLaughlin Author of Squaddie A Soldier s Story This story moves at breakneck pace but be warned have another book ready because you ll read this one quickly ARRSE The Army Rumour Service The UK s largest unofficial military website

\_\_\_\_\_ London the far future the city is almost unrecognisable a legacy of the war fought centuries past Now two men navigate its dark streets soldiers on a mission fighting a battle that began hundreds of years ago As Downing Street basks beneath a summer sun the driver of a truck bomb watches and waits as the seconds on his watch tick away Across the city three men park their van beneath London s busiest flight path and unload Stinger missiles aiming them at the giant airliner passing overhead In Stockwell south London an MI5 officer discovers that his surveillance target and scores of others have shaken their tails and disappeared All at the same time The fuse has been lit A maelstrom of violence is about to engulf the capital a precursor to something far bigger Something unimaginable and infinitely more terrifying INVASION

**Invasion Deliverance** DC Alden,2021-11-28 As Alliance forces push south across a war torn England Eddie Novak infiltrates London to ensure the allies don t run into any nasty surprises But the enemy isn t going quietly A devastating trap has been laid one that threatens the allied advance Cut off and unable to sound the alarm Eddie must fight his way out of a city bracing itself for a terrifying assault Elsewhere Bertie Payne is on the run as millions flee the capital and the country desperate to escape the approaching blizzard of war And Bertie has a plan one that will guarantee his safety but Bertie s plans have a knack of unravelling at the worst possible moment A war storm is about to break over the besieged capital and anyone caught in its deadly path will pray for only one thing Deliverance **Invasion Frontline** DC Alden,2021-06-06 The battle for Britain rages As the fighting sweeps across northern England Eddie Novak and his friends infiltrate enemy lines to help a desperate comrade reach home But the once peaceful village has been plagued by criminals and collaborators men of violence who take whatever they want Including children Now Eddie and the boys must embark on a dangerous rescue mission deep into the heart of a hostile city Getting there will be hard enough Getting out alive will need a miracle Elsewhere deep in the heart of the caliphate a coup threatens to unleash a global nuclear exchange Every day brings more uncertainty fear and death On both sides of the frontline lives hang by the barest of threads Invasion Uprising DC Alden,2020-08-10

Three years long years of tyranny and bloodshed have passed since the invasion of Europe Now a new dawn rises A nuclear attack shatters the fragile peace between Beijing and Baghdad In Europe Caliphate forces are driven back across a war torn Ireland and into the sea As the tide turns and hope rises hard decisions are about to be made Britain s most senior judge a ruthless tyrant is determined to crush the seeds of rebellion with her own brutal form of justice In London a resistance fighter must put his own life at risk as the walls close in around him Meanwhile far to the north the King s Continental Army

is preparing for all out war Within its ranks four friends stand ready to assault the deadliest frontier imaginable And when the uprising begins the battle that follows might cost them their lives      *The Mercenary Option* Dick Couch,2003-11-06

After losing his son in the September 11 attacks wealthy industrialist Joseph Simpson forms the Intervention Force IFOR a surgical strike team led by former Navy SEAL Garrett Walker Officially the group is a rogue operation with no government affiliation But when the impossible becomes absolutely necessary IFOR is THE MERCENARY OPTION Shortly after the terror attacks on America the American president announces the construction of an oil pipeline across Afghanistan To stop this and deter further Western encroachment in Central Asia a vindictive Saudi prince retains ex KGB terror broker Pavel Zelinkow a prime mover behind al Qaeda s 9 11 attack Zelinkow plans to steal two nuclear weapons detonating one of them among the pipeline construction crews and their military guardians while the target of the second bomb is a mystery U S special operations forces cannot be used against the terrorists hiding in Iran so IFOR is called into action for the first time on a mission that will test them to their limits take out the terrorists recover the nukes and get Zelinkow dead or alive
