Seal From Vietnams Phoenix Program To Central Americas Drug Wars:

SEAL! Michael J. Walsh, Greg Walker, 1994 Here is the extraordinary story of a veteran of 26 years of combat with the Navy's most elite special force the legendary SEALs including five tours of Vietnam one in the top secret PHOENIX program Walsh's exploits stand alone as the pinnacle of daring and sacrifice in the history of the SEALs **U.S. Counterstrike**

Samuel M. Katz, 2004-08-01 Examines the origins tools techniques and major operations of the following United States counterterrorism forces Delta Force Navy SEALs CIA FBI and Department of Homeland Security **Special Operations and Strategy**

James D. Kiras, 2006-07-29 This book argues that the root of effective special operations lies in understanding the relationship between moral and material attrition this is achieved by examining both strategic theory and real life case studies **A History of Political Murder in Latin America**

W. John Green, 2015-04-27 A sweeping study of political murder in Latin America This sweeping history depicts Latin America's pan regional culture of political murder Unlike typical studies of the region which often focus on the issues or trends of individual countries this work focuses thematically on the nature of political murder itself comparing and contrasting its uses and practices throughout the region W John Green examines the entire system of political murder the methods and justifications the perpetrators employ the victims and the consequences for Latin American societies Green demonstrates that elite and state actors have been responsible for most political murders assassinating the leaders of popular movements and other messengers of change Latin American elites have also often targeted the potential audience for these messages through the region's various dirty wars In spite of regional differences elites across the region have displayed considerable uniformity in justifying their use of murder imagining themselves in a class war with democratic forces While the United States has often been complicit in such violence Green notes that this has not been universally true with US support waxing and waning A detailed appendix exploring political murder country by country provides an additional resource for readers *Fighting Elites* John C. Fredriksen, 2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they've accomplished throughout our history and how they operate today *Fighting Elites* A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities **Alpha** David

Philipps, 2022-09-13 An infuriating fast paced The Washington Post account of the Navy SEALs of Alpha platoon the startling accusations against their chief Eddie Gallagher and the courtroom battle that exposed the dark underbelly of America's special forces from a Pulitzer Prize winning reporter WINNER OF THE COLORADO BOOK AWARD Nearly impossible to put down Jon Krakauer New York Times bestselling author of *Where Men Win Glory* and *Into the Wild* In this brilliantly written The New York Times Book Review and startling account Pulitzer Prize winning New York Times correspondent David Philipps reveals a powerful moral crucible one that would define the American military during the years of combat that became known as the forever war When the Navy SEALs of Alpha platoon returned from their 2017 deployment to Iraq a group of them reported their chief Eddie Gallagher for war crimes alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians The story of Alpha's war both in Iraq and in the shocking trial that followed the men's accusations would complicate the SEALs post 9/11 hero narrative turning brothers in arms against one another and bringing into stark relief the choice that elite soldiers face between loyalty to their unit and to their country One of the great stories written about American special forces Alpha is by turns a battlefield drama a courtroom thriller and a compelling examination of how soldiers define themselves and live with the decisions in the heat of combat *Air Force Magazine*, 1995
