Sean O'Faolain Maurice Harmon,1988 *Sean O'Faolain's Irish Vision* Richard Bonaccorso,1987-01-01 This book examines the personality cultural inheritance social commentary literary art and representative qualities of Sean O Faolain dean of modern Irish literature It updates O Faolain s significance as a world class writer and reinterprets his career of over fifty years from a universalist perspective It also explores O Faolain s vital relationship with his native culture conceiving him as representative Irish writer self conscious Irishman and Irish citizen of the world *Selected Essays of Sean O'Faolain* Brad Kent,2016-10-01 Sean O Faolain 1900 1991 was Ireland s leading social and political critic in the period following the country s independence from the United Kingdom Since his death scholarly opinion has alternately cast him as an arch revisionist a liberal nationalist and a frustrated republican The Selected Essays of Sean O Faolain reassesses his reputation by showing that he wrote in the tradition of post Enlightenment European intellectuals and that while he was a significant figure in Ireland his work extends beyond immediate national concerns This volume includes over fifty unabridged essays by O Faolain on a wide range of subjects from canonical writers to architecture from religious scandals to economics from nationalism to internationalism from long dead historical figures to recent controversies O Faolain s fearlessness in taking on the major political cultural and religious figures of his day his masterly use of rhetoric and his intellectual acuity have contributed to his works being quoted often by scholars working across several disciplines Many of these essays appear here in print for the first time since they were published in the foremost periodicals of their day An extensive introduction and helpful annotations contextualise and explain them for a new audience In his re readings of history and challenges to dominant historiographical trends O Faolain has become a pariah to some and a hero to others The Selected Essays of Sean O Faolain bridges some of these competing visions presenting a more complex figure through his varied corpus of writing

R. Hill,2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages

down to the present day Volume VII covers a period of major significance in Ireland's history. It outlines the division of Ireland and the eventual establishment of the Irish Republic. It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy, literature in English and Irish, the Irish language, the visual arts, emigration and immigration, and the history of women. The contributors to this volume, all specialists in their field, provide the most comprehensive treatment of these developments of any single volume survey of twentieth-century Ireland. The Short Stories of Sean O'Faolain Joseph Storey Rippier, 1976. Modern Irish Writers Alexander G. Gonzalez, 1997-08-26. While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940, the Irish Renaissance has continued to the present day and shows no sign of abating. The period has produced some of the most important and influential figures in Irish literature, some of whom are counted among the world's greatest authors. The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage, and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past. James Joyce boldly reshaped the novel and wrote short fiction of enduring value. Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel, Seamus Heaney, and Eavan Boland. Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers, including Samuel Beckett, William Trevor, Patrick Kavanagh, Medbh McGuckian, Sean O'Casey, J.M. Synge, and Nuala Ni Dhomhnaill. Entries are written by expert contributors and reflect a broad range of perspectives. Each entry contains a brief biography that summarizes the author's career, a discussion of major works and themes, an overview of the author's critical reception, and a bibliography of primary and secondary works. An introductory essay reviews the large and growing body of scholarship on modern Irish literature, while an extensive bibliography concludes the volume. The Abbey Theatre E. H.

Mikhail, 1988-01-01. The present work is a composite biography that provides a forum to most of those who have been associated with the Abbey Theatre from the beginning to the present time: actresses, actors, playwrights, men of letters, producers, directors, stage carpenters, house electricians, and supporters of the theatre. It is hoped that the method used in this book will give a different impression from that of previous histories of the Theatre and, on balance, probably a truer one.

Gaelic Prose in the Irish Free State Philip O'Leary, 2010-07-01. This is an authoritative account of the a major but neglected aspect of the Irish cultural renaissance: prose literature of the Gaelic Revival. The period following the War of Independence and Civil War saw an outpouring of book-length works in Irish from the state publishing agency An Gúm. The frequency and production of new plays, both original and translated, have never been approached since. This book investigates all of these works, as well as journalism and manuscript material, and discusses them in a lively and often humorous manner. Publisher description. **Five Irish Writers** John Hildebidle, 1989. Liam O'Flaherty, Kate O'Brien, Elizabeth Bowen, Sean O'Faolain, and Frank O'Connor, as Hildebidle demonstrates, all five authors saw in the Ireland that grew out of the events of 1916-1923 a nation that stifled the creative energies and bright hopes of its youth, and their fiction can be seen as responding
