A Handbook for Adoptees and Birthparents

by Janet Askin with Bob Oslam

"IN THE BEST INTERESTS OF THE ADOPTED." This is the motto given for sending adoption records and withholding all information about birthparents, even when that information is requested by an adult adoptee. Is this rule of silence always the best policy? Millions of adoptees and a growing number of birthparents think not. This desire for human contact comes from

[Jean Paton and the Struggle to Reform American Adoption](#) E. Wayne Carp, 2014 Adoption activist Jean Paton 1908-2002 fought tirelessly to reform American adoption dedicating her life to overcoming American society's prejudices against adult adoptees and women who give birth out of wedlock From the 1950s until the time of her death Paton wrote widely and passionately about the adoption experience corresponded with policymakers as well as individual adoptees promoted the psychological well being of adoptees and facilitated reunions between adoptees and their birth parents She also led the struggle to re open adoption records creating a national movement that continues to this day While open adoption is often now the rule for adoptions within the United States for those in earlier eras adopted in secrecy the records remain sealed many adoptees live and die without vital information that should be a birthright and birth parents suffer a similar deprivation At this writing only seven of fifty states have open records Kansas and Alaska have never closed theirs E Wayne Carp's masterful biography of Jean Paton brings this neglected civil rights pioneer and her accomplishments into the light Paton's ceaseless activity created the preconditions for the explosive emergence of the adoption reform movement in the 1970s She founded the Life History Study Center and Orphan Voyage and was also instrumental in forming two of the movement's most vital organizations Concerned United Birthparents and the American Adoption Congress Her unflagging efforts over five decades helped reverse social workers harmful policy and practice concerning adoption and sealed adoption records and change lawmakers enactment of laws prejudicial to adult adoptees and birth mothers struggles that continue to this day Read more about Jean Paton at <http://jeanpaton.com>

Handbook on the Clinical Treatment of Adopted Adolescents and Young Adults

Doris Bertocci, Christopher Deeg, Linda A. Mayers, 2023-08-11 This collection bridges the voices of international scholars and adopted persons to share knowledge about clinical practice with adopted people in adolescence and early adulthood Coming

at a time when countries are beginning to focus on adoption reform this handbook is the first to address not only the external systemic contributions to their developmental complexities but also the underlying internal meanings of being adopted as children become adolescents and mature into adulthood It explains how adopted clients differ from those not adopted and emphasizes the need for clinical research on adopted people in this older age group Exploring how clinicians can understand their client s clinical needs it offers specific protocols and frameworks for assessment and necessary modifications in language and treatment With a foreword by Miriam Steele chapters examine the legal and sociopolitical cultures policies and practices in which adoption is embedded calling for broad systemic change Embracing theoretical conceptual and global perspectives this handbook is written for clinicians in all disciplines at all tiers of practice administration and training identifying the key roles they can potentially play in expanding and better focusing our understanding of the psychology of being adopted

The Adopted Child Christa Hoffmann-Riem, 2011-12-31 This exploration of the experiences of adopting parents and children offers unusual insight into adoption s complexity and its profound impact on family life Based on the author s research in Germany where she lived and taught The Adopted Child has a great deal to say about child rearing and identity as well as offering insights into similarities and differences in family life and adoption in Germany and the United States Hoffmann Reim takes the reader through the decision to adopt the adoption placement procedure and the transition from applicant to mother and father She explores differences between emotions experienced in adopting a baby a toddler and an older child and how these emotions can affect relations with the world outside the nuclear family A central concern is secrecy and disclosure with regard to the adopted child s origins Based on case studies and extensive interviews The Adopted Child has fascinated American readers as it did those in Germany Professionals as well as those interested in adoption and family life in general will find it significant Sociologists will find it solidly grounded in concepts and traditions from a diversity of related disciplines And anyone interested in Germans and German society will find the materials revealing and the author s interpretation insightful and wise
