Search For Modern China:

The Search for Modern China Jonathan D. Spence, 1990 This work chronicles the history of China for over four hundred years through the spring of 1989 **The Search for Modern China** JONATHAN D. SPENCE, Janet Chen, 2025-07 The gold standard for the modern Chinese history course for a new generation *The Search for Modern China* Jonathan D. Spence, 2013 This rich gathering of primary source documents puts students in direct contact with the major characters and events in modern Chinese history Revised to reflect updates to *The Search for Modern China* third edition this outstanding collection displays a strong blend of social history pieces dealing with everyday life family social networks and culture and political history critical proclamations treaties laws and other public acts Many documents are translated into English for the first time and are available only in this book *The Search for Modern China* Jonathan D. Spence, 1991 This work chronicles the history of China for over four hundred years through the spring of 1989 **Lin Yutang and China's Search for Modern Rebirth** Suoqiao Qian, 2017-10-20 This book provides a comprehensive examination of the socio cultural and political context of modern China in terms of its interaction with America and the West focusing on the influence of the well known Chinese writer and intellectual Lin Yutang 1895 1976 Offering a unique study of the life and works of Lin Yutang it highlights his intellectual legacy in modern China and considers how his cross cultural life and ideas embodied the modern Chinese cultural experience It notably focuses on Lin's reputation as an outspoken critic of the infringement of human rights during the rise of the Communist regime in China but also on his rediscovery of Chinese cultural resources At a time when China's cultural contributions are increasingly relevant worldwide this book contributes to ongoing critical reflections of Chinese modernity particularly in terms of its intellectual legacies but also to a renewed understanding of the cross cultural interactions between China and America and a re opening the dialogue and search for a new cultural understanding

Studyguide for the Search for Modern China by Spence, Jonathan D. Cram101 Textbook Reviews, 2013-05 Never HIGHLIGHT a Book Again Includes all testable terms concepts persons places and events Cram101 Just the FACTS101 studyguides gives all of the outlines highlights and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanies 9780872893795 This item is printed on demand Studyguide for The Search for Modern China Pei-kai Cheng, Michael Elliot Lestz, 2007 **The Creation of Modern China, 1894-2008** Iain Robertson Scott, 2016-06-30 No country has undergone a greater period of sustained and convulsive change than China in the twentieth century This is its story tracing the emergence of a modern China The Creation of Modern China, 1894-2008 Iain Robertson Scott, 2016-06-30 China preoccupies us yet its recent past is still relatively unfamiliar No country has undergone a greater period of sustained and turbulent change than China in the twentieth century but it has emerged again as a leading global power It is therefore more important than ever to understand the society it has become and its rise to such influence This timely study uses recent research to explore how China has been transformed from an economic and

political backwater at the start of the twentieth century to its current pre eminent position one hundred years later

The History of Modern China Zhiyue Bo,2014-09-02 China whose recorded history extends back several thousand years was once the most advanced civilization on earth But after centuries of self imposed isolation the so called Middle Kingdom found itself lagging behind the world s industrialized countries Defeated militarily by the Western powers and Japan during the second half of the 19th century China went through a series of reforms and revolutions before the emergence of the People s Republic of China PRC in 1949 Internal political struggles stifled the PRC s development during its early decades but a reform program that began in the late 1970s has transformed China into an economic powerhouse and an increasingly important player on the international stage The History of Modern China offers a comprehensive account of China s historical evolution from a prosperous empire to a semi colonial nation and finally to an independent Communist state This volume also provides an in depth analysis of the interplay between China and the outside world as well as among China s various political forces

Museum Representations of Maoist China Amy Jane Barnes,2016-04-15 The collection interpretation and display of art from the People s Republic of China and particularly the art of the Cultural Revolution have been problematic for museums These objects challenge our perception of Chineseness and their style content and the means of their production question accepted notions of how we perceive art This book links art history museology and visual culture studies to examine how museums have attempted to reveal discuss and resolve some of these issues Amy Jane Barnes addresses a series of related issues associated with collection and display how museums deal with difficult and controversial subjects the role they play in mediating between the object and the audience the role of

the Other in the creation of Self and national identities the nature role and function of art in society the museum as image maker the impact of communism and Maoism on the cultural history of the twentieth century and the appropriation of communist visual iconography This book will be of interest to researchers and students of museology visual and cultural studies as well as scholars of Chinese and revolutionary art *The Oxford History of Modern China* Jeffrey N.

Wasserstrom,2022-01-27 excellent LSE Review of Books China is the world s most populous country and newest superpower whose place on the international stage can only be understood through the lens of its modern history The Oxford History of Modern China is essential reading for anyone who wants to understand this rising power in what promises to be the Chinese century Covering the period of dramatic shifts and surprising transformations which comprise China s modern history the book spans from the founding of the Qing Dynasty 1644 1912 to the present day It introduces readers to important but often overlooked events in China s past such as the bloody Taiping Civil War 1850 1864 and also sheds new light on more familiar landmarks in Chinese history such as the Opium War 1839 1842 the Boxer Uprising of 1900 the rise to power of the Chinese Communist Party in 1949 the Tiananmen protests and Beijing Massacre of 1989 and China s rise to economic superpower status in the 21st century A new chapter for this edition brings the story into the era of Xi Jinping **The Complete Idiot's**

Guide to Modern China Vanessa Lide Whitcomb,Michael Benson,2002-09-01 This work provides an informative guide to the roots of modern China It also looks at the key challenges and opportunities that face China in the 21st century **Uncle Sam's War of 1898 and the Origins of Globalization** Thomas D. Schoonover,2013-07-24 The roots of American globalization can be found in the War of 1898 Then as today the United States actively engaged in globalizing its economic order its political institutions and its values Thomas Schoonover argues that this drive to expand political and cultural reach the quest for wealth missionary fulfillment security power and prestige was inherited by the United States from Europe especially Spain and Great Britain Uncle Sam s War of 1898 and the Origins of Globalization is a pathbreaking work of history that examines U S growth from its early nationhood to its first major military conflict on the world stage also known as the Spanish American War As the new nation s military industrial and economic strength developed the United States created policies designed to protect itself from challenges beyond its borders According to Schoonover a surge in U S activity in the Gulf Caribbean and in Central America in the late nineteenth and early twentieth centuries was catalyzed by the same avarice and competitiveness that motivated the European adventurers to seek a route to Asia centuries earlier Addressing the basic chronology and themes of the first century of the nation s expansion Schoonover locates the origins of the U S goal of globalization U S involvement in the War of 1898 reflects many of the fundamental patterns in our national history exploration and discovery labor exploitation violence racism class conflict and concern for security that many believe shaped America s course in the twentieth and twenty first century **China Contested** Matthew J. Flynn,2009 Examines the history of China from ancient times to the present **The Culture of Leadership in Contemporary China** Paul Michael

Linehan,2017-12-06 The resurgence of Confucianism Daoism and Buddhism in the context of Chinese leadership values has emerged as a foundation for a new generation of leaders The once in a decade transition of China's leadership witnessed the ascendancy of a consensus oriented fifth generation of leaders supporting a central authoritative figure whose priority will likely include the reconciliation of a waning communist ideology juxtaposed with its ostensible embrace of capitalism How will Chinese Communist Party authority ideology and control address the encroachment of Western values that are centered on Roman law Greek philosophy and Christian religion which prioritizes individual freedom and democracy This book examines the role of traditional Chinese values ideology and philosophy as a key determinant in modern China's leadership succession The author asserts that as communist ideology wanes Chinese leaders will turn to their own traditional values found in Confucianism Daoism and Buddhism to establish legitimacy to rule as they seek to promote Chinese prominence and greatness in the world The author's research assesses China's promotion of its own traditional values in rejecting foreign value influence Since the inception of modern China at the beginning of the 20th century China's leadership transition has evolved from an authoritarian cult like dictatorship to a consensus oriented process In researching this metamorphosis this book offers social political cultural and historical perspectives to demonstrate that Chinese human values and character factors have risen in prominence as key elements in the mandate of Chinese governance and leadership The author concludes that Chinese leadership values and its study and diffusion across sectors of Chinese leadership including business organizations and government have become a means to accentuate Chinese values as a viable alternative to Western claims of absolute and universally accepted values

Modern China Xiaobing Li,2015-11-23 Providing an indispensable resource for students educators businessmen and officials investigating the transformative experience of modern China this book provides a comprehensive summary of the culture institutions traditions and international relations that have shaped today's China In *Modern China* author Xiaobing Li offers a resource far beyond a conventional encyclopedia providing not only comprehensive coverage of Chinese civilization and traditions but also addressing the values issues and critical views of China As a result readers will better understand the transformative experience of the most populous country in the world and will grasp the complexity of the progress and problems behind the rise of China to a world superpower in less than 30 years Written by an author who lived in China for three decades this encyclopedia addresses 16 key topics regarding China such as its geography government social classes and ethnicities gender based identities arts media and food each followed by roughly 250 short entries related to each topic All the entries are placed within a broad sociopolitical and socioeconomic contextual framework The format and writing consistency through the book reflects a Chinese perspective and allows students to compare Chinese with Western and American views
