structures of the current system in all its aspects political social economic and religious to show a new humanity with Christ Consciousness that lives in peace without conflicts with solidarity to reach God without depending on any institution The intention is to awaken consciousness through the knowledge of truth Also to talk about the eternal questions that the humankind has asked itself since ancient times Who are we Where do we come from Why did we come to this world What is our mission Where do we go when we die What s the point of everything **City of Demons** Dayna S. Kalleres, 2015-10-13 Although it would appear in studies of late antique ecclesiastical authority and power that scholars have covered everything an important aspect of the urban bishop has long been neglected his role as demonologist and exorcist When the emperor Constantine made Christianity the official religion of the realm bishops and priests everywhere struggled to Christianize the urban spaces still dominated by Greco Roman monuments and festivals During this period of upheaval when congregants seemingly attended everything but their own orthodox church many ecclesiastical leaders began simultaneously to promote aggressive and insidious depictions of the demonic In *City of Demons* Dayna S Kalleres investigates this developing discourse and the church sponsored rituals that went along with it showing how shifting ecclesiastical demonologies and evolving practices of exorcism profoundly shaped Christian life in the fourth century *Jesus* Rose Publishing, 2009 A compilation of

Investigating the Resurrection of Jesus Christ Andrew Loke,2020-04-30 This book provides an original and comprehensive assessment of the hypotheses concerning the origin of resurrection Christology It fills a gap in the literature by addressing these issues using a transdisciplinary approach involving historical critical study of the New Testament theology analytic philosophy psychology and comparative religion Using a novel analytic framework this book demonstrates that a logically exhaustive list of hypotheses concerning the claims of Jesus post mortem appearances and the outcome of Jesus' body can be formulated It addresses these hypotheses in detail including sophisticated combinations of hallucination hypothesis with cognitive dissonance memory distortion and confirmation bias Addressing writings from both within and outside of Christianity it also demonstrates how a comparative religion approach might further illuminate the origins of Christianity This is a thorough study of arguably the key event in the formation of the Christian faith As such it will be of keen interest to theologians New Testament scholars philosophers and scholars of religious studies

Searching for the Historical Jesus Robert Hams,2023-04-06 As a Freemason I was interested in the origins of Freemasonry which has always been shrouded in mystery However my lodge mentor George Elliott gave me a book

by John Robinson titled *Born in Blood* In that book the author put forward the theory that the origins of Freemasonry lie with the Knights Templar I knew that the Knights Templar had been accused by the Inquisition of denying Jesus Christ and I wondered how they could do that when their full title was the poor fellow soldiers of Christ and of the temple of Solomon It appeared they were denying their very reason for existence Knowing that the Knights Templar were accused of worshiping a severed head and that John the Baptist was beheaded by the authorities I thought it was possible that John could be the original Christ and the Knights Templar had discovered this fact whilst in the Holy Land and that is why they could deny Jesus Christ Christ Initially I was looking for information to confirm this but in doing so I discovered a completely different character who I believe impersonated the original Christ possibly John and created the religion we now know as Christianity That is the substance of this book **The Sunday School Journal** ,1898 **Searching for God Study Guide** Holly Lazzaro,2019-08-27 In this 6 session video based study guide DVD streaming video sold separately some of today s greatest Christian thinkers and apologists explore many of the most important questions about Christianity and what it has to offer the world today What is Christianity and how is it unique among worldviews What are some of the ideas that have influenced the way people think about it Is there any evidence for God Why does the resurrection matter Many people in today s culture hold a wide variety of ideas about religion in general and Christianity in particular some of which stem from distorted views and misunderstandings that the church can respond well to if it s well equipped The Searching for God Study Guide will draw you and your small group into a close look at the Christian faith and how it makes better sense of the universe and human nature than two of the most common non Christian theories naturalism and relativism It then examines the central event in the Christian story the resurrection of Jesus Christ and how to make a strong defense of this event Holly Lazzaro expertly leads participants into deeper reflection on the insights provided in the video study by top scholars such as Lee Strobel William Lane Craig Gary Habermas J Warner Wallace Nabeel Qureshi Paul Copan and many more This video based study is designed to be experienced in a group setting or any small gathering and includes video teaching notes group discussion questions personal reflections and Scripture readings Searching for God Video Study 025986100711 sold separately **The Church School Journal** ,1873 **Tradition to Truth: One Man's Search for Honest Answers** Jerry Mitchell,2017-04-13 Is there a secret code in the Bible Do you want the key to that code Tradition to Truth is a journey through time and tradition It will teach you how to find the answers many people have about the Bible This is a story of how one man asked for answers and discovered those answers were not what he expected If you are willing to challenge your traditions and strengthen your faith this is for you **Pillar of Fire** ,1929 **Finding Your Inner Power** Charles Fillmore,2022-11-13 In Finding Your Inner Power Charles Fillmore presents a transformative exploration of spiritual empowerment weaving together elements of New Thought philosophy with practical guidance for personal growth Employing an accessible and engaging literary style Fillmore synthesizes biblical references metaphysical insights and psychological principles that invite readers to embark on a

Keeping Alive the Rumor of God Martin Camroux, 2020-08-21 Can t you hear those little bells tinkling Down on your knees They re bringing the sacraments to a dying God wrote Heinrich Heine in 1834 It took a while but today it is happening Across the Western world the traditional picture of God is dying and institutional religion collapsing Today we are trying something never done before living with no agreed narrative that tells us who we are and with a materialist view of life It isn t enough An idea of God may have died but the mystery of our human life is of an inner depth which is not simply physical or material Marvel mystery wonder beauty love the numinous the mysterium tremendum remain the essence of who we are What I am trying to do is describe this experience in such a way that those who have not had it can get a glimpse of it from inside and understand how it can give a life meaning and purpose This is explored through a liberal Christian tradition committed to social justice and honest exploration Scripture is vital to this but so are art poetry music and beauty When most people are looking the other way we must keep the rumor of God alive
