When the Daughters of Jerusalem  
profound grief and sorrow to know,  
was it a powerful medicine to cure his  
pain, or a precious remedy which  
might add to his misery?

That Man with his thoughtful look  
of gloom, or was it due to a severe bout  
of hyperglycemia. One blood sugar  
would decide.

Was Gabriel suffering from a potent  
any more which, by pressing on a  
nerve center obscuring his peripheral  
vision and making him wonder just the  
David?

**Journal of Biblical Literature** ,1962 *Choice* ,1970 Rophe: A Study of Medicine in the Bible Allan G. Cogle M.D.,2023-02-09 Old Testament and New Testament views of medicine and physicians were in many ways opposite According to ancient interpretations of the Book of Deuteronomy all misfortune whether disease calamity etc was a punishment from God for the commitment of some sin If illness was produced by God then healing could only come directly from God without the intervention of physicians and many times only through the priest Many ancient theologians felt that physicians acted against God s will in trying to aid in healing In fact one writer in the Talmud says in effect that the best of physicians was destined to go to hell and the medical profession was counted among the seven professions who would not share in heaven In spite of a rather low assessment of doctors the ancient Jews were a healthy lot in large part due to dietary and sanitation laws Contrast this with New Testament teaching Indeed Luke was the beloved physician and the writer of one of the Gospels Jesus said It is not those who are healthy who need a physician but those who are sick In this book we explore biblical teachings about medicine in both Old and New Testaments Also we will study dietary and health laws that have bearing on today s life and lifestyle **Canadian Books in Print** ,1971 Includes French language titles published by predominantly English language Canadian publishers **Search the Scriptures** Robert B.
