Searching For A Piece Of My Soul:

In Search of the Soul, Second Edition Joel B. Green, 2010-11-01 Why A Search for the Soul Many Christians assume that it is biblically faithful and theologically noncontroversial to speak of humans having a soul Yet a wide range of biblical scholars are questioning whether we have correctly understood what the Bible means when it speaks of the soul And contemporary neuroscience is laying more and more questions at the doorstep of the church asking whether our human sense of self is intelligible on the basis of soul But for thoughtful Christians following science on this point looks like caving in to reductionism while denying science gives off the door of obscurantism In Search of the Soul provides a rare opportunity to listen in as four Christian philosophers set forth their best arguments for their distinct views and then respond to each other While each of these views calls for careful framing and patient exposition they are labeled as follows SUBSTANCE DUALISM Stewart Goetz EMERGENT DUALISM William Hasker NONREDUCTIVE PHYSICALISM Nancey Murphy CONSTITUTION VIEW OF PERSONS Kevin Corcoran The editor introduces the debate by laying out the critical issues at stake and wraps it up by considering the implications for the Christian life particularly hospitality and forgiveness This is a book of timely interest to philosophers theologians psychologists and pastors Whatever conclusions readers may draw they will find here an instructive and engaging discussion of a controversy that will not go away any time soon

In Search of the Soul Joel B. Green, Stuart L. Palmer, Kevin Corcoran, 2005-01-01 Editors Joel B Green and Stuart L Palmer present differing evangelical perspectives on the body and soul mind and brain problem Stewart Goetz on substance dualism William Hasker on emergent dualism Nancey Murphy on nonreductive physicalism and Kevin Corcoran on the constitution view of persons

In Search of the Soul John Cottingham, 2022-04-12 How our beliefs about the soul have developed through the ages and why an understanding of it still matters today The concept of the soul has been a recurring area of exploration since ancient times What do we mean when we talk about finding our soul how do we know we have one and does it hold any relevance in today's scientifically and technologically dominated society From Socrates and Augustine to Darwin and Freud In Search of the Soul takes readers on a concise accessible journey into the origins of the soul in Western philosophy and culture and examines how the idea has developed throughout history to the present Touching on literature music art and theology John Cottingham illustrates how far from being redundant in contemporary times the soul attunes us to the importance of meaning and value and experience and growth A better understanding of the soul might help all of us better understand what it is to be human Cottingham delves into the evolution of our thoughts about the soul through landmark works including those of Aristotle Plato and Descartes He considers the nature of consciousness and subjective experience and discusses the psychoanalytic view that large parts of the human psyche are hidden from direct conscious awareness He also reflects on the mysterious and universal longing for transcendence that is an indelible part of our human makeup Looking at the soul's many dimensions historical moral psychological and spiritual Cottingham makes a case for how it exerts a powerful pull on all of us In Search

Anderdon,2024-07-31 Reprint of the original first published in 1877 **A Search of Truth in the Science of the Human Mind, Part First** Frederick Beasley,1822 *Looking unto Jesus, as carrying on the great work of man's salvation, or A view of the everlasting Gospel* I.Ambrose,1815 **Reformed Evangelicalism and the Search for a Usable Past** Ian Hugh Clary,2020-09-07 The question of how theology shapes a Christian historian s reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject s theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian s profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into

larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth century Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

In Search of the Folk Daoists of North China Stephen Jones, 2016-05-23 The living practice of Daoist ritual is still only a small part of Daoist studies Most of this work focuses on the southeast with the vast area of north China often assumed to be a tabula rasa for local lay liturgical traditions This book based on fieldwork challenges this assumption With case studies on parts of Hebei Shanxi Shaanxi and Gansu provinces Stephen Jones describes ritual sequences within funerals and temple fairs offering details on occupational hereditary lay Daoists temple dwelling priests and even amateur ritual groups Stressing performance Jones observes the changing ritual scene in this poor countryside both since the 1980s and

through all the tribulations of twentieth century warfare and political campaigns The whole vocabulary of north Chinese Daoists differs significantly from that of the southeast which has so far dominated our image Largely unstudied by scholars of religion folk Daoist ritual in north China has been a constant theme of music scholars within China Stephen Jones places lay Daoists within the wider context of folk religious practices including those of lay Buddhists sectarians and spirit mediums This book opens up a new field for scholars of religion ritual music and modern Chinese society **In Search of Her Ayah** Tom Morison, 2011 IN SEARCH OF HER AYAH is a story of shifting emotions and responses lust and desire betrayal and revenge mystery and adventure and love and trust as told through the eyes and the strokes of a paint brush of four individuals with vastly different backgrounds and perspectives This sad and happy story is played out across the world from the tranquil remnants of a once bustling town on the coast of Oregon to the peaceful beauty and charm of Victoria in the steaming heat and poverty of India in the metaphysical world of the wonders and magic and tragedy of Tibet in the towering Himalayas and finally in a transplanted French chateau near Portland Although the main characters of Tom Morison's epic novel are fictional they could have lived The Oregon village of Beaver is a composite of existing coastal towns with their boisterous past The poor throngs of India are all too real drivers do play chicken on the narrow roads There is a little temple high above Gangtok where once a Buddhist artist painted wild and beautiful scenes on the interior's walls And the tragic story of Tibet is all too well known IN SEARCH OF HER AYAH rings true Bruce Batchelor publisher About the Author Tom Morison is an economist by training receiving a doctorate degree from Franz Joseph University in Innsbruck Austria He was an investor by occupation but his real love is writing about and painting the images from a life of travel and adventure around the world He has written three previous books POUNCE a financial satire THE GATE OF MISTS a climbing mystery and 13 2 a parody on aging And now IN SEARCH OF HER AYAH **Malebranche: The Search After Truth** Nicolas Malebranche, Paul J. Olscamp, 1997-05 Distinguished translation of the major work by a figure of crucial importance to the Enlightenment *In Search of Soul* Roger W. Floyd, 2009-07
