Searching For Peace The Road To Transcend:

Searching For Peace Johan Galtung, Carl G. Jacobsen, Kai-Frithjof Brand-Jacobsen, 2002-05-20 This new updated and extensively revised edition of *Searching for Peace* is one of the first books to bridge the gap between peace and conflict studies world order and globalisation Revealing deep structures and deep cultures of violence and finding in them the reasons for increasing violence and peacekeeping failures it presents the lessons that can be learned from the TRANSCEND approach adopted as a UN training guide A critical and piercing analysis of the short comings of conventional approaches to conflict resolution realpolitik and worsening dynamics of global violence which if not resolved threaten even more catastrophic destruction in the future The book maps the conditions and path to sustainable peace and the challenge for peace by peaceful means

Searching for Peace Johan Galtung, Carl G. Jacobsen, Kai Frithjof Brand-Jacobsen, Finn Tschudi, 2000 A comprehensive guide to conflict resolution that draws on the Transcend approach to peace making now adopted by the United Nations

Searching for Peace Johan Galtung, Carl G. Jacobsen, 2000 Drawing on the Transcend approach to peace making *Searching for Peace* provides a comprehensive guide to conflict resolution The TRANSCEND method now used by the UN as a guide to future conflict resolution approaches applies to all conflict constellations It has been used in Northern Ireland Kashmir Korea the Gulf conflict Ecuador and Peru Kosovo Guatemala and Honduras and China and Tibet *Searching for Peace* provides a wide ranging survey of past and present approaches to violent conflict prevention and includes detailed analysis of over forty conflicts as case studies It critiques the failures of recent peacekeeping and peacemaking efforts while presenting the multi decade research and arguments that underlie the Transcend approach Aiming to include all participants in the peace dialogue TRANSCEND offers hopeful prescriptions for the future

The Transformation of Violent Intercommunal Conflict Stephen Ryan, 2016-02-24 In recent years there has been a remarkable growth of interest in the concept of conflict transformation and the closely related strategy of grass roots peace building Yet there exists no general critical analysis of the concept of conflict transformation in the context of violent inter communal conflict and the different approaches that can be included in response to this category of dispute This study offers a comprehensive survey and critical overview of this emerging area Examining the reasons for the growing interest in the concept of conflict transformation in situations of ethnic conflict the book explores the different dimensions of transformation It draws on examples of strategies from a number of situations of ethnic conflict including Northern Ireland Israel Palestine Bosnia Kosovo Cyprus Spain Sri Lanka and the former Soviet Union to identify and assess key issues and problems that have emerged and ultimately to propose a stronger emphasis on the promotion of inter subjective understanding

Peace in International Relations Oliver P. Richmond, 2020-01-06 This updated and revised second edition examines the conceptualisation and evolution of peace in International Relations IR theory The book examines the concept of peace and its usage in the main theoretical debates in IR including realism liberalism constructivism critical theory and post structuralism

as well as in the more direct debates on peace and conflict studies It explores themes relating to culture development agency and structure not just in terms of representations of IR and of peace but in terms of the discipline of IR itself The work also specifically explores the recent mantras associated with liberal and neoliberal versions of peace which appear to have become foundational for much of the mainstream literature and for doctrines for peace and development in the policy world Analysing war has often led to the dominance and mitigation of violence as a basic assumption in and response to the problems of IR This study aims to redress this negative balance by arguing that the discipline offers a rich basis for the study of peace which has advanced significantly over the last century or so It also proposes innovative theoretical dimensions of the study of peace with new chapters discussing post colonial and digital developments This book will be of great interest to students of peace and conflict studies politics and IR

Myths of Peace and Democracy? Towards Building Pillars of Hope, Unity and Transformation in Africa Munyaradzi Mawere, Ngonidzashe Marongwe, 2016-09-01 The myths of peace and democracy in Africa are at the heart of this volume Democracy and peace have become buzz words across postcolonial Africa The gospel of democracy and peace is preached by national governments and by civil society and international organisations alike But to what extent are the ongoing sideshows and charades of quasi oligarchies in Africa really democracy What do ordinary Africans mean when they hunger and thirst for democracy and peace Positive and noble as the loud sounding rhetoric about democracy and peace in Africa might seem the reality of propaganda and dissemblance and of multi dimensional violence are simply too overwhelming not to be disillusioning This book interrogates the rampant violence enduring conflicts autocratic governance and facades of democracy amidst claims and calls for enduring peace on the continent This is a monumental resource book for human rights activists conflict management practitioners civil society activists political scientists statesmen and development practitioners It poses a challenge to those African governments who claim to embrace principles of democracy and respect for human rights to rethink and reconsider their role as ambassadors of peace hope transformation and good governance
