Drug Trafficking and Abuse Along the Southwest Border (San Diego) United States. Congress. House. Select Committee on Narcotics Abuse and Control,1986 Hearings United States. Congress Senate,1967 **Looking Beyond Borderlines** Lee Rodney,2016-12-19 American territorial borders have undergone significant and unparalleled changes in the last decade They serve as a powerful and emotionally charged locus for American national identity that correlates with the historical idea of the frontier But the concept of the frontier so central to American identity throughout modern history has all but disappeared in contemporary representation while the border has served to uncomfortably fill the void left in the spatial imagination of American culture This book focuses on the shifting relationship between borders and frontiers in North America specifically the ways in which they have been imaged and imagined since their formation in the 19th century and how tropes of visuality are central to their production and meaning Rodney links ongoing discussions in political geography and visual culture in new ways to demonstrate how contemporary American borders exhibit security as a display strategy that is resisted and undermined through a variety of cultural practices **Hearings, Reports and Prints of the Senate Committee on Appropriations** United States. Supplemental Appropriations for Fiscal Year 1968 United States. Congress. Senate. Committee on Appropriations, 1968 *New Mexico Ornithological Society - New Mexico Bird Finding Guide* William H. Howe, 2021-12-20 New Mexico has the 4th highest bird diversity of any state in the U S with nearly 550 species documented within its borders including over 300 species known to breed At a biological crossroad between east and west and north and south the state s birdlife is influenced by the Rocky Mountains Great Plains Great Basin and Chihuahuan deserts and the sierras of northwest Mexico An elevational range from lowland desert and rivers below 3 000 feet to alpine tundra over 13 000 feet also greatly contributes to its diversity This Fourth Edition of the New Mexico Bird Finding Guide contains chapters covering each of the state s 33 counties addressing nearly 400 birding locations to explore These include easily accessed well known destinations as well as sites that are obscure and remote Detailed maps directions and lists of expected and specialty species accompany each location The guide also includes an annotated checklist presenting the status distribution frequency and abundance for all species recorded in the state This will be a valuable reference for resident and visiting birders alike Looking for Law in All the Wrong Places Marianne Constable, Leti Volpp, Bryan Wagner, 2019-03-05 For many inside and outside the legal academy the right place to look for law is in constitutions statutes and judicial opinions This book looks for law in the wrong places sites and spaces in which no formal law appears These may be geographic regions beyond the reach of law everyday practices ungoverned or ungovernable by law or works of art that have escaped law s constraints Looking for Law in All the Wrong Places brings together essays by leading scholars of anthropology cultural studies history law literature political science race and ethnic studies religion and rhetoric to look at law from the standpoint of the humanities Beyond showing law to be determined by or determinative of distinct cultural phenomena the contributors show how law is itself interwoven with language text image and culture Many essays in this volume look for law precisely in the kinds of wrong places where there appears to be no law They find in these places not only reflections and remains of law but also rules and practices that seem indistinguishable from law and raise challenging questions about the locations of law and about law s meaning and function Other essays do the opposite rather than looking for law in places where law does not obviously appear they look in

statute books and courtrooms from perspectives that are usually presumed to have nothing to say about law Looking at law sideways or upside down or inside out defamiliarizes law These essays show what legal understanding can gain when law is denied its ostensibly proper domain Contributors Kathryn Abrams Daniel Boyarin Wendy Brown Marianne Constable Samera Esmeir Daniel Fisher Sara Ludin Saba Mahmood Rebecca McLennan Ramona Naddaff Beth Piatote Sarah Song Christopher Tomlins Leti Volpp Bryan Wagner

Rebuilding the American Town David Gamble, Patty Heyda, 2024-12-10 In the scholarship of urbanism small towns are overlooked and understudied Rebuilding the American Town highlights how smaller municipalities are transforming to serve their communities and meet the future The book uncovers creative planning and design strategies of nine U S towns as they rebuild to remain vibrant equitable and viable in the face of metropolitan sprawl population shifts political division economic shortfalls and climate change Rebuilding the American Town includes interviews and insights from those directly involved to reveal the challenges and advantages of being a smaller city while highlighting the power of design at local levels The book provides a new lens for contemporary urbanism more broadly as it shifts thinking away from large metro concerns toward novel tactical strategies that advance the quality of life for residents through design and policies that are scaled to the populations and places they serve The projects in this book show how the small town in the United States is unexpectedly progressive experimental urban and global
