Searching For Answers In All The Wrong:

Did the Bible Really Come from God? Billy Crone, 2018-05-15 Many people today are quick to spout off bold claims that there is no way in which it can be said that the Bible really did come from God In fact they even imply that anyone who believes this is acting like a person who is mentally inept However it is the skeptic whose mental capacities need to be challenged because they refuse to look at the evidence that clearly reveals how the Bible really did come from God Therefore this book Did the Bible Really Come from God shares the 10 lines of solid logical evidence that proves how the Bible really did come from God and is unlike any other book on the planet As you will see in this book there is overwhelming evidence showing how there really is no need to question Did the Bible Really Come from God let alone cave into the false claims of the critic Contrary to what society would say yes we can know for sure Christian that what we hold in our hands is indeed the Genuine Word of God

A Word With You: My Journal Through The Bible Al Lowry, 2023-12-18 Have you ever wanted to read through the entire Bible You can Join Al Lowry as he reads through the Bible in a year using this Daily Bible Reading Guide Each daily reading is accompanied by a few words from Al to gently nudge you to do what he once thought was impossible to read through the most important book ever written FROM THE INTRODUCTION I began writing this journal 9 years ago when a friend told me of a Guilt Free reading plan that went through the entire Bible He explained that the principle was to just take time to read or listen to that day s passage and if you miss a few days to skip ahead to the current day s reading He said people will read through more of the Bible this way than if they stop part way for lack of keeping up Then they can read it again the next year and pick up the passages they missed the first time around I responded I just might be the poster child for quitting as I would start well many a January only to fall hopelessly away when tedious books like Numbers Leviticus or Deuteronomy would sideline me in the first quarter Then he challenged me in a very big way He had one of the first online ministries called The Ranch at theranch.org I read about it in USA Today and through a set of rather unusual circumstances we became connected as good friends He suggested I invite readers to follow along with me and that 1st day of the year I introduced a Facebook page with that very purpose He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me About 450 people signed up and that set me on course with a lot of accountability partners with whom I would share a devotional each day At the end of that year I could not believe I d finally accomplished this challenge of reading Genesis through Revelation So what next just be done with it I decided to do it again the next year and the next and the next I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading Remember how he kept running back and forth across the country I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500 This year I decided to put the devotionals in book form so readers would have the option to join me online or by paperback Regardless of your own motivation to read the Bible I sure would be privileged to walk by your side The goal is still the same as when we started to

grow in our faith by reading through as much of the Bible as we can Hopefully my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible to read the Bible in its entirety , *My Stories of Faith* Eric Elder,2020-05-25 From the Introduction The Gift of Faith When I first put my faith in Christ He gave me a gift of faith I thought every Christian received the same gift In that moment I suddenly believed God could do anything absolutely anything I believed the whole Bible was true from cover to cover I believed anything God did in the past He could do again And I believed He could do even greater things than these even through me As Jesus said Truly I tell you whoever believes in Me will do the works I have been doing and they will do even greater things than these John 14 12 It wasn't until several years later when I took a spiritual gifts inventory that I realized God had given me a gift of faith a supernatural gift to believe God can do supernatural things And it was then that I realized God wanted me to use this gift as He wanted all of us to use our gifts for building up others in their faith Or as the Apostle Paul says to equip His people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature attaining to the whole measure of the fullness of Christ Ephesians 4 12 13 But I wondered how to do this As I asked others they said that whenever I would tell them my stories of faith how God had worked in my life they were encouraged in their faith to believe that God could work in their lives too Yes That made sense When people needed a boost in their faith I could give them some of mine Isn't that the way with all of our gifts When people need wisdom or money or healing or help or encouragement we share with them whatever wisdom or money or healing or help or encouragement we have been given see 1 Corinthians 12 14 So I began that day sharing my stories of faith in a more intentional way writing them down sending them out and telling them to others when they needed a lift And that's what I'm doing with this book for you If you need a boost in your faith if you need to believe that God can do something impossible for you if you need to know that God is real that He loves you that He is FOR you and has a purpose for your life then this book is for you Because along with hope and love faith is one of the top three things we all need in life see 1 Corinthians 13 13 With that as an introduction I'd like to begin telling you a few of my stories of faith starting with the day I was born Well not that far back I'll start with the day I was born again at age 23 the day I put my faith in Christ and He put His gift of faith in me Eric Elder *The Pathfinder* Nicholas Lore,1998-01-05 For the millions of people who are looking for the perfect job for them The Pathfinder guides them through uncertainty and confusion straight to the goal of selecting a final career direction Through more than 100 self tests exercises and other diagnostic tools this guide helps readers uncover their natural aptitudes major interests and values and ultimate goals Illustrations **MEDINFO 2007** K.A.
