Searching For Home Abroad Japanese Brazilians And Transnationalism:

Searching for Home Abroad Jeff Lesser, 2003-09-15 A multidisciplinary study of the transnational cultural identity of Brazilian nationals of Japanese descent and their more recent attempts to re settle in Japan [Searching for Home Abroad](#) Jeffrey Lesser, 2003 *Searching for Home Abroad* Jeffrey Lesser, 2003-09-15 A multidisciplinary study of the transnational cultural identity of Brazilian nationals of Japanese descent and their more recent attempts to re settle in Japan **Identity and Second Language Learning** Miguel Mantero, 2006-12-01 This collection of research has attempted to capture the essence and promise embodied in the concept of identity and built a bridge to the realm of second language studies However the reader will notice that we did not build just one link This volume brings to light the diversity of research in identity and second language studies that are grounded the notions of community instructors and students language immersion and study abroad pop culture and music religion code switching and media The chapters reflect the efforts of contributors from Canada Japan Norway New Zealand the United Arab Emirates and the United States who performed their research in the countries just mentioned and in other regions around the world Because of this this volume truly offers an international perspective

Displacements and Diasporas Wanni Wibulswasdi Anderson, Robert G. Lee, 2005 Includes statistics [Immigration and National Identities in Latin America](#) Nicola Foote, Michael Goebel, 2016-12-10 This groundbreaking study examines the connection between what are arguably the two most distinguishing phenomena of the modern world the unprecedented surges in global mobility and in the creation of politically bounded spaces and identities Jose C Moya author of *Cousins and Strangers* An excellent collection of studies connecting transnational migration to the construction of national identities Highly recommended Luis Roniger author of *Transnational Politics in Central America* The importance of this collection goes beyond the confines of one geographic region as it offers new insight into the role of migration in the definition and redefinition of nation states everywhere Fraser Ottanelli coeditor of *Letters from the Spanish Civil War* This volume has set the standard for future work to follow Daniel Masterson author of *The History of Peru* Between the mid nineteenth and mid twentieth centuries an influx of Europeans Asians and Arabic speakers indelibly changed the face of Latin America While many studies of this period focus on why the immigrants came to the region this volume addresses how the newcomers helped construct national identities in the Caribbean Mexico Argentina and Brazil In these essays some of the most respected scholars of migration history examine the range of responses some welcoming some xenophobic to the newcomers They also look at the lasting effects that Jewish German Chinese Italian and Syrian immigrants had on the economic sociocultural and political institutions These explorations of assimilation race formation and transnationalism enrich our understanding not only of migration to Latin America but also of the impact of immigration on the construction of national identity throughout the world Contributors Jürgen Buchenau Jeane DeLaney Nicola Foote Michael Goebel Steven Hyland Jr Jeffrey Lesser Kathleen Lopez Lara Putnam Raanan Rein Stefan Rinke Frederik Schulze **East Asia in the World** Anne

Prescott,2015-05-15 From the Foundations in Global Studies series this text offers students a fresh comprehensive multidisciplinary entry point to East Asia After a brief introduction to the study of East Asia the early chapters of the book survey the essentials of East Asian history important historical narratives and the region s languages religions and global connections Students are guided through the material with relevant maps resource boxes and text boxes that support and guide further independent exploration of the topics at hand The second half of the book features interdisciplinary case studies each of which focuses on a specific country or region and a particular issue Each chapter gives a flavor for the cultural distinctiveness of the particular country yet also draws attention to global linkages Readers will come away from this book with an understanding of the larger historical political and cultural frameworks that shaped East Asia as we know it today and of current issues that have relevance in Asia and beyond

Zen in Brazil Cristina Rocha,2005-12-31 Widely perceived as an overwhelmingly Catholic nation Brazil has experienced in recent years a growth in the popularity of Buddhism among the urban cosmopolitan upper classes In the 1990s Buddhism in general and Zen in particular were adopted by national elites the media and popular culture as a set of humanistic values to counter the rampant violence and crime in Brazilian society Despite national media attention the rapidly expanding Brazilian market for Buddhist books and events and general interest in the globalization of Buddhism the Brazilian case has received little scholarly attention Cristina Rocha addresses that shortcoming in Zen in Brazil Drawing on fieldwork in Japan and Brazil she examines Brazilian history culture and literature to uncover the mainly Catholic Spiritist and Afro Brazilian religious matrices responsible for this particular indigenization of Buddhism In her analysis of Japanese immigration and the adoption and creolization of the S t sh school of Zen Buddhism in Brazil she offers the fascinating insight that the latter is part of a process of cannibalizing the modern other to become modern oneself She shows moreover that in practicing Zen the Brazilian intellectual elites from the 1950s onward have been driven by a desire to acquire and accumulate cultural capital both locally and overseas Their consumption of Zen Rocha contends has been an expression of their desire to distinguish themselves from popular taste at home while at the same time associating themselves with overseas cultural elites

Ethnic Journalism in the Global South Anna Gladkova,Sadia Jamil,2021-08-12 This book focuses on ethnic journalism in the Global South approaching it from two angles as a professional area and as a social mission The book discusses journalistic practices and ethnic media in the Global South managerial and editorial strategies of ethnic media outlets their content specifics target audience distribution channels main challenges and trends of development in the digital age

Living Transnationally between Japan and Brazil Sarah A. LeBaron von Baeyer,2019-11-29 Based on over two years of participant observation in labor brokerage firms factories schools churches and people s homes in Japan and Brazil Sarah LeBaron von Baeyer presents an ethnographic portrait of what it means in practice to live transnationally that is to contend with the social institutional and aspirational landscapes bridging different national settings Rather than view Japanese Brazilian labor migrants and their families as

somehow lost or caught between cultures she demonstrates how they in fact find creative and flexible ways of belonging to multiple places at once At the same time the author pays close attention to the various constraints and possibilities that people face as they navigate other dimensions of their lives besides ethnic or national identity namely family gender class age work education and religion

Jesus Loves Japan Suma Ikeuchi, 2023-05-25 A study of ethnic Japanese Brazilian Pentecostal Christians living in Japan After the introduction of the long term resident visa the mass migration of Nikkeis Japanese Brazilians has led to roughly 190 000 Brazilian nationals living in Japan While the ancestry based visa confers Nikkeis right to settlement virtually as a right of blood their ethnic ambiguity and working class profile often prevent them from feeling at home in their supposed ethnic homeland In response many have converted to Pentecostalism reflecting the explosive trend across Latin America since the 1970s Jesus Loves Japan offers a rare window into lives at the crossroads of return migration and global Pentecostalism Suma Ikeuchi argues that charismatic Christianity appeals to Nikkei migrants as a third culture one that transcends ethno national boundaries and offers a way out of a reality marked by stagnant national indifference Jesus Loves Japan insightfully describes the political process of homecoming through the lens of religion and the ubiquitous figure of the migrant as the pilgrim of a transnational future Praise for Jesus Loves Japan Transnational migrants find spiritual sustenance in Suma Ikeuchi s careful sensitive ethnography In showing how Pentecostalism grants meaning to a bleak existence Ikeuchi opens new vistas in our understanding of Japanese Brazilians residing in Japan She offers fresh insights to all interested in identity puzzles self making religious conversion and global movement Daniel T Linger Professor Emeritus of Anthropology University of California Santa Cruz Suma Ikeuchi s nuanced fieldwork among Japanese Brazilians Nikkei employed in Japan exposes the flawed hemato logic of government and corporate officials who believed that ancestry blood alone would make Nikkei more assimilable than other foreign guest workers This book demonstrates the primacy of culture over blood as a cipher for ethnicity Jennifer Robertson author of Robo Sapiens Japanicus Robots Gender Family and the Japanese Nation 2018 This is a remarkable book about a remarkable situation Through wonderfully vivid ethnography Ikeuchi documents the lives of Brazilian Pentecostal converts in Japan as they negotiate identities as migrants homecomers pilgrims and believers In the process the book becomes an anthropological meditation on time belonging sincerity and the multiple meanings of making connections through blood Simon Coleman Chancellor Jackman Professor University of Toronto

Transcultural Japan David Blake Willis, Stephen Murphy-Shigematsu, 2007-11-27 Transcultural Japan provides a critical examination of being Other in Japan Portraying the multiple intersections of race ethnicity class and gender the book suggests ways in which the transcultural borderlands of Japan reflect globalization in this island nation The authors show the diversity of Japan from the inside revealing an extraordinarily complex new society in sharp contrast to the persistent stereotypical images held of a regimented homogeneous Japan Unsettling as it may be there are powerful arguments here for looking at the meanings of globalization in Japan through these diverse communities and individuals These are not

harmonious utopian communities by any means as they are formed in contexts both global and local of unequal power relations Yet it is also clear that the multiple processes associated with globalization lead to larger hybridizations a global mangle of socio cultural political and economic forces and the emergence of what could be called trans local Creolized cultures Transcultural Japan reports regional national and cosmopolitan movements Characterized by global flows hybridity and networks this book documents Japan s new lived experiences and rapid metamorphosis Accessible and engaging this broad based volume is an attractive and useful resource for students of Japanese culture and society as well as being a timely and revealing contribution to research scholars and for those interested in race ethnicity cultural identities and transformations

Precarious Democracy Benjamin Junge, Sean T. Mitchell, Alvaro Jarrin, Lucia Cantero, 2021-09-17 *Precarious Democracy* collects powerful and intimate political ethnographic writing on Brazil s pivotal years 2013 19 from the nation s megacities to rural Amazonia The volume demonstrates the necessity of ethnography for understanding social and political change and provides crucial insights on one of the most epochal periods of change in Brazilian history *Japanese Diaspora and Migration Reconsidered* Yvonne Siemann, 2022-03-30 In contrast to most studies of migration which assume that migrants arrive from less developed countries to the industrialised world where they suffer from discrimination poor living conditions and downward social mobility this book examines a different sort of diaspora descendants of Japanese migrants or Nikkei in Bolivia who after a history of organised migration have achieved middle class status in a developing country while enjoying much symbolic capital among the majority population Based on extensive original research the book considers the everyday lives of Nikkei and their identity discusses how despite their relative success they remain not fully integrated into Bolivia s imperfect pluricultural society and explores how they think about and relate to Japan *The Okinawan Diaspora in Japan* Steve Rabson, 2012-01-31 The experiences of Okinawans in mainland Japan like those of migrant minorities elsewhere derive from a legacy of colonialism war and alien rule Okinawans have long coped with a society in which differences are often considered strange or wrong and with a central government that has imposed a mono cultural standard in education publicly priding itself on the nation s mythical homogeneity They have felt strong pressures to assimilate by adopting mainland Japanese culture and concealing or discarding their own Recently however a growing pride in roots has inspired more Okinawan migrants and their descendants to embrace their own history and culture and to speak out against inequities Their experiences like those of minorities in other countries have opened them to an acute and illuminating perspective given voice in personal testimony literature and song Although much has been written on Okinawan emigration abroad this is the first book in English to consider the Okinawan diaspora in Japan It is based on a wide variety of secondary and primary sources including interviews conducted by the author in the greater Osaka area over a two year period The work begins with the experiences of women who worked in Osaka s spinning factories in the early twentieth century covers the years of the Pacific War and the prolonged U S military occupation of Okinawa and finally treats the period following Okinawa s reversion to

Japan in 1972 Throughout it examines the impact of government and corporate policies along with popular attitudes for a compelling account of the Okinawan diaspora in the context of contemporary Japan's struggle to acknowledge its multiethnic society The Okinawan Diaspora in Japan will find a ready audience among students of contemporary Japanese history and East Asian societies as well as general readers interested in Okinawans and other minorities living in Japan

Homesickness around the Mediterranean, 1492-1923 José Alberto Rodrigues da Silva Tavim, João Teles e Cunha, 2025-03-31 This volume analyzes how people of diverse cultural and religious backgrounds living around the Middle Sea perceived felt and described homesickness using a multidisciplinary approach which brings new perspectives to known phenomena and their evolving meanings The sixteen chapters in this book span the fields of history literary and cultural studies and musicology to explore and revisit old and new subjects including diasporas renegades expatriates travelogues testaments inquisitorial processes songbooks movies and photos Together they provide a comprehensive picture of homesickness across states cultures religions and people furthering understanding of how individuals communities and nations created and expressed images ideas and emotions on this subject Though centered around the Mediterranean this volume also studies the impact of homesickness in a larger geography touched by the Iberian empires This important contribution to the history of emotions offers studies on subjects seldom available in the English speaking world and will appeal to undergraduates postgraduates scholars and non specialists alike *Fashioning Brazil* Elizabeth

Kutesko, 2018-10-18 Examining the dynamics between subject photographer and viewer *Fashioning Brazil* analyses how Brazilians have appropriated and reinterpreted clothing influences from local and global cultures Exploring the various ways in which Brazil has been fashioned by the pioneering scientific and educational magazine National Geographic the book encourages us to look beyond simplistic representations of exotic difference Instead it brings to light an extensive history of self fashioning within Brazil which has emerged through cross cultural contact slavery and immigration Providing an in depth examination of Brazilian dress and fashion practices as represented by the quasi ethnographic gaze of National Geographic and National Geographic Brazil the Portuguese language edition of the magazine established in 2000 the book unpacks a series of case studies Taking us from body paint to Lycra via loincloths and bikinis Kutesko frames her analysis within the historical cultural and political context of Latin American interactions with the United States Exploring how dress can be used to manipulate identity and disrupt expectations *Fashioning Brazil* examines readers sensory engagements with an iconic magazine and sheds new light on key debates concerning global dress and fashion Routledge Handbook of Asian

Migrations Gracia Liu-Farrer, Brenda S.A. Yeoh, 2018-01-02 Housing more than half of the global population Asia is a region characterised by increasingly diverse forms of migration and mobility Offering a wide ranging overview of the field of Asian migrations this new handbook therefore seeks to examine and evaluate the flows of movement within Asia as well as into and out of the continent Through in depth analysis of both empirical and theoretical developments in the field it includes key

examples and trends such as British colonialism Chinese diaspora labour migration the movement of women and recent student migration Organised into thematic parts the topics cover The historical context to migration in Asia Modern Asian migration pathways and characteristics The reconceptualising of migration through Asian experiences Contemporary challenges and controversies in Asian migration practice and policy Contributing to the retheorising of the subject area of international migration from non western experience the Routledge Handbook of Asian Migrations will be useful to students and scholars of migration Asian development and Asian Studies in general

Marriage and Marriageability Chigusa Yamaura, 2020-07-15 How do the Japanese men and Chinese women who participate in cross border matchmaking individuals whose only interaction is often just one brief meeting come to see one another as potential marriage partners Motivated by this question Chigusa Yamaura traces the practices of Sino Japanese matchmaking from transnational marriage agencies in Tokyo to branch offices and language schools in China from initial meetings to marriage the visa application processes and beyond to marital life in Japan Engaging issues of colonial history local norms and the very ability to conceive of another or oneself as marriageable *Marriage and Marriageability* rethinks cross border marriage not only as a form of gendered migration but also as a set of practices that constructs marriageable partners and imaginable marriages Yamaura shows that instead of desiring different others these transnational marital relations are based on the tactical deployment of socially and historically created conceptions of proximity between Japan and northeast China Far from seeking to escape local practices participants in these marriages actively seek to avoid transgressing local norms By doing so on a transnational scale they paradoxically reaffirm and attempt to remain within the boundaries of local marital ideologies

Transnational Identities on Okinawa's Military Bases Johanna O. Zulueta, 2019-09-27 This book considers the role of civilian workers on U S bases in Okinawa Japan and how transnational movements within East Asia during the Occupation period brought foreign workers mostly from the Philippines to work on these bases Decades later in a seeming reproduction of base labour returnees of both Okinawan and Philippine heritage began occupying jobs on base as United States of Japan USFJ employees The book investigates the role that ethnicity nationality and capital play in the lives of these base employees and at the same time examines how Japanese and Okinawan identities are formed and challenged It offers a valuable resource for those interested in Japan and Okinawa U S military basing migration and mixed ethnicities

Searching For Home Abroad Japanese Brazilians And Transnationalism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Searching For Home Abroad Japanese Brazilians And Transnationalism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Searching For Home Abroad Japanese Brazilians And Transnationalism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Searching For Home Abroad Japanese Brazilians And Transnationalism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Searching For Home Abroad Japanese Brazilians And Transnationalism Books

What is a Searching For Home Abroad Japanese Brazilians And Transnationalism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Searching For Home Abroad Japanese Brazilians And Transnationalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Searching For Home Abroad Japanese Brazilians And Transnationalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Searching For Home Abroad Japanese Brazilians And Transnationalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or

save PDFs in different formats. **How do I password-protect a Searching For Home Abroad Japanese Brazilians And Transnationalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
