A cheerful fireplace of colonial design is located in the center of the left wall, one side of which is a window, balanced on the opposite side by a French door leading to the porch. This room has two windows in the front wall and a double window in the rear.

THE DINING ROOM. Going back through the hall we enter the dining room through a colonnade and continue to the end in the opposite wall. This room is 13 feet 3 inches wide by 13 feet 7 inches deep.
