Seas Of Blood:

Seas of Blood Steve Jackson,Ian Livingstone,1986-06-01 The reader s choices determine the course of a pirate s battle with Abdul the Butcher to become King of the Pirates **Seas of Blood** Andrew Chapman,Steve Jackson,1985 A Blue Sea of Blood Donald M. Kehn,2009-01-15 On the morning of March 1 1942 the WWI era destroyer USS Edsall under orders to deliver some forty Army Air Force fighter crews to the beleaguered island of Java split off from the USS Whipple and the tanker Pecos and was never seen again by Allied forces Despite the later discovery of bodies identified as Edsall crew members near a remote airfield on the coast of Celebes what happened to the ship remains a matter of mystery and perhaps deliberate obfuscation This book explores the many puzzling facets of the Edsall s disappearance in order to finally tell the full story of the fate of the vessel and her crew Based on exhaustive research of the historical record including newly deciphered Japanese documents and previously unrevealed material from the crew s family members A Blue Sea of Blood offers a painstaking reconstruction of the ship s history The book investigates not only the Edsall s mysterious final action but also her wide ranging pre war career and the curious uses to which her story was put generally under false pretenses first by the pre war US Navy and then by the Japanese wartime propaganda machine And finally military historian Donald Kehn considers the circumstances surrounding the curious obscurity of the Edsall s heroic service and final battle in American histories Redressing six decades of official indifference Kehn s account recovers a significant chapter missing from the history of World War II and tells a long overdue story of courage and tragic loss *The Red Sea (Is Your Blood)* Alvin B.
