

This is a book to read before you go on holiday and a book to take with you on holiday. It will help you to find, and to name, some of the interesting animals and plants you will find on the seashore—animals and plants you will find nowhere else in the town or country.

It will also tell you where to find them on the seashore, and that is important. All seashore animals have special parts of the shore in which they prefer to live; it would be no use, for instance, looking for a lug worm up on the rocks because it lives buried in the wet sand. Nor would it be any use looking for a limpet in the wet sand, because it lives on the rocks.

But you will not make these mistakes after you have read this book, because you will KNOW where to look.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
