Christianity in the Second Century Emily Jane Hunt, 2003 Tatian is a significant figure in the early Church his work both representing and revealing his second century context This study offers a detailed exploration of his thought It is also a valuable introduction to the entire period particularly the key developments it witnessed in Christianity Emily Hunt examines a wide range of topics in depth Tatian s relationship with Justin Martyr and his Oration to the Greeks the Apologetic attempt to defend and define Christianity against the Graeco Roman world and Christian use of hellenistic philosophy Tatian was accused of heresy after his death and this work sees him at the heart of the orthodox heterodox debate His links with the East and his Gospel

harmony the Diatessaron lead to an exploration of Syriac Christianity and asceticism In the process scholarly assumptions about heresiology and the Apologists relationship with hellenistic philosophy are questioned and the development of a Christian philosophical tradition is traced from Philo through Justin Martyr to Tatian and then within several key Syriac writers This is the first dedicated study of Tatian for more than forty years The Space Value of Money Armen V. Papazian,2022-09-03 The Space Value of Money introduces a fresh and innovative perspective on sustainability and finance It expands our financial value framework heretofore built around risk and time by factoring in space as an analytical dimension and our physical context The proposed principle and metrics entrench our responsibility for space impact into our value equations making finance inherently sustainable and acting as a theoretical bridge between core finance theory and the growing field of sustainable finance or ESG integration The book offers a novel approach to value design measurement and creation discussing the theoretical mathematical institutional technological and data elements of the transformation The Space Value of Money principle and metrics offer us the opportunity to adjust our financial value framework and transform human productivity in line with our sustainability targets They also enable the design and engineering of the financial instruments that can help us address our evolutionary challenges investment like the transition to Net Zero Every once in a while a book comes along that makes a fundamental contribution that is both profound and practical A book that every member of the National Space Council including the NASA Administrator and the Space Force chief of space operations should read The Space Value of Money will be of interest to ESG and impact investors government regulators financial theorists and outer space enthusiasts Lt Col Peter Garretson Senior Fellow in Defense Studies at the American Foreign Policy Council No doubt the pressing environmental challenges we face make the concept of the space impact of investments even more compelling Dr Pascal Blanqu Chairman of Amundi Institute Former Group CIO of Amundi Asset Management The Space Value of Money brings much needed conceptual rigour whilst further advocating the case for a new paradigm shift in financial valuation This work gives us the lasting frameworks that aggregate impact across all spatial dimensions Dr Papazian culminates over ten years of research in this rich book providing the springboard for further innovation and system implementation in this area Domenico Del Re Director Sustainability and Climate Change PwC Enthralling and captivating Papazian offers a clear thorough and comprehensive discussion The Space Value of Money gives us an opportunity to reframe our thinking and to explore what is possible A great read Daud Vicary Founding Trustee of the Responsible Finance and Investment Foundation Armen has developed a novel way to create financial models that are better suited to dealing with the many parameters required if we are to properly consider environmental factors and sustainability in economics and finance I have found this engaging and look forward to seeing its future use Dr Keith Carne First Bursar King s College Cambridge University **The Prose Works of John Milton** John Milton,1883 **Prose Works** John Milton,1888 **Listen Girl!** Kṛṣṇa Sobatī,2002 Ai Ladki is prose in poetry the tale of an old woman awaiting death and musing about her life Without

Areopagitica. Tracts on the commonwealth. Observations on Ormond's peace. Letters of state, etc. Brief notes on Dr. Griffith's sermon. Of reformation in England. Of prelatical episcopacy. The reason of church government urged against prelty. True religion, heresy, schism, toleration. Civil power in ecclesiastical causes* John Milton,James Augustus St. John,1888 *Milton in America* Peter Ackroyd,2012-04-25 When Peter Ackroyd one of Britain s undisputed literary masters writes a new novel it is a literary event With his last novel The Trial of Elizabeth Cree as gripping and ingenious a murder mystery as you could hope to come across in the words of the San Francisco Chronicle he reached a whole new level of critical and popular success Now with his trademark blending of historical fact and fictive fancy Ackroyd has placed the towering poet of Paradise Lost in the new Eden that is colonial America John Milton aging blind fleeing the restoration of English monarchy and all the vain trappings that go with it misrule in his estimation comes to New England where he is adopted by a community of fellow puritans as their leader With his enormous powers of intellect his command of language and the awe the townspeople hold him in Milton takes on absolute

power Insisting on strict and merciless application of puritan justice he soon becomes in his attempt at regaining paradise as much a tyrant as the despots from whom he and his comrades have sought refuge more brutal than the savage native Americans As always Ackroyd has crafted a thoroughly enjoyable novel that entertains while raising provocative questions this time about America s founding myths With a resurgence of interest in the puritans in the movie adaptations of The Scarlet Letter and the forthcoming The Crucible Milton in America is particularly relevant It is also entirely absorbing in short vintage Ackroyd
