Christianity and the Limits of Materiality Minna Opas, Anna Haapalainen, 2017-06-29 Despite the fact that Christianity is understood to be thoroughly intertwined with matter objects and things Christians struggle to cope with this materiality in their daily lives This volume argues that the ambivalent relationships many Christians have with materiality is a driving force that contributes to the way people in different Christian traditions and in different parts of the world understand and live out their religion By placing the questions of limits and boundary work to the fore the volume addresses the question of exactly how Christianity takes place materially addressing a gap in studies to date Christianity and the Limits of Materiality presents ground breaking research on the frameworks and contexts in relation to and within which Christian logics of materiality operate The volume places the negotiations at the limits of materiality within the larger framework of Christian identities and politics of belonging The chapters discuss case studies from North and South America Europe and Africa and demonstrate that the limits preoccupying Christians delimit their lives but also enable many things Ultimately Christianity and the Limits of Materiality demonstrates that it is at the interfaces of materiality and the transcendent that Christians create and legitimise their religion

Federico García Lorca Federico Bonaddio, 2022 Feted by his contemporaries Federico García Lorca's status has only grown since his death in 1936 This book shows just why his fame has endured through an exploration of his most popular works *Romancero Gitano* Poeta en Nueva York and the trilogy of tragic plays *Blood Wedding* *Yerma* and *The House of Bernarda Alba* Feted by his contemporaries Federico García Lorca's status has only grown since his death in 1936 poet playwright political martyr gay icon champion of women defender of the oppressed This book guides readers through the key themes and concerns in Lorca's work It demonstrates how Lorca applied his poetic sensibilities and lyrical craft to what were in essence tangible real life issues the plight of Andalusia's Romani people the idea of modernity and the condition of women in Spain What becomes evident is that even though he was writing at a time when many writers and artists were less inclined to deal directly with the things of the world Lorca maintained a profound interest in the human subject and in the world around him It is this interest the book argues in tandem with his poetic vision and craft that ensured his most popular works enduring universal appeal

Deep Song Stephen Roberts, 2020-07-13 Federico García Lorca 1898-1936 is perhaps Spain's most famous writer and cultural icon By the age of thirty he had become the most successful member of a brilliant generation of poets winning critical and popular acclaim by fusing traditional and avant garde themes and techniques He would go on to reinvent Spanish theater too writing bold experimental and often shocking plays that dared openly to explore both female

and homosexual desire A vibrant and mercurial personality by the time Lorca visited Argentina in late 1933 he had become the most celebrated writer and cultural figure in the Spanish speaking world But Lorca s fame could not survive politics his identification with the splendor of the Second Spanish Republic 1931 36 was one of the reasons behind Lorca s murder in August 1936 at the hands of right wing insurgents at the start of the Spanish Civil War In this biography Stephen Roberts seeks out the roots of the man and his work in the places in which Lorca lived and died the Granadan countryside where he spent his childhood the Granada and Madrid of the 1910s 20s and 30s where he received his education and achieved success as a writer his influential visits to Catalonia New York Cuba and Argentina and the mountains outside Granada where his body still lies in an undiscovered grave What emerges is a fascinating portrait of a complex and brilliant man as well as new insight into the works that helped to make his name

Homintern Gregory Woods, 2017-01-01 A landmark account of gay and lesbian creative networks and the seismic changes they brought to twentieth century culture In a hugely ambitious study which crosses continents languages and almost a century Gregory Woods identifies the ways in which homosexuality has helped shape Western culture Extending from the trials of Oscar Wilde to the gay liberation era this book examines a period in which increased visibility made acceptance of homosexuality one of the measures of modernity Woods shines a revealing light on the diverse informal networks of gay people in the arts and other creative fields Uneasily called the Homintern an echo of Lenin s Comintern by those suspicious of an international homosexual conspiracy such networks connected gay writers actors artists musicians dancers filmmakers politicians and spies While providing some defense against dominant heterosexual exclusion the grouping brought solidarity celebrated talent and in doing so invigorated the majority culture Woods introduces an enormous cast of gifted and extraordinary characters most of them operating with surprising openness but also explores such issues as artistic influence the coping strategies of minorities the hypocrisies of conservatism and the effects of positive and negative discrimination Traveling from Harlem in the 1910s to 1920s Paris 1930s Berlin 1950s New York and beyond this sharply observed warm spirited book presents a surpassing portrait of twentieth century gay culture and the men and women who both redefined themselves and changed history

The Past Is Not Dead Douglas B. Chambers, 2012-07-01 The Past Is Not Dead is a collection of twenty one literary and historical essays that will mark the 50th anniversary of the Southern Quarterly one of the oldest scholarly journals founded in 1962 dedicated to southern studies Like its companion volume Personal Souths The Past Is Not Dead features the best of the work published in the journal Essays represent every decade of the journal s history from the 1960s to the 2000s Topics covered range from historical essays on the French and Indian War the New Deal and Emmett Till s influence on the Black Panther Party to literary figures including William Faulkner Robert Penn Warren Richard Wright Eudora Welty and Carson McCullers Important regional subjects like the Natchez Trace the Yazoo Basin the Choctaw Indians and Mississippi blues are given special attention Contributors range from noted literary critics such as Margaret Walker Alexander Virginia Spencer Carr Susan V Donaldson James Justus and

Willie Morris to scholars of African American studies such as Robert L Hall and Manning Marble and historians including John Ray Skates Martha Swain and Randy Sparks Collectively the essays in this volume enrich and illuminate our understanding of southern history literature and culture *Small Damages* Beth Kephart, 2012-07-19 Juno meets Under the Tuscan Sun It's senior year and while Kenzie should be looking forward to prom and starting college in the fall she discovers she's pregnant Her determination to keep her baby is something her boyfriend and mother do not understand So she is sent to Spain where she will live out her pregnancy and her baby will be adopted by a Spanish couple No one will ever know Alone and resentful in a foreign country Kenzie is at first sullen and difficult But as she gets to know Estela the stubborn old cook and Esteban the mysterious young man who cares for the horses she begins to open her eyes and her heart to the beauty that is all around her and inside her Kenzie realizes she has some serious choices to make choices about life love and home Lyrically told in a way that makes the heat the colors and the smells of Spain feel alive *Small Damages* is a feast for the heart and the soul and a coming of age novel not easily forgotten **Lorca in English** Andrew Samuel Walsh, 2020-06-02 *Lorca in English* examines the evolution of translations of Federico García Lorca into English as a case of rewriting and manipulation through politically and ideologically motivated translation As new translations of Federico García Lorca continue to appear in the English speaking world and his literary reputation continues to be rewritten through these successive re translations this book explores the reasons for this constant desire to rewrite Lorca since the time of his murder right into the 21st century From his representation as the quintessential Spanish Republican martyr to his adoption through translation by the Beat Generation to his elevation to iconic status within the Queer Studies movement this volume analyzes the reasons for this evolution and examines the current direction into which this canonical author is heading in the English speaking world

Encyclopedia of World Writers, 1800 to the Present Marie Diamond, 2020-07-01 In recent years schools have started introducing more inclusive syllabi emphasizing the works and ideas of previously overlooked or underrepresented writers Readers of all ages can now explore the rich contributions of writers from around the world These writers have various backgrounds and unlike most writers from the U S or the United Kingdom information on them in English can be difficult to find *Encyclopedia of World Writers 1800 to the Present* covers the most important writers outside of the U S Britain and Ireland since 1800 More than 330 insightful A to Z entries profile novelists poets dramatists and short story writers whose works are anthologized in textbooks or assigned in high school English classes Entries range in length from 200 to 1 000 words each and include a biographical sketch synopses of major works and a brief bibliography Dozens of entries are new to this edition and many existing entries have been updated and significantly expanded with new Critical Analysis sections Coverage includes Chinua Achebe Margaret Atwood Roberto Bolaño Albert Camus Khalid Hosseini Victor Hugo Mohammad Iqbal Franz Kafka Stieg Larsson Mario Vargas Llosa Naghib Mahfouz Gabriel García Márquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more *British Bulletin of Publications on Latin America, the Caribbean, Portugal, and Spain*
