(season 4) Gilad James, PhD, *You* is a psychological thriller television series that made its debut on Netflix in 2018. The show follows the story of Joe Goldberg, a charming and obsessive bookstore manager who develops an extreme infatuation with a woman named Beck. Throughout the first two seasons, Joe's warped sense of emotions and morals lead him to commit a series of heinous crimes, including murder. Despite his actions, the show's skilled storytelling also gives viewers a glimpse into Joe's traumatic past, which could potentially explain his erratic behavior. Season three ended with Joe moving to the suburbs with his lover pregnant neighbor and his young son. Season 4, titled *You Loves a Maze*, follows the twisted story of Joe and how he adapts to this new suburban life, which includes a diverse cast of characters, including his next-door neighbors. The trailer hints that the season will take a darker turn than the previous ones, with Joe becoming increasingly unhinged as he attempts to reconcile his violent tendencies with his desire for a peaceful domestic life. Fans of the series have eagerly awaited the arrival of season four since the third season's ending cliffhanger, and it's sure to maintain the show's reputation for suspenseful and intense storytelling.

Anger, Anxiety, Frustration, Worry: We've all felt the power of these emotions and lived to regret the speed with which we spoke from or even acted on them. We know we need to slow down and calm down before that torrent of emotion sweeps us away, but how? What if you could understand those feelings better? Not ignore them or stuff them down, but actually harness their power to improve your relationships? That's the journey Joël Malm will take you on in *Love Slows Down*. Whether you're feeling the constant weight of worry, flashes of fury, or the exhaustion of always being on edge, there is a way to understand what triggers your emotions and put the brakes on. You can slow down and respond with love.
