Prepare to Be Mentored by the Sacred Hags The yearning to slow down and simplify return to the earth and maybe evenrewild what has been tamed in ourselves persists even though that dream may seem ever more remote in contemporary life Danielle Dulsky shows that even in our high tech and high pressure lives it is possible to manifest your own year of the wild and to tap into often forgotten holy wisdom Seasons of Moon and Flame guides you to live cyclically while working with the archetype of the Sacred Hag or wild grandmother who appears in various guises Wonderfully inclusive with adaptations for families spiritual groups and other traditions this book is a potentially life changing guide to living mystically magically and in empowering harmony with the worlds of spirit and nature *Hunters and Gatherers* Francine Prose,2013-09-24 The New York Times bestselling author takes on New Agers as one woman searches for meaning in this brilliantly satiric but sweet natured novel Publishers Weekly Thirty year old Martha is stagnating in a demeaning woefully underpaid job as a fact checker at frothy fashion magazine Mode and an unhappy relationship with an unrepentant jerk But she stumbles upon an unlikely new circle of friends when she interrupts a goddess worshipping ceremony on Fire Island and ends up rescuing its accident prone leader Isis Moonwagon from the waves From the steel skyscrapers of Manhattan to a sweat lodge in the Arizona desert Martha chases fulfillment and self actualization in the company of this group of opinionated bumbling women but the revelations she receives are not necessarily what she expected Prose s satiric vision could not be more sharply focused here and her powers of observation and deadpan humor never falter as she sends up the New Age movement and its over earnest adherents The Miami Herald **Queen of Shadow Bay** Stephanie M. A. Espriux,2019 Liberty Epic of Shadows interweaves shades of the past present and future into a dynamic tapestry designed on global scale that spans centuries through a trail of human history beginning with the discovery of a New World What is the connection between the rebirth of the Holy Roman Empire during the dynastic reign of the Spanish Hapsburgs and a small

cotton mill town in twentieth century post industrial south What is the lost meaning of Xeantee Aconee left behind by an obscure North American tribe of Indians and a present day monster named Westbaily Are both fiendish embodiments of imminent judgment or messenger angels of deliverance To the locals of 1960 Viet Nam era America Liberty Swamp is a place laced with unknown dangers manifesting imagined terror of life s inevitability a place avoided through slumbered existence But this epic is not just about fallen dynasties repetitious wars or chimeras of shadow It weaves the mortal fabric of human experience into a lattice of concentric patterns that never really change It unveils the defined origin of evil in human desire by comparing gifts from Mammon forged of weaker elements to the essence of things made from eternal substance provided by the architect of creation in the fullness of every season At the twilight of his days a man named David reluctantly made a king of Israel stands humble before the twelve tribes This after the siege of Jesus declared Jerusalem a city dedicated to the God of Covenant he bows his head and blesses the Lord of heaven and earth Both riches and honor come of thee and thou reigns over all and in your hand is power and might and in your hand it is to make great and to give strength unto all Now therefore our God we thank thee and praise thy glorious name But who am I and what is my people that we should be able to offer so willingly after this sort For all things come from you and of your own have we given thee For we are strangers before thee and sojourners as were all our fathers our days on the earth are as a shadow and there is none abiding 1 chronicles chapter 29 Verses 12 15
