Brooklyn Love Yael Levy,2012-09-17 For any young woman it can be hard to follow the rules especially when you re falling in love But for Rachel Hindy and Leah it s especially hard Because as Orthodox Jews they live by a whole different set of rules No touching a guy any guy before marriage No dating unless they are considering marriage and then only marrying a man who rates high on their parents checklists All Rachel s mother wants for her daughter is to see that her daughter marries well Naturally this is where the rich Columbia U educated lawyer comes in The problem is Rachel s already found a guy who makes her heart race A Rabbi But how could a struggling Rabbi possibly give Rachel the security her mother demands Hindy is very pious and only wants to marry a Talmud scholar The problem is she s in love with an Orthodox Jewish guy she works with How long can she keep saying no when her heart says yes And will she be able to stick to her values amidst temptation Leah wants to be a doctor but her mother insists she study computers even though she hates computers Her mom a struggling immigrant has fixed ideas about the course to success and marriage which doesn t include any of Leah s wishes What will it take for Leah to break out of her mom s and community s expectations and follow her dreams In Brooklyn Love three Orthodox Jewish women who are caught between crushing guilt of defying their mothers and their desire to be normal are there for each other as they try to figure out who they really are and what they really want Sensuality Level Behind Closed Doors *Love in All Seasons* Beth Newman,2010-12-06 Love is ubiquitous if complicated Weve put together this quirky delightful collection in recognition that we re all moved by somethings or someones in different ways Whether the results are tragic or funny bittersweet or whimsical stern or tender they cast new light onto the infinite varieties and subtlest nuances of that unique incomparable phenomenon we call love Helen Harrison will leave you perusing your options more closely with Men U while Shannon Fitts shares her full frontal love affair with the Big Apple in NYC Me Come
