Hope on the Desert Road CM Davy, 2022-08-01 Life is hard. Raising children is hard. Raising a medically fragile child seems at times impossible. Thirteen years ago, my daughter was born with complex medical needs. As I wandered through this new landscape, I realized that there were no resources available for families like ours. In our journey, I have realized that we all have journeys. We all have days where there is little hope. We all have challenges, and we all need to find God in our journey. That is what this book is about: finding hope, finding faith, and finding God in the journey. **Movies and the Church of Baseball** Jonathan

Plummer, 2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema, from *The Busher* (1919) to *Angels in the Outfield* (1994) and present-day movies. This book examines *The Natural*, *Field of Dreams*, *Bull Durham*, and other films exploring the frequency of Christian imagery and themes in the American baseball movie. From Babe Ruth's performance of a miracle to help a disabled boy walk again in *The Babe* to Ruth's question to Ray Kinsella, *Is this heaven*, in *Field of Dreams*, Christian themes and American baseball film are inextricably linked. This discussion encompasses symbolic imagery in mainstream film, Christian baseball movies directed by Christian filmmakers promoting their faith messages, and images of America as a prelapsarian paradise before The Fall. *The Adventures of Miss*

Gregory Perceval Gibbon, 1925 **The Book of Books** John Schaller, 1918 **Analyzing Christmas in Film** Lauren Rosewarne, 2017-12-06 Film plays a vital role in the celebration of Christmas. For decades, it has taught audiences about what the celebration of the season looks like, from the decorations to the costumes and to the expected snowy weather, as well as mirrors our own festivities back to us. Films like *It's a Wonderful Life* and *Home Alone* have come to play key roles in real-life domestic celebrations. Watching such titles has become for many families every bit as important as tree trimming and leaving cookies out for Santa. These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday. Rather than settling the "what is a Christmas film" debate, indeed *Die Hard* and *Lethal Weapon* are

discussed within Analyzing Christmas in Film Santa to the Supernatural focuses on the how Christmas is presented on the deluge of occasions when it appears While most Christmas films are secular religion makes many cameos appearing through Nativity references storylines involving spiritual rebirth the framing of Santa as a Christ like figure and the all importance of family be it the Holy family or just those gathered around the dining table Also explored are popular narratives involving battles with stress and melancholy single parents and Christmas martyrs visits from ghosts and angels big cities and small towns break ups and make ups and the ticking clock of mortality Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals about culture society and faith as well as sex roles consumerism aesthetics and aspiration

Once Upon A Season Roger O'Guin, 2020 The course of our lives is often predetermined by our family and cultural mindsets Traditionally humans seem to follow the edicts of current and historic thought even though many cultural ideas prove to be unreliable across history Do things change or were we wrong about a number of ideas from the beginning We can change attitudes and consequently influence our personal future We can cultivate our intuition and create new possibilities for ourselves Some people create misfortune without even knowing it Success for them becomes a fantasy that never seems to materialize because certain choices were made without accurate perceptions or reflection This accounts for many people becoming compliant and disappointed Even overwhelmed Some decisions are made out of habit and the same routines abet certain people in overlooking the possibilities that could begin a new and exciting future This book details information on the individual aspects of success and is a unique approach to understanding how history and our environment can help us or hinder us This work outlines a system of success that has proved effective for Americans competing in the workforce or struggling with life's personal challenges The book also contains historical facts regarding humanity and the previous thinking of our ancestors that brought us to the present Not all

of their thinking was healthy or productive In this current season of human existence many people have become swayed by misinformation and so I have chosen politics and religion as examples of how age old thinking can bring about unintended but large scale consequences Even our chosen official s minds loiter in outdated and inefficient thinking which fatigues their brains thus not assisting them in assisting us Everyone seems to embrace their own version of the truth however this habit can be costly when that truth turns out to be inaccurate As separate assemblies of peoples we have gone against nature in creating many differing even conflicting truths that have caused divisiveness among people that does not have to influence our interactions in destructive ways Perhaps its time for us as a species to embrace the wisdom that has been our inheritance since the time of our own invention I hope my words will do their part in bringing us back together as was the original intention of our creation Enter the King Gordon Kipling,1998 This study describes for the first time the ritual purposes symbolic vocabulary and quasi dramatic form of one late medieval courtly festival the royal entry Although the royal entry as a formal ceremony can be traced back as an unbroken tradition from late Classical times through to the Renaissance Kipling begins where the royal entry adopts pageantry as its essential medium in the late fourteenth century **Pearls from Heaven** Myra Irizarry,2007-01-08 **Spiritual Latte** Shelby Holmes,2015-09-21 Spiritual Latte Meditation Poetry and Hymns to Jump Start the Day shares the inspired work of a minister and poet Shelby Holmes He draws upon the model of prayer he saw his own father follow his years of experience in beginning his days in prayer for God to bless his family and his insights from study and ministry Holmes considers the ability to worship God as the most vital part of our growth in knowing our Savior It is the quintessential driving force to spiritual success against the forces of darkness The desire to worship God in prayer song and spoken word has been his greatest testimony In this book he shares some of his most powerful prayers words of wisdom and songs from the throne room of God The push is to pierce the hearts of his readers to share their gifts and talents and to evoke change in the world He prays that each word will be useful to your life family and maturity in Christ If you find yourself yearning to grow in your faith and to know more about the Savior then Spiritual Latte Meditation Poetry and Hymns to Jump Start the Day will help you approach God with an upraised cup ready for the filling and a thirst for drinking what He pours out for you **A Gratefulness Guide to Jewish Festivals** Rabbi Henry Glazer,2012-07-31
