and Snatch have other ideas The map on the endpapers helped children find their way around the village and went on to appear in every single title in the Fern Hollow series Children really loved the map and enjoyed pointing out where all their favourite Fern Hollow Characters lived and all the stories took place Naturally we have retained the map in this new collection These stories of animal folk have an enduring charm A generation of people who had the Fern Hollow stories read to them as children have now grown up and are buying the books to read with their own children nieces and nephews Parents who shared the books with their children back in the 1980s and 1990s are now enjoying them all over again with their grandchildren Further collections are planned to incorporate all the original titles
