Servants and Fools Arthur Boers, 2015-10-20 Leadership is a much discussed topic What does it actually mean for us as Christians Does Christian leadership have its own distinctive shape and character In *Servants and Fools A Biblical Theology of Leadership* Arthur Boers examines Jesus's pattern of leadership Boers shows how this pattern is rooted in service and sacrifice is cautious about power and hierarchies and prioritizes the vulnerable In other words it often reverses what we expect of leadership and is different from what we read in most leadership literature *Servants and Fools* is a unique resource for students and practitioners across denominations It offers a foundational perspective on leadership and guidance for practical application in the reader's daily life and ministry Arthur Boers has at last written the book we have sorely needed a book that is destined to become the main text in my seminary courses in church leadership a book that is sure to be enthusiastically received by thousands of contemporary Christian leaders Boers energetically underscores the joyful peculiarity of specifically Christian leadership His book is unique a biblically based Christologically grounded defense of

Currents in the Interpretation of Paul Neil Elliott, 2024-09-05 The apostle Paul has long been championed or criticized as a Christian thinker as a brilliant theological genius or an enthusiastic convert who spun arguments to justify his new allegiances In these essays Neil Elliott engages some of the most provocative currents in contemporary scholarship including Paul and the nature of violence the presumptions of religious cultural or national innocence in particular interpretations of the apostle the recent enthusiasm for Paul in some streams of Marxist thought competing construals of economic realities in Paul's day and our own and questions surrounding Paul's legacy today

From Fast to Feast Cas Wepener, 2009 Today some years after the first democratic elections in South Africa as well as the final report of the Truth and Reconciliation Commission TRC it is clear that reconciliation is still needed on all terrains of South African society More and more people are becoming aware of unchanneled emotions such as guilt fury revenge and grief which are still alive in South Africa and which come to fore in different ways It seems as if reconciliation is a process that will in fact take years if not generations The task of the TRC has been completed but the task of reconciliation on all levels in South African society and the debate surrounding it are far from complete Very little research has been conducted to understand both the process and the kinds of reconciliation rituals that are needed And this is exactly the aim of the research described in this book The research described here aims at making a contribution towards the process of reconciliation in South Africa by specifically looking at one small but important element in that process namely ritual To this end several ritual probes were conducted including an ethnographic probe describing research by means of participatory observation in local South African communities as well as a cultural anthropological biblical historical and descriptive probe From these probes ritual qualities were distilled which can be used for the liturgical

inculturation of rituals of reconciliation in South Africa

Resurrection Peacemaking: Plowsharing the Tools of War

Clifford Kindy, 2020-10-29 The author draws the reader through the drama and mediocrity of his personal experience The hard work of peacemaking is clearly strengthened through team efforts Space is provided for the reader to step into the shallows of peacemaking and then on into the depths This book is intended to be acted into being *The War on Terrorism and the Terror of God* Lee Griffith, 2004 Uniquely relevant in a world shaken by recent acts of terror this title calls people of faith to the way of peace the Christian response to evil and violence *Who Will Roll Away the Stone?* Ched Myers, 1994 The author of the critically acclaimed *Binding the Strong Man* exposes the social and spiritual stones that impede us in our development and growth as Christians In every age writes Myers disciples despair that the story has ended only to discover that the stone has been rolled away reopening the possibility and imperative of following the Way of Jesus As a sequel to *Binding the Strong Man* *Who Will Roll Away the Stone* brings Myers study of the gospel of Mark full circle The first book provided a compelling reading of Mark's gospel as a manual of radical discipleship in the ancient Roman empire *Who Will Roll Away the Stone* picks up and extends the gospel's challenge specifically to those living in the contemporary imperial context Each chapter opens with classic questions from within the gospel itself Beginning with Peter's denial of Jesus *Who Will Roll Away the Stone* shows how and why first world Christians politically free socially mobile and resource rich seem typically unable or unwilling to struggle for social change Myers uses three of the most troubling and problematic of recent events the Los Angeles riots the Gulf War the Columbus quincentennial to demonstrate how the subtle complexities of a culture of technological wizardry information overload and short term memory can be recognized as blocking the first step on the journey of discipleship Myers then turns to the second stage of discipleship which is conversion literally a call to change direction both as individuals and as a society He continues with a deconstruction of the modus vivendi of U S culture using experiments in other ways of living including social relocation and nonviolent politics He then moves into the third stage of the call to discipleship to reconstruct the church and the world through positive action building solidarity with one another and with the poor accepting and celebrating diversity and its gifts and reclaiming the discourse of the reign of God from those who use it to defend the status quo
