When Time Finally Runs Out Peter Bellone,2009 Time What is it Time is the measuring device that man uses to account for the passing of the seconds minutes hours days months and years of our lives As 2 Peter 3 8 says But beloved do not forget this one thing that with the Lord one day is as a thousand years and a thousand years as one day This ratio of 1 1000 shows us that God perceives time much more differently than we do However God is aware of what time means to us and therefore when Adam Eve and the serpent sinned in the Garden of Eden God gave Satan and man a six thousand year sentence joining man and Satan at the hip for all this time Upon accepting Satan as his god man became subject to Satan whose way of life is 180 degrees opposite from the true God s way of life All mankind is well aware that the six thousand years should be coming to a close shortly The problem however is that man lost track of time due to the ebb and flow of civilization and the many different ways that man has uses to count time Recognizing that the Bible is a true source of timeline information man attempts to look into the future by going back to the past To do so he counts the years from the creation of Adam then comes forward to the present time Doing this is using faulty logic that leads to a faulty conclusion The result Man still does not know when this sentence will come to an end Thanks to God and His wisdom When Time Finally Runs Out believes that it reveals the day and hour when man first disobeyed God and when the punishment began Likewise it also reveals the year day and hour when the six thousand year punishment will be fulfilled In addition the birth and death of Jesus is covered quite extensively because these times help us come to the conclusion in this book While God has established a prohibition against us knowing the day and hour when Jesus the Christ will return there is no such prohibition in knowing when the time of our sentence ends The time remaining is short short enough that you will be amazed to learn when time finally runs out

Seasons of Jesus Catherine L. Lewis,2008-01 This is a book about nature family and how I see Jesus in all these areas of life I have incorporated memories of picking berries with my grandmother

various Christmas dinners and the little things that have touched my life It is a book you can pick up at anytime and read a poem that will make you smile I wrote this book because I was inspired by the hymns in church and light rock on the radio Sometimes it was as if it had written itself I am really glad that computers came into being because without them I would not have been able to write so many poems This is the first book I have ever tried to publish and I hope you enjoy it **When Seasons Change** Bishop-Dr. Julieann Pinder,2008-06-25 The many dreams you dream are depictions of personal change revelations of future events or resolution to problems This handy guide could be the key to a whole new world of understanding the ever changing seasons of your life Seasons will change are you equipped to meet the new challenges and changes they bring Your new set of instructions will help you learn The secret to playing the game of life Why dream numerology really work How to maneuver between the seasons Your mission on earth and the objectivity of your purpose That the dream dictionary are signs from God to make you wonder Much much more **Gospel of the Four** Peter B. Jones,2002-11 This book demonstrates how all four Gospels parallel each other intrinsically without the anomalies frequently mentioned by many believers The author carefully identifies and distinguishes differences and similarities in the four narrative accounts of the life and ministry of Jesus He also provides passages in quotation and chapter and verse references revealing the fact that Jesus made several different visits to towns in Galilee and Judea purged the Temple on two occasions and gave the Sermon on the Mount more than once An examination of the timing and nature of the miracles also offers fresh insight into this aspect of Jesus ministry laymen in their search for additional truth The mass of detail and cross referencing should not deter the general Christian reader because the author has taken great care to present his argument and postulations in a coherent and accessible manner **The Art of War** Dr. Gene Herndon,2019-05-01 Do you know your enemy and about his tactics Whether we know it or not we are all in a battle today Satan and his invisible demon emissaries are active devious and would like nothing more than to break apart your family weaken your convictions destroy your church blemish the integrity of its leaders and render you powerless in this life Because the stakes are so high you need to be equipped and ready to defend yourself from attacks and fight the good fight We know that the struggle is real This book offers you the insights and tools you ll need to understand and engage the enemy on God s terms and with his protection and blessing Victory can truly be yours
