Seattle Genealogical Society Bulletin, 1984 *Children of the Kootenays* Shirley D. Stainton, 2018-04-23 A warm hearted memoir of a childhood spent living in various mining towns in the Kootenays throughout the 1930s and 40s When young Shirley Doris Hall and her family moved to BC's West Kootenay region in 1927 the area was a hub of mining activity Shirley's father a cook had no problem finding work at the mining camps and the family dutifully followed him from town to town as his services were sought after For Shirley and her brother Ray described as both her confidant and her nemesis mining camps were the backdrop of their youth The instant close knit communities that formed around them the freedom of barely tamed wilderness and the struggles of the Depression years and the war that followed created an unlikely environment for a happy childhood Yet Shirley's memories reveal that it was indeed a magical time and place in which to grow up *Children of the Kootenays* paints a lively portrait of this forgotten period in BC history of mining towns that are now ghost towns told from the unique perspective of a young girl Seattle Then and Now Benjamin Lukoff, 2010 *Seattle Then and Now* presents archival photos along with modern views of the same sites as they appear today One can see the city as it looked when Denny Hill still rose above downtown when the University of Washington occupied a mere city block when Duwamish canoes still put in at Ballast Island and when missiles were based in Magnolia and naval aircraft at Sand Point Thanks to the efforts of preservationists places like Pioneer Square and the Pike Place Market look much as they did a century ago while structures such as Union Station and the Eagles Auditorium live on with new uses This book highlights some of the best loved places in the city along with striking examples of modern architecture that help make Seattle such a vibrant and innovative city
