conduits rivers and streams have critical ecological and economic significance As they carve out waterfalls valleys canyons
 deltas and a host of other landforms they also support a diversity of organisms and connect disparate regions Accompanied
 by extraordinary color photographs this volume examines the characteristics of these captivating channels as well as their
 greatest threats and profiles some of the world s prominent rivers *World Cities* Alan Balfour,Zheng Shiling,2002-05-23
 This change from a monumental relic of colonial ambition and Chinese confusion into one of the most aggressively
 international mercantile cities in the world has seen Shanghai emerging not as some naive representation of Western reality
 but out of the 3000 year history of urban culture in China a culture whose rational administrative and financial structure has
 in many past ages managed human populations in a state of harmony and prosperity unmatched in the West The dynastic
 capitals of China from Xian to Beijing have until the last two centuries been the power centres of the nation reinforcing the
 absolute divine power of the Emperor The emergence of a commercial capital able to rival Beijing in power and influence
 creates an as yet unresolved disturbance in the deep structure of Chinese culture *Uneasy Partners* Leo F.
 Goodstadt,2005-01-01 Challenging the wisdom about the way capitalism and colonialism joined forces to transform Hong
 Kong into one of the world s great cities this book deploys case studies of the clash of interests between alien colonials and
 their Chinese constituents and the conflict between a pro business government and its political and social responsibilities

and the Quest for Foreign Investment in China Maria Sönne,1999 *China's Foreign Policy Making* Yufan Hao,Lin Su,2005
 Various domestic factors impact upon China s foreign policy making such as bureaucracy academics media and public
 opinion This stimulating book examines their increasing influence and focuses in particular on China s policy towards the
 United States exploring whether there has been an emergence of societal factors independent of the Communist Party that
 have begun to exert influence over the policy process It also debates questions such as how it will affect the ability of the
 Chinese government to frame and implement its policy towards the US and whether it has generated institutional
 arrangements in China for cooperation on issues such as trade human rights and Taiwan The book provides a better
 understanding of the role of societal forces in China s foreign policy making process *Atlas de Shanghai* Christian
