Lord Jakobovits:

Lord Jakobovits in Conversation Sir Immanuel Jakobovits, Michael Shashar, 2000 A dialogue book with the former chief Rabbi of the British Commonwealth the late Lord Dr Immanuel Jakobovits Lord Jakobovits was born in Germany studied in England and served as Chief Rabbi in Ireland Rabbi in New York and Chief Rabbi in London His education Jewish and general was much broader than that of average Israeli Rabbis He was very involved in general human affairs dealing widely with Jews and non Jews alike who consulted him on ethical dilemmas especially in medical matters **A Collection of**

Essays and Articles by the Chief Rabbi Lord Jakobovits Sir Immanuel Jakobovits, 1989 *Dear Chief Rabbi* Sir Immanuel Jakobovits, 1995 **Lord Jakobovits** Chaim Bermant, 2013-03-11 Lord Jakobovits has been described by one commentator as Mrs Thatcher's father confessor A staunch defender of Victorian values and family life he has propounded his views with a forthrightness and vigour which have often placed him at the centre of controversy and have given him national prominence And yet if extremely conservative on some issues he can be surprisingly liberal on others and he is the only Orthodox rabbi of any eminence to have openly expressed his misgivings about Israel's treatment of the Palestinians and to have called for territorial concessions in the West Bank and Gaza He is in fact difficult to categorise and this vividly written authorised biography attempts to reconcile the apparent contradictions in his views It also describes the man his colourful vivacious wife the circumstances and convictions which have helped to shape him and the communities whose identities he has helped to guide Though not uncritical it adds up to a remarkable portrait of a remarkable man *The Timely and the Timeless* Sir Immanuel Jakobovits, 1977 Divorcing Responsibly Helen Reece, 2003-08 This book analyses the increasing impact of post liberalism which replaces choice with self discovery on general and divorce law Einblicke in die "British Jewish Studies" Rebekka Denz, Grażyna Jurewicz, Dorothea M. History? Beverley C. Southgate, 2013-11-04 *Why Bother With History* argues for an increasingly important role for a revitalised historical study Examining the motivations of past historians the author rejects the ancient aspiration to a history for its own sake and argues that historians importance lies in their own adoption of a moral standpoint from which a story of the past can be told that facilitates the attainment of a future we desire Inevitably controversial in that it challenges many of the assumptions of modernist history this is an interdisciplinary book which draws in particular on psychology and literature

Holocaust Hero David Kranzler, 2004 One of the most remarkable heroes of the Holocaust was Solomon Schonfeld a young British rabbi who personally rescued thousands of Jews during the tragic decade of 1938-1948 Rabbi of a small Orthodox congregation and pioneer of the Jewish day school movement in London England Schonfeld was inspired by Rabbi Michael Ber Weissmandl to get into rescue work Under the auspices of the Chief Rabbi's Religious Emergency Council this dynamic and charismatic personality single handedly brought to England several thousand youngsters as well as rabbis teachers ritual slaughterers and other religious functionaries Schonfeld obtained kosher homes Jewish education and jobs for

his charges He also created unique mobile synagogues the first to serve the spiritual and physical needs of the survivors in the liberated areas of Europe He also tried unsuccessfully to persuade the British government to bomb Auschwitz This fascinating biography with a focus on his rescue efforts includes his struggles with the assimilationist Anglo Jewish leadership as well as forty vignettes by individuals he rescued

Jewish Centers and Peripheries Selwyn Ilan Troen, After World War II the center of gravity for world Jewry moved outside Europe In the aftermath of the Holocaust large scale emigration and postwar assimilation resulted in a disheartening contraction of European Jewry with the notable exception of France Today Europe s Jews number only 17 percent of the world Jewish population At the beginning of this century they comprised 83 percent and were the center of the modern Jewish experience In a radical reversal former peripheries became the centers notably American Jewry the largest and most dynamic of the Diaspora communities and the State of Israel An examination of the altered place of Europe and its future role in Jewish history is long overdue In *Jewish Centers and Peripheries* S Han Troen presents evidence of cultural renewal and community reorganization both internally driven and supported by Israeli and American based Jewish organizations which promise to assure the continuity and vitality of Jewish life in Europe This volume presents the contributions of scholars senior community professionals lay leaders and former diplomats from Europe Israel and America including Yosef Gorny Gabriel Sheffer Rashid Kaplanov Barry Kosmin Ralph Goldman Jean Jacques Wahl Israel Finestein David Patterson and Daniel Elazar These original and thoughtful contributions examine dynamic relationships among European American and Israeli communities at times bringing personal knowledge of significant events pertinent to understanding these relationships Collectively they suggest that present conditions are ripe for the reemergence of European Jewry though on a scale much diminished from that of the pre Holocaust period Moreover the prospects for the rejuvenation of European Jewry mirror the possibilities for Jewish continuity everywhere *Jewish Centers and Peripheries* is a strikingly informative assessment of the condition of world Jewry at the close of the century

Issues in Contemporary Judaism Daniel Cohn-Sherbok, 1991-05-24 *Conscience and Parliament* Philip Cowley, 2012-10-12 Considering how the British policy process deals with conscience issues this book covers eight topics discussed by Parliament in the last quarter of a century abortion censorship divorce Sunday trading homosexuality war crimes disability rights and animal welfare

Rabbi of the United Hebrew Congregations of the Commonwealth from September 1991 to September 2013 and a member of the House of Lords since 2009

Why Am I a Jew? Michael Baum, 2022-01-06 The book starts by considering mankind's role in the complex ecological system of our planet and then considers the place of mankind in the cosmos while also looking inward at our own microcosm. It then explains how these scientific insights lead to the ontological search for God. The good, the bad, and the ugly sides of religious beliefs are considered and it is suggested that we are looking for God in the wrong place. The book then explains a justification for the author's apparent cognitive dissonance of retaining a Jewish identity whilst denying the existence of a God with the attributes of man. The author then argues that we should look for God in the infinitely small spaces within ourselves instead of the infinitely large spaces of the universe. His God would not mind whether individuals believed in him or not so long as they practiced their life as the author practices his medicine in a never-ending quest to improve the length and quality of the lives of his patients. This book should improve the reader's knowledge of the philosophers who wrote on the ontology of God. It also rediscovers that Baruch Spinoza had already reached the conclusions of modern-day thinkers more than 350 years ago.

Easeful Death Mary Warnock, Elisabeth Macdonald, 2008 *Easeful Death* sets out in straightforward terms the main arguments both for and against the legalization of assisted suicide and euthanasia. The legal choices confronting those caring for the terminally ill and indeed those patients themselves who may be facing intolerable suffering towards the end of their lives have been the cause of fierce public debate in recent years. The book takes as its starting point attempts in Britain and other countries to bring compassion into the rules governing the end of a patient's life. Drawing on experience in the Netherlands, Belgium, and the US state of Oregon where either assisted dying or euthanasia have been legalized, the authors explore the philosophical and ethical views on both sides of the debate and examine how different legislative proposals would affect different members of society from the very young to the very old. They describe the practical medical processes of palliative care, self-denial of food and water, and assisted dying and euthanasia and ultimately conclude that the public is ready to embrace a more compassionate approach to assisted dying. This sensitive and authoritative short volume is informed throughout by a strong sense that whatever the results of the legislative argument, compassion for one another must be both the guide and the restraint upon the way we treat people who are dying or who want to die.

Terms of Survival Robert Wistrich, 2003-09-02 The emergence of the state of Israel has fundamentally changed the conditions of Jewish existence. The issues now facing Jews everywhere are totally different to those that confronted them only fifty years ago. This book provides the only thoroughly worldwide modern history of the Jews of the Diaspora. Robert Wistrich has drawn together an outstanding collection of authors from the United States, Europe, and Israel in order to analyse the immense changes that have taken place since 1945 in a comprehensive yet original manner. Cultural, religious, domestic, political, economic, and occupational transformations in Jewry are addressed in up-to-date studies. *Terms of Survival* reframes the nature of the debate by highlighting continuity and change in the position of the Jews.
