Lord Mountbatten His Butlers Story:

Lord Mountbatten Charles Smith,1984-09-01 **Lord Mountbatten** Charles Smith,1980 **The Duke** Ian Lloyd,2021-02-18 Witty and well researched Daily Express A fascinating profile Daily Telegraph For seven decades the Duke of Edinburgh was the Queen s strength and stay far surpassing the predictions of courtiers who had feared a foreign interloper out for the goodies Journalists continually portrayed him as bluff and gaffe prone yet the letters he wrote in private show he had a kind and sensitive side Drawing on extensive interviews with those who knew him best The Duke reveals the man in all his endlessly fascinating contradictions While tracing his characteristic self reliance back to a difficult childhood and six years war service Ian Lloyd highlights some rare aspects of the royal consort s personality from his fondness for Duke Ellington to his fascination with UFOs The result is a portrait like no other and a rich tribute to Prince Philip s extraordinary life and legacy With an updated final chapter on Prince Philip s funeral legacy and the future of the monarchy without him

The Duchess Of Windsor Greg King,2011-05-01 A sympathetic and believable portrait of the American woman for whom King Edward VIII gave up the throne with photos included Christian Science Monitor A woman s life can really be a succession of lives each revolving around some emotionally compelling situation or challenge and each marked off by some intense experience It was the love story of the century the king and the commoner In December 1936 King Edward VIII abdicated the throne to marry the woman I love Wallis Warfield Simpson a twice divorced American who quickly became one of the twentieth century s most famous personalities a figure of intrigue and mystery both admired and reviled Wrongly blamed for the abdication crisis Wallis suffered hostility from the Royal Family and much of the world Yet interest in her story has remained constant resulting in a small library of biographies that convey a thinly veiled animosity toward their subject The truth however is infinitely more fascinating than the shallow pathetic portrait that has often been painted Using previously untapped sources acclaimed biographer Greg King presents a complete and for the first time sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986 King takes the reader through a world of privilege palaces high society and love with the accompaniment of hatreds feuds conspiracies and lies The cast of characters is vast politicians and presidents dictators and socialites Twenty four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance A wide absurd cast of characters led by the British royal family Wallis lavish decorati

Muchachas No More Margo L. Smith,1991-03-20 Offers a look at the sizeable population of women who are domestic workers in Latin America and the Caribbean **Mountbatten** Adrian Smith,2010-04-30 Was he a far sighted war hero or an ambitious networker promoted well above his natural talent Admired as a modernising chief of staff a timely decoloniser and a genuine player on the world stage Mountbatten nevertheless continues to attract fierce criticism In this timely new biography Adrian Smith offers a fresh and convincing perspective depicting Mountbatten as a quintessentially modern highly

professional figure within the Royal Navy and at Combined Operations and SE Asia Command a hands on officer who enthusiastically embraced new technology someone who although an aristocrat was by instinct a progressive innovative in his approach to man management Smith brings Mountbatten to life acknowledging the essential qualities as well as the obvious weaknesses Beneath the rich vain often ruthless embodiment of power and privilege could be found a very human even vulnerable character the complex personality of a pivotal figure in the history of twentieth century Britain and her empire

Mountbatten, Cold War and Empire, 1945-79 Adrian Smith, 2022-11-17 Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill s wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten s record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on Mountbatten s position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten s relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten s achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten s centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith s scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten s personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten s career from 1943 to the mid sixties

Political Leaders and Military Figures of the Second World War Steven D. Chambers, 1996 This bibliography is a compilation of approximately 3500 English language works by and about the major political leaders and military figures of the Second World War The bibliography is intended to aid librarians in answering reference questions concerning what works are available on a certain individual to aid graduate and undergraduate students in researching potential historical topics and to aid the general reader in choosing a good biography of a particular individual

Famous Assassinations in World History Michael Newton, 2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people s attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual Famous Assassinations in World History An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better

understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person's significance discusses the person's assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history [Biography Index](#) Bea Joseph,1979 A cumulative index to biographical material in books and magazines [My Life, Pakistan and the Great Balidan](#) Zaki Sabih,2025-09-10 Every act of creation has the potential to change the world whether a little bit at a time or all at once The creation of Pakistan in 1947 certainly changed the geopolitical landscape of the world forever But the lives of more than fifteen million people were changed as well with the partitioning of India sowing hatred and division between generational neighbors turning long standing harmony into brutally violent dissonance and displacing entire families from their ancestral homes This is the personal memoir of Author Zaki Sabih who nearly eighty years ago found himself among those displaced millions torn from both his homeland and his idyllic childhood for reasons he was far too young at the time to understand But it is more than a memoir as well It is the story of the millions of Indian Muslims who were slaughtered and betrayed in the name of Pakistan an overt criticism of religious extremism and ultranationalism and finally a fiercely taken stance on the vital importance of secularism in all aspects of the political sphere **Royal Childhoods** Charles Carlton,2023-03-31 First published in 1986 *Royal Childhoods* shows how the early years of Britain's kings and queen have coloured their later lives Combining skills of a professional historian with a knowledge of psychology the author links the study of childhood to known pattern of events His book makes the distant figures of royalty more comprehensible as individuals With great insight into the influence of childhood experience he covers the whole span of British monarchy from William the Conqueror to the Prince of Wales This book will be of interest to students of history literature and psychology **Subject Catalog, 1981** Library of Congress,1981 [The Collected Short Stories](#) Jeffrey Archer,2010-06-08 International bestselling author Jeffrey Archer has enthralled readers with his riveting suspense surprise denouements and unforgettable storylines Now Archer's three acclaimed collections of short fiction are brought together in one irresistible volume THE COLLECTED SHORT STORIES A Quiver Full of Arrows takes readers on a journey of encounters that befall an assortment of kindly strangers wary old friends and long lost loves Sly reflections on human nature are at the center of A Twist in the Tale in which blindly adventurous game players compete for stakes higher than they dreamed Expect the unexpected and you'll still be surprised in Twelve Red Herrings a dozen tales of betrayal love murder and revenge capped with a startling twist Thirty six stories in all each poised to astonish and inspire revealing master entertainer Time Jeffrey Archer at his artfully entertaining best *Historical Dreadnoughts* Barry Gough,2010-07-05 An account of Arthur Marder his famous sparring partner Captain Stephen Roskill

and their enduring quest for pre eminence in the naval history field This is the story of the remarkable intersecting careers of the two greatest writers on British naval history in the twentieth century the American professor Arthur Marder son of immigrant Russian Jews and Captain Stephen Roskill who knew the Royal Navy from the inside Between them these contrasting characters were to peel back the lid of historical secrecy that surrounded the maritime aspects of the two world wars based on the privileged access to official papers they both achieved through different channels Initially their mutual interests led to a degree of friendly rivalry but this was to deteriorate into a stormy academic feud fought out in newspaper columns and the footnotes of their books much to the bemusement and sometimes amusement of the naval history community Out of it surprisingly emerged some of the best historical writing on naval themes and a central contribution of this book is to reveal the process by which the two historians produced their literary masterpieces Anyone who has read Marder s *From the Dreadnought to Scapa Flow* or Roskill s *The War at Sea* and they were both bestsellers in their day will be entertained and enlightened by this story of the men A J P Taylor called our historical dreadnoughts A book about naval historians and their differing approaches to writing history might be dry and dull but in the author s capable hands makes a fascinating read Warship 2012 Subject Catalog Library of Congress,1981 **Inspired by True Events** Robert J. Niemi,2013-10-17 An up to date and indispensable guide for film history buffs of all kind this book surveys more than 500 major films based on true stories and historical subject matter When a film is described as based on a true story or inspired by true events exactly how true is it Which factual elements of the story were distorted for dramatic purposes and what was added or omitted Inspired by True Events An Illustrated Guide to More Than 500 History Based Films Second Edition concisely surveys a wide range of major films docudramas biopics and documentaries based on real events addressing subject areas including military history and war political figures sports and art This book provides an up to date and indispensable guide for all film history buffs students and scholars of history and fans of the cinema **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **A Concise History of British Presence in India: Establishing and Withdrawing an Empire** Barid Baran Mukherjee,2024-10-10 This book provides a linear history beginning at the time of the East India Company s arrival with its near 250 year struggle to the formation of the British Raj and the withdrawal of the Raj in the 90 years following highlighting

how the EIC rode to power and its administration replaced the Mughal s system while describing how the Indian intellectual middle class developed This work then describes how the Indian National Congress was established as a platform for nationalism and opposed British ambitions This work emphasizes the events of about the last fifty years of the Raj which survived with domestic pressure and two great wars It is a complicated political history of conflicts between nationalists and Imperialists surrounding communal agendas of the Muslim League and interprets how two great wars consumed the resources of Britain as well as caused the decline of the Indian economy and how the British trajectory tended to swing towards its withdrawal The last chapter describes how Lord Mountbatten endeavored to effectuate the transfer of power which was constrained due to communal passion

A History of the English-Speaking Peoples since 1900 Andrew Roberts, 2010-12-16 Prize winning British historian tells the story of the English speaking peoples in the 20th century Winston Churchill s *History of the English Speaking Peoples* ended in 1900 Andrew Roberts Wolfson History prizewinner has been inspired by Churchill s example to write the story of the 20th century Churchill wrote Every nation or group of nations has its own tale to tell Knowledge of the trials and struggles is necessary to all who would comprehend the problems perils challenges and opportunities which confront us today It is in the hope that contemplation of the trials and tribulations of our forefathers may not only fortify the English speaking peoples of today but also play some small part in uniting the whole world that I present this account As the greatest of all the trials and tribulations of the English speaking peoples took place in the twentieth century Roberts book covers the four world historical struggles in which the English speaking peoples have been engaged the wars against German Nationalism Axis Fascism Soviet Communism and now the War against Terror But just as Churchill did in his four volumes Roberts also deals with the cultural social and political history of the English global diaspora
