cool intellect and charm he can see into the heart of the most perplexing of crimes From the jungles of the Congo to the sun
bathed streets of Nice criminals will find themselves outsmarted This mastermind of mystery saves Russian heiresses seeks
out sneaking murderers uncovers precious emeralds and tricks wily scoundrels into confessions A classic detective of the
highest calibre This collection of mystery and crime adventures featuring skilled and eloquent French detective Monsieur
Jonquelle written by Melville Davisson Post was first published in 1923 **The Works of John Galsworthy** John

Galsworthy,2021-07-31 From the Four Winds a collection of short stories was Galsworthy s first published work in 1897
These and several subsequent works were published under the pen name of John Sinjohn and it was not until The Island
Pharisees 1904 that he began publishing under his own name probably owing to the recent death of his father His first full
length novel Jocelyn was published in an edition of 750 under the name of John Sinjohn he later refused to have it
republished His first play The Silver Box 1906 in which the theft of a prostitute s purse by a rich young man of good family is
placed beside the theft of a silver cigarette case from the rich man s father s house by a poor devil with very different
repercussions though justice was clearly done in each case became a success and he followed it up with The Man of Property
1906 the first book of a Forsyte trilogy Although he continued writing both plays and novels it was as a playwright that he
was mainly appreciated at the time Along with those of other writers of the period such as George Bernard Shaw his plays
addressed the class system and other social issues two of the best known being Strife 1909 and The Skin Game 1920 He is
now far better known for his novels particularly The Forsyte Saga his trilogy about the eponymous family and connected lives
These books as with many of his other works deal with social class and upper middle class lives in particular Although
sympathetic to his characters he highlights their insular snobbish and acquisitive attitudes and their suffocating moral codes
He is viewed as one of the first writers of the Edwardian era who challenged some of the ideals of society depicted in the
preceding literature of Victorian England The depiction of a woman in an unhappy marriage furnishes another recurring
theme in his work The character of Irene in The Forsyte Saga is drawn from Ada Pearson though her previous marriage was
not as miserable as that of the character *Michigan Christian Advocate* ,1926 *The Patrician* Джон
