The People of the Book Samuel C. Heilman, 2017-07-05 Judaism has long derived its identity from its sacred books. The book or scroll rather than the image or idol has been emblematic of Jewish faith and tradition. *The People of the Book* presents a study of a group of Orthodox Jews all of whom live in the modern world engaged in the time honored practice of *lernen*, the repeated review and ritualized study of the sacred texts. In preserving one of the activities of Jewish life, Samuel C. Heilman argues these are the genuine People of the Book. For two years Heilman participated in and observed five study circles in New York and Jerusalem engaged in the avocation of *lernen*, the Talmud, the great corpus of Jewish law, lore and tradition. These groups made up of men who felt the ritualized study of sacred texts to be not only a religious obligation but also an appealing way to spend their evenings, weekends and holidays assembled together under the guidance of a teacher to review the holy books of their people. Having become part of this world, the author is able to provide first hand observation of the workings of the study circle. Heilman's study moves beyond the merely descriptive into an analysis of the nature and meaning of activity he observed. To explain the character and appeal of the study groups, he employs three concepts: drama, fellowship and religion. Inherent to the life of the study circle are various sorts of drama: social dramas playing out social relationships, cultural performances reenacting the Jewish world view, and interactional dramas and word plays involving the intricacies of the recitation and translation process. This book will be of interest to anthropologists and those interested in the academic study of religion.

Let God Arise John Whitman, 2019-11-06 The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources. Seeing most young Christians don't have any real access to Bible school training and receive a lot of their information from friends, family and various sources, I became burdened to teach them in depth about the subjects they would talk about. I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory. These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings. Having been to Kenya, Africa on a mission trip where I had the ability to teach some of the things in this book, I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God. That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God. I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord.

sample sermon from Mathewson Foreword by Haddon W Robinson **God's Answer to 21st Century Terrorists** K. McKelvey Harvey K. McKelvey, Harvey K. McKelvey, 2009-11 Do we have terrorists today Yes we do Can we identify them Yes we can Are there political and religious terrorists today Yes there are Where can we find them today Over the world and in every nation Do we have terrorists on the mission field Yes we do What are some of their actions so we may identify them They burn churches and homes of Christians they kill whole congregations and they behead children going to and from school They kill and imprison pastors and Christian leaders What recourse do the Christians have Until now they have been told to endure for God will avenge But I say no you have the power to stop this foolishness in its tracks They can receive and believe the word so that these terrorists become Christians just as Saul became Paul and the Syrian army became friendly with Israel This is a believing God thing Not a man thing In some nations of the world like in central Asia there are over 4 billion lost souls The percentage of evangelical Christians among all of them is less than 5% Jesus as we all know is coming soon how are we to reach these before he comes God's Answer to 21st Century Terrorists is a memorable account of a fresh historical perspective with unforgettable characters and with a touch of the supernatural The apostle Paul was a First Century terrorist killing and imprisoning Christians The Lord Jesus Christ Head of the Church gave us an object lesson on how to win the terrorist We need to use His plan today Too many Christians are being slaughtered their churches burned and whole congregations are threatened with violence *Knowing God by Name* David Wilkerson, 2003-10 A study of the twenty three compound names of God found in scriptures The Creed in Slow Motion Martin Kochanski, 2022-06-30 I believe in one God the Father almighty maker of heaven and earth The Creed is the bones of our faith In all our different ways it makes us who we are But when we stand up and recite the Creed in unison we have no time to contemplate what it is that we are committing ourselves to The words rush past their meaning blurred by familiarity If we could only slow them down and hear them properly they would have the power to change worlds That is what The Creed in Slow Motion aims to do This is a book for people who like to think things through from first principles It will not tell you what to believe It is for you to engage your mind and discover that for yourself And for unbelievers to learn what exactly they disbelieve and why In forty short chapters with clarity and wit The Creed in Slow Motion draws examples from real life stories history and even science to uncover the core claims of Christianity By turns it is deep heartening startling revolutionary and even by the world's standards outrageous
