Los Capitalistas Hispano Merchants The Santa Fe Trade

William S. Kiser

Los Capitalistas Hispano Merchants The Santa Fe Trade:

Los Capitalistas Susan Calafate Boyle, 1997 Tells the often overlooked story of Hispano merchants major role in the Santa Fe Trade in the 19th century *Hispano Bastion* Michael J. Alarid, 2024-05-01 In this groundbreaking study historian Michael J Alarid examines New Mexico's transition from Spanish to Mexican to US control during the nineteenth century and illuminates how emerging class differences played a crucial role in the regime change After Mexico won independence from Spain in 1821 trade between Mexico and the United States attracted wealthy Hispanos into a new market economy and increased trade along El Camino Real turning it into a burgeoning exchange route As landowning Hispanos benefited from the Santa Fe trade traditional relationships between wealthy and poor Nuevomexicanos whom Alarid calls *patr nes* and *vecinos* started to shift Far from being displaced by US colonialism wealthy Nuevomexicanos often worked in concert with new American officials after US troops marched into New Mexico in 1846 and in the process Alarid argues the *patr nes* abandoned their customary obligations to *vecinos* who were now evolving into a working class Ultimately wealthy Nuevomexicanos the book argues succeeded in preserving New Mexico as a Hispano bastion but they did so at the expense of poor *vecinos* *Overhaul* Richard Flint, Shirley Cushing Flint, 2021-04 Winner of the 2021 Southwest Book Award from the Border Regional Library Association In *Overhaul* historians Richard Flint and Shirley Cushing Flint present the largely forgotten story of Albuquerque's locomotive repair shops which were the driving force behind the city's economy for more than seventy years In the course of their study they also document the thousands of skilled workers who kept the locomotives in operation many of whom were part of the growing Hispano and Native American middle class Their critical work kept the Atchison Topeka and Santa Fe's steam trains running and established and maintained Albuquerque's unique character in the region Including a generous selection of historic photographs *Overhaul* provides a glimpse into the people places culture and special history found in Albuquerque's locomotive shops during the boom of steam railroading The Flints provide an engaging and informative account of how these shops and workers played a crucial role in the formation and development of the Duke City New Mexico Joseph P. Sánchez, Robert L. Spude, Art Gómez, 2013-09-26 Since the earliest days of Spanish exploration and settlement New Mexico has been known for lying off the beaten track But this new history reminds readers that the world has been beating paths to New Mexico for hundreds of years via the Camino Real the Santa Fe Trail several railroads Route 66 the interstate highway system and now the Internet This first complete history of New Mexico in more than thirty years begins with the prehistoric cultures of the earliest inhabitants The authors then trace the state's growth from the arrival of Spanish explorers and colonizers in the sixteenth century to the centennial of statehood in 2012 Most historians have made the territory's admission to the Union in 1912 as the starting point for the state's modernization As this book shows however the transformation from frontier province to modern state began with World War II The technological advancements of the Atomic Era spawned during wartime propelled New Mexico to the forefront of scientific research and

pointed it toward the twenty first century The authors discuss the state s historical and cultural geography the economics of mining and ranching irrigation s crucial role in agriculture and the impact of Native political activism and tribe owned gambling casinos New Mexico A History will be a vital source for anyone seeking to understand the complex interactions of the indigenous inhabitants Spanish settlers immigrants and their descendants who have created New Mexico and who shape its future Captives & Cousins (Volume 2 of 3) (EasyRead Super Large 24pt Edition) , **Religion and the American**

West Jessica Lauren Nelson,2023-09 Offers a lavishly illustrated and comprehensive overview of the ways religion has shaped the idea of the American West and how the region has influenced broader religious and racial categories

Borderlands of Slavery William S. Kiser,2017-05-02 Borderlands of Slavery explores how the existence of two involuntary labor systems Mexican peonage and Indian captivity in the nineteenth century Southwest impacted the transformation of America s judicial and political institutions during the antebellum Civil War and Reconstruction eras **The American**

West Anne M. Butler,Michael J. Lansing,2007-08-06 Tracing events from the pre history to the present day this book offers a concise and accessible history of the American West Explores the complex interactions between and among cultures in the American West Chronologically organized and informed by the latest scholarship Grounded in attention to race class gender and the environment the text focuses on social economic and political forces that shaped the lived experiences of diverse westerners and influenced the patterns of western history **Blood in the Borderlands** David C. Beyreis,2020-05-01 The

Bents might be the most famous family in the history of the American West From the 1820s to 1920 they participated in many of the major events that shaped the Rocky Mountains and Southern Plains They trapped beaver navigated the Santa Fe Trail intermarried with powerful Indian tribes governed territories became Indian agents fought against the U S government acquired land grants and created historical narratives The Bent family s financial and political success through the mid nineteenth century derived from the marriages of Bent men to women of influential borderland families New Mexican and Southern Cheyenne When mineral discoveries the Civil War and railroad construction led to territorial expansions that threatened to overwhelm the West s oldest inhabitants and their relatives the Bents took up education diplomacy violence entrepreneurialism and the writing of history to maintain their status and influence In *Blood in the Borderlands* David C. Beyreis provides an in depth portrait of how the Bent family creatively adapted in the face of difficult circumstances He incorporates new material about the women in the family and the forgotten Bents and shows how indigenous power shaped the family s business and political strategies as the family adjusted to American expansion and settler colonist ideologies The Bent family history is a remarkable story of intercultural cooperation horrific violence and pragmatic adaptability in the face of expanding American power *Making of the American West* Benjamin H. Johnson,2007-05-15 A richly researched evocative account of the individuals and institutions involved in the settling of the non Indian West and of the impact of the development of the West on the nation as a whole *Making of the American West* surveys the experiences of major social

groups in the lands from the Mississippi to the Pacific from the United States penetration of the region in the early 19th century to its incorporation into national political economic and cultural fabric by the early 20th century This revealing volume offers fascinating portraits of the people and institutions that drove the Western conquest traders and trappers ranchers and settlers corporations the federal government as well as of those who resisted conquest or hoped for the emergence of a different society Indian peoples Latinos Asians wage laborers Throughout expert contributors continually return to the growing myth of the West and the impact of its promise of freedom and opportunity on those who sought to Americanize it
