Los 90 Otro Traspie De Luz Del Dia En Latinoamer:

Los '90 Armando P. Ribas, 2004 The 90s have proved a frustrating experience for Latin America More so to those who consider Liberalism to be the fairest political system After a seemingly positive start a series of unclear administrative practices ensued plagued by lack of control and a steep growth of government expenditure most for corrupt and clientelistic reasons This situation of high expectations about a Truth victory frustrated by political manouvers immediately recalls Juan Bautista Alberdi s book Peregrinaci n de Luz el D a o Viajes y aventuras de la Verdad en el Nuevo Mundo As a sharp publicist Alberdi identified his villains with thos most easily identifiable at his time Tartufo don Basilio de Sevilla Gil Blas de Santillana Regrettably nowadays hipocrisy bad faith and vile are common political practices thus loosing their stealth Today s state of the art political trap comes disguised as pragmatism or idealism These are much more difficult to detect as their evil lurks behind the acromegalia of their positive characteristics Thus the return to the sources and the understanding of how it is in the ideas of Kant and Hegel were the justification of totalitarianism hides of how the Jean Jaques Rousseau conception materialized the transformism by means of which the Lord s word became replaced by the Will of the People in order to avail absolutism and the choking of individual liberties In this sense Dr Armando Ribas analysis enlightens and allows to undertand the new intellectual traps setup by the industry of politics in front of the Latin American citizen of good faith
