Los Heroes Errantes Historia De Agustin Codazzi 17931822:

Los héroes errantes Giorgio Antei,1993 Cartographic Expeditions and Visual Culture in the Nineteenth-Century Americas Ernesto Capello,Julia B. Rosenbaum,2020-11-16 During the nineteenth century gridding graphing and surveying proliferated as never before as nations and empires expanded into hitherto unknown territories Though nominally geared toward justifying territorial claims and collecting scientific data expeditions also produced vast troves of visual and artistic material This book considers the explosion of expeditionary mapping and its links to visual culture across the Americas arguing that acts of measurement are also aesthetic acts Such visual interventions intersect with new technologies with sociopolitical power and conflict and with shifting public tastes and consumption practices Several key questions shape this examination What kinds of nineteenth century visual practices and technologies of seeing do these materials engage How does scientific knowledge get translated into the visual and disseminated to the public What are the commonalities and distinctions in mapping strategies between North and South America How does the constitution of expeditionary lines reorder space and the natural landscape itself The volume represents the first transnational and hemispheric analysis of nineteenth century cartographic aesthetics and features the multi disciplinary perspective of historians geographers and art historians

Mapping the Country of Regions Nancy P. Appelbaum,2016-05-23 The nineteenth century was an era of breathtakingly ambitious geographic expeditions across the Americas The seminal Chorographic Commission of Colombia which began in 1850 and lasted about a decade was one of Latin America s most extensive The commission s mandate was to define and map the young republic and its resources with an eye toward modernization In this history of the commission Nancy P Appelbaum focuses on the geographers fieldwork practices and visual production as the men traversed the mountains savannahs and forests of more than thirty provinces in order to delineate the country s territorial and racial composition Their assumptions and methods Appelbaum argues contributed to a long lasting national imaginary What jumps out of the commission s array of reports maps sketches and paintings is a portentous tension between the marked differences that appeared before the eyes of the geographers in the field and the visions of sameness to which they aspired The commissioners and their patrons believed that a prosperous republic required a unified and racially homogeneous population but the commission s maps and images paradoxically emphasized diversity and helped create a country of regions By privileging the whiter inhabitants of the cool Andean highlands over those of the boiling tropical lowlands the commission left a lasting but problematic legacy for today s Colombians

El caribe granadino en el siglo XIX: región y nación en la economía-mundo Camilo Domínguez Ossa,2018-10-30 Durante el siglo XIX el fortalecimiento de los epicentros territoriales del Caribe permiti aumentar la oferta y la demanda por bienes y servicios lo cual produjo la necesidad de mayores v nculos internos y externos Con ello se estimul el aumento y mejoramiento de las v as de comunicaci n y por lo tanto la difusi n de conocimientos y t cnicas modernas La vinculaci n de territorios mediante las comunicaciones permiti crear redes articuladas

regionales que a su vez se articularon con otras redes nacionales e internacionales La región Caribe colombiana se formó con el paso de muchos siglos y de muchas generaciones de seres humanos que ayudaron a construirla desde adentro y desde afuera El factor espacial arroja una gran cantidad de información que debemos tener en cuenta para comprender la compleja ingeniería que implica la creación de un Estado nuevo Un territorio estatal es una enorme estructura que se interrelaciona en forma ascendente y descendente desde lo parroquial hasta lo nacional y lo contrario con una dinámica permanente de cambio en todos sus elementos De la misma manera sus partes y el todo se relacionan con la dinámica del mundo especialmente con los procesos más vigorosos del planeta

Marco histórico y jurídico del Archipiélago de San Andrés, Providencia y Santa Catalina Jiménez Walters Pomare, 2023-04-01 El Departamento Archipiélago de San Andrés Providencia y Santa Catalina tiene el nombre más largo de los Entes Territoriales de la República de Colombia Es el único departamento desconectado territorialmente del país Es el único bilingüe inglés español Es el único con régimen jurídico especial en el cual se limita la observancia de algunos derechos fundamentales del orden constitucional es el único oceánico y con el más extenso mar territorial 300 000 km² aproximadamente cuyo territorio terrestre es apenas de 48 km² estimado Sin embargo en su inmensa mayoría no se aplican las especiales disposiciones constitucionales conferidas por el constituyente y del congreso El país se está perdiendo la experiencia en ver funcionar a una nación atípica dentro del macro Estado colombiano Por qué Este trabajo propende estudiar el marco histórico y jurídico de este territorio

Adventuring Through Spanish Colonies Matthew Brown, 2006-11-01 Between 1810 and 1825 7 000 English Scottish and Irish mercenaries sailed to Gran Colombia to fight against Spanish colonial rule under the rebel forces of Simón Bolívar Their motives were mixed Some travelled for money others travelled for honour *Adventuring Through Spanish Colonies* explores the lives of these men their encounters with other soldiers indigenous people local women and slaves as recounted in documents that fall outside the usual remit of military political and economic historians Matthew Brown considers the social and cultural aspects of the presence of these foreigners and shows how they were an essential part of the revolution which eventually gave South America its freedom Using archival research from England Scotland Ireland Spain Ecuador Venezuela and Colombia *Adventuring Through Spanish Colonies* clearly shows the active role that these mercenaries informal outriders of the British Empire played in the creation of Latin America as we know it today

Historia que no cesa Pablo Rodríguez, 2010 Conflictos y cicatrices. Fronteras y migraciones en el mundo hispánico Delgado Larios, Almudena, 2014-12-01 La obra recoge reflexiones y aproximaciones metodológicas a esta problemática de los conflictos y sus cicatrices en su relación con las fronteras y las migraciones que han marcado la historia de España y de Iberoamérica de la Edad Media al siglo XXI del Mediterráneo al Atlántico y el Pacífico Sus autores son especialistas que bien desde la historia de las relaciones internacionales o de la historia política social cultural intelectual o del derecho analizan esas líneas y frentes de conflicto pero también la huella de esas heridas y sus consecuencias en función de dos ejes La construcción destrucción no solo geopolítica sino a través de los

intercambios las circulaciones de personas objetos e ideas reconstrucción de fronteras sin olvidar sus diferentes representaciones Las migraciones los exilios los debates en torno a las identidades memorias y representaciones

Extranjeros, ciudadanía y membresía: Política a finales de la Colonia y la Independencia en la Nueva Granada 1750- 1830 García Estrada, Rodrigo De J, 2014-10-20 El estudio de las políticas inmigratorias de la Corona española y sus permanencias así como de los cambios que ocasion el advenimiento de la República corrobora la presencia de concepciones de antiguo régimen en la cultura colombiana que permearon las leyes inmigratorias y que explican los bajos índices de inmigrantes extranjeros en el siglo XIX en comparación con otros países latinoamericanos Esta obra da cuenta de las situaciones que experimentaron los inmigrantes entre fines de la Colonia y comienzos de la República mostrando su sistemática expulsión del territorio nacional para quienes luego de obtenida su ciudadanía no estuvieron dispuestos a renunciar a sus derechos políticos

Viajeros extranjeros, religión y religiosidad en la Colombia del siglo XIX Cortés Guerrero, José David, 2025-05-30 A partir de la literatura de viajes diarios memorias y correspondencia escrita por viajeros extranjeros que recorrieron Colombia entre 1819 y 1899 el libro aborda dos temas la religión y la religiosidad profesadas ambas por los colombianos Para ello la literatura de viajes deja de ser una fuente y se convierte además en el mecanismo de interpretación de esos dos temas teniendo en cuenta el contexto en el que se produjo así como el lugar de enunciación de los viajeros autores De esta forma la metodología no consiste en una mera aproximación a la fuente sino en un camino para interpretar cómo en la literatura de viajes los extranjeros aparentemente ajenos a la realidad colombiana descifraron de múltiples formas la religión y la religiosidad colombianas construidas ellas a lo largo de una tradición estructural proveniente por lo menos desde el siglo XVI

De la Geografía a la Geopolítica. Duque, Lucía, 2019-06-10 En qué momento empezó a tomar forma la noción de territorio nacional en Colombia y cómo se dio inicio a la elaboración de esta idea durante el siglo XIX A lo largo de este libro la autora plantea de qué manera la noción de territorio nacional tan usual en los tiempos que corren no debe entenderse como ese ámbito natural del Estado que hunde sus raíces en la profundidad del tiempo sino como una construcción profundamente histórica que en su proceso de elaboración se basa en dos herramientas esenciales la cartografía y el discurso geográfico Agustín Codazzi Juan José Pérez Rancel, 2006 *Handbook of Latin American Studies* Dolores Moyano Martin, 1999-01-01 Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Dolores Moyano Martin of the

Library of Congress Hispanic Division has been the editor since 1977 and P Sue Mundell was assistant editor from 1994 to 1998 The subject categories for Volume 56 are as follows Electronic Resources for the Humanities Art History including ethnohistory Literature including translations from the Spanish and Portuguese Philosophy Latin American Thought Music

Freedom's Mercenaries Moises Enrique Rodriguez,2006 Between 1817 and 1825 10 000 British mercenaries many of them veterans of the Napoleonic Wars left Europe to join the armies and navies of Bolivar San Martin and other leaders fighting to liberate their countries from the colonial domination of Spain and Portugal Very few of these mercenaries came back Many succumbed to tropical diseases or battles and the remainder settled in the new states that they helped to create This two volume edition tells the little known story of these freedom mercenaries Using historical evidence this work offers a complete study of the struggle of both Britons and South Americans in these Wars of Independence and analyzes their actions in the larger context of the foreign policies of the United Kingdom France the United States Imperial Russia and the German States Each volume features self contained but complementary chapters that follow one major unit or volunteer Written in an approachable style this book offers insight into an under examined historical epic
