Los Problemas De La Revolucion Espanola:

Los Problemas de la revolución española Andreu Nin, 1938 **Los problemas de la revolución española (1931-1937)**
Andrés Nin, Juan Andrade, 1977 La compilación de trabajos de Nin que comprende este libro en su misma diversidad constituye un estudio de conjunto de aquellos acontecimientos desde el derrumbamiento de la dictadura de Primo de Rivera hasta junio de 1937 cuando fue asesinado **La revolución española** Andreu Nin, 2008 En septiembre de 1930 tras casi diez años de permanencia en la URSS desempeñando cargos importantes en la Internacional Sindical Roja y en la Internacional Comunista Andreu Nin regresaba a Cataluña. La había abandonado en 1921 cuando era secretario del Comité Nacional de la CNT. Su regreso coincidió con un momento crítico en la evolución de la revolución rusa tras la muerte de Lenin. Las divergencias entre Trotsky y Stalin habían culminado en la ascensión de Stalin al poder después de eliminar materialmente a la oposición encabezada por Trotsky. Nin se había alineado con la oposición y había sido expulsado de la URSS. Ya en España, Nin lideró primero la formación política de sesgo trotskista que se denominó Oposición de Izquierda hasta que en enero de 1935 se inició un proceso que culminó en septiembre del mismo año en la fundación del Partido Obrero de Unificación Marxista (POUM). Desde entonces, Nin llevó a cabo una defensa intransigente de la independencia de clase y de la democracia obrera como garantías vitales para el triunfo de la revolución que se avecinaba. La alternativa socialista para Nin y para el POUM era irrenunciable y su defensa y potenciación representaban el único medio de que disponía la clase obrera para enfrentarse a la barbarie de los fascismos en alza. La desaparición de Nin tras los acontecimientos de mayo de 1937 en Barcelona y su posterior asesinato por orden de Stalin constituyeron una de las tragedias más notorias de la Guerra Civil española. En los textos compendiados en el presente volumen, Nin analiza la evolución política de España desde la caída de la Dictadura de Primo de Rivera hasta junio de 1937 y plantea los problemas más acuciantes que iban presentándose al movimiento obrero en cada coyuntura determinada.

The Spanish Civil War Burnett Bolloten, 1991 A detailed account of the war describes Republican political life during the period and recounts the rise of the Spanish Communist Party *The Spanish Civil War* Burnett Bolloten, 2015-12-01 This monumental book offers a comprehensive history and analysis of Republican political life during the Spanish Civil War. Completed by Burnett Bolloten just before his death in 1987 and first published in English in 1991, *The Spanish Civil War* is the culmination of fifty years of dedicated and painstaking research and is the most exhaustive study on the subject in any language. It has been regarded as the authoritative political history of the war and an indispensable encyclopedic guide to Republican affairs during the Spanish conflict. This new edition includes a new introduction by Spanish Civil War scholar George Esenwein, an updated bibliography featuring books on the Spanish Civil War published since 1987, and seventy-three photos of the war's participants **The Battle for Spain** Antony Beevor, 2006-06-01 A fresh and acclaimed account of the Spanish Civil War by the bestselling author of *Stalingrad* and *The Battle of Arnhem*. To mark the 70th anniversary of the Spanish Civil War's outbreak, Antony Beevor has written a completely updated and revised account of one of the most bitter

and hard fought wars of the twentieth century With new material gleaned from the Russian archives and numerous other sources this brisk and accessible book Spain s 1 bestseller for twelve weeks provides a balanced and penetrating perspective explaining the tensions that led to this terrible overture to World War II and affording new insights into the war its causes course and consequences Ghosts of Passion Brian D. Bunk,2007-03-28 Deals with central problem in modern Spanish history why did civil war break out in 1936 arguing that cultural representations of earlier revolution helped trigger the war through focus on social tensions around religion and gender **La Revolución española** Karl Marx,Friedrich Engels,2017-01-01 Si bien Marx y Engels no vieron a España como un referente para el desarrollo de sus investigaciones tanto en el terreno económico como en el político debido a que en ella el desarrollo del capitalismo y la burguesía estaba mucho más atrasado que en otros países europeos como Francia o Inglaterra algunos de sus acontecimientos históricos y políticos despertaron el interés de ambos pensadores De toda su obra sobre España se traen a esta edición algunos de los artículos más destacados como son los publicados por Marx en el New York Daily Tribune en 1854 1856 y 1860 y en la Nueva Enciclopedia Americana así como el ensayo Los bakuninistas en acción Memoria sobre los levantamientos en España en el verano de 1873 escrito por Engels en 1873 entre otros **Spanish Marxism versus Soviet Communism** Victor Alba,2017-09-04 Spanish Marxism Versus Soviet Communism is the first historical study of the P O U M to appear in English Drawing from his multi volume work on the subject which was published in Spanish and Catalan Victor Alba has collaborated with Stephen Schwartz to produce a condensed and amplified study that is far more than a translation Outside Spain the political movement known as the Workers Party of Marxist Unification Partido Obrero de Unificación Marxista or P O U M is chiefly known as the revolutionary group with which George Orwell fought during the Spanish Civil War of the 1930s The events in which the P O U M found itself at the center of conflict between Iberian revolutionaries and Soviet interests remain a controversial topic for historians and other writers This book presents a detailed picture of the organization and its main antecedent the Workers and Peasants Bloc in the context of a stimulating working class political culture Those interested in Catalan history as well as historians of Western European Marxism and the Spanish Civil War will find this book useful It will also be of interest to those concerned with Orwell and his experience in Spain A fitting tribute to the P O U M s great struggle against Stalinism Spanish Marxism Versus Soviet Communism will surely stand out among the array of books that have been published on the Spanish Civil War period as a definitive study *La revolución española (1936-1939)* Stanley G. Payne,2019-03-12 Un estudio sobre la singularidad de la Guerra Civil Contemplando y analizando la historia de España de los dos últimos siglos muchos historiadores han dicho que era un país proclive a los conflictos civiles Sin embargo en comparación con otros no se puede decir que en la España de los siglos XVI al XVIII hubiera una mayor tendencia a la violencia que en otros lugares de Occidente Pero esto cambió radicalmente durante el siglo XIX y la primera mitad del XX la época en la que entró en un proceso de rápida y extensa modernización política económica y social para la cual no estaba preparada Y así hasta

poder afirmar sin temor a equivocarse que nuestro país se convirtió en el escenario perfecto para la Guerra Civil Sin embargo como demuestra Payne en este nuevo ensayo verdaderamente fueron las causas políticas las que dieron singularidad a un conflicto que él califica de revolución provocado por la radicalización de algunos de los partidos políticos y organizaciones obreras que alcanzaron la victoria en las elecciones del Frente Popular Una nueva y brillante aproximación a la Guerra Civil un episodio que aún sigue condicionando nuestra historia social y política

Marxism and the Failure of Organised Socialism in Spain, 1879-1936 Paul Heywood, 2003-02-13 This is the first full length study in English of the role of Marxist theory in the Spanish Socialist movement prior to the outbreak of Civil War in 1936 In particular the author stresses the intellectual poverty of this aspect of leftwing politics in Spain In concentrating on the Partido Socialista Obrero Español PSOE the major organised party of the left prior to the Civil War the study seeks to achieve two main aims first to attempt to isolate the political social and intellectual factors which led to a particularly distorted version of Marxism which became established in Spain at the end of the nineteenth century and second to demonstrate how this particular conception of Marxism had a crucial negative impact on the political formulations and fortunes of the PSOE between 1879 and 1936 The central argument of the book is that the significance of Spanish Marxism lay precisely in its poverty since it was this decaffeinated version of the theory which set the parameters within which the PSOE formulated its strategy for socialism

Doves of War Paul Preston, 2003-05-08 This beautifully written biographical work depicts the lives of four extraordinary women to paint a vivid dramatic and poignant portrait of the ideologies horrific realities and long lasting emotional costs of the Spanish Civil War 1936-1939

La política colonial y la Revolución española de 1868 Rafael M. de Labra, 1916

The Spanish Civil War Hugh Thomas, 2013-11-06 Mr Thomas has understood the Spanish Civil War incredibly well and has written it superbly A full vivid and deeply serious treatment of a great subject Vincent Sheean The New York Times Book Review A masterpiece of the historian's art Hugh Thomas's *The Spanish Civil War* remains the best most engrossing narrative of one of the most emblematic and misunderstood wars of the twentieth century Revised and updated with significant new material including new revelations about atrocities perpetrated against civilians by both sides in this epic conflict this definitive work on the subject Richard Bernstein The New York Times has been given a fresh face forty years after its initial publication in 1961 In brilliant moving detail Thomas analyzes a devastating conflict in which the hopes dreams and dogmas of a century exploded onto the battlefield Like no other account *The Spanish Civil War* dramatically reassembles the events that led a European nation in a continent on the brink of world war to divide against itself bringing into play the machinations of Franco and Hitler the bloodshed of Guernica and the deeply inspiring heroics of those who rallied to the side of democracy Communists anarchists monarchists fascists socialists democrats the various forces of the Spanish Civil War composed a fabric of the twentieth century itself and Thomas masterfully weaves the diffuse and fascinating threads of the war together in a manner that has established the book as a genuine classic of modern history

Stands without rivals as the most balanced and comprehensive book on the subject American Historical Review

Gunpowder and Incense Hilari Raguer,2007-05-07 The history of the Catholic Church in Spain in the twentieth century parallels that of the country itself This volume chronicles the role of the Church in Spanish Politics looking in particular at the Spanish Civil War **Breve historia de la Guerra Civil española** Ramón Tamames,2011-11-16 Una crónica sencilla divulgativa y completa Las nuevas generaciones tienen derecho a que los posos de aquellas miserias garanticen la cordura y la concordia entre todos los españoles Y a ese objetivo están dedicadas las páginas de este libro La Guerra Civil española fue un desastre humano y no sólo por la cifra de muertos no menos de ochocientos mil sino por los trescientos mil españoles que se exiliaron de manera casi definitiva y los ochocientos mil que cada año eran enviados a cárceles y campos de concentración Esas cifras fueron todavía más terribles porque entre las víctimas se contaba lo mejor de la juventud española los efectivos más valerosos y prometedores que se vieron comprometidos en buscar por sendas apocalípticas un futuro distinto para su patria Así con el enfoque actual del capital humano la Guerra Civil fue una catástrofe de proporciones estremecedoras a la que seguirán las implacables depuraciones en la inmediata posguerra y catorce años de estancamiento económico En definitiva más de tres lustros de retroceso económico social y cultural El recuerdo de esta larga secuencia de desdichas ha de hacernos pensar a todos en la necesidad de evitar las disgregaciones que plantean quienes frívolamente siguen renegando de la idea de España como nación libre y solidaria Y en ese sentido las nuevas generaciones tienen derecho a que los posos de aquellas miserias del período comprendido entre 1936 y 1939 garanticen la cordura y la concordia entre todos los españoles de hoy y de mañana Un objetivo al que están dedicadas las páginas de este libro y en especial a las generaciones más jóvenes que aún no tienen una idea cabal de lo que fue aquella terrible contienda **Coming of the Spanish Civil War** Paul

Preston,2003-09-02 This classic text is made newly available in a substantially revised and updated second edition

Historia de la revolución española: 1808 - 1874 Volumen 3 Vicente Blasco Ibañez,2022-02-11 Historia de la Revolución Española es un libro de ensayo histórico de Vicente Blasco Ibañez Como su nombre indica relata de forma ficcionada los sucesos más relevantes a nivel político y social que abarcan desde la Guerra de la Independencia a la Restauración en Sagunto El presente es su primer volumen de tres Vicente Blasco Ibañez fue un autor español nacido en Valencia en 1867 y fallecido en Menton Francia en 1928 Periodista político y escritor se le considera uno de los pilares de las letras españolas de todos los tiempos De ideas republicanas y progresistas es uno de los mayores exponentes del movimiento realista y naturalista en España **La revolución española vista por una republicana** Clara Campoamor,Neus Samblancat Miranda,2002 Se describen las impresiones de Clara Campoamor de los sucesos acaecidos en Madrid entre julio y agosto de 1936 que corresponden a los prolegómenos de la Revolución y al estallido de la Guerra Civil Española **The Communist Party in Spain** Víctor Alba,1983-01-01
