Los Sentimientos De La Region:

Los sentimientos de la región Carlos R. Martínez Assad, 2001 **Mexico: the Genesis of Its Political Decomposition** Mario Raúl Mijares Sánchez, 2013-03-22 At the beginning of the 21st century only a few can deny that the Mexican State is in full decline as there exist axioms of political theory that show it and economic indicators that confirm it In addition recent sociological studies agree in explaining the substantial loss of values in the present generation The breakdown of the presidential institution which still serves as the supreme organ because of its constitutional powers is evident Mexico The Genesis of its Political Decomposition Miguel Alemn Valds 1936 to 1952 was written with theoretical rigor and at the same time directed and supported by the renowned Dr Luis Javier Garrido In this text the reader will find the origin of political decomposition in Mexico and the various causes which have led to its structural degeneration In content you will comprehend the two most important political cycles in the life of this nation the first governed by the post revolutionary military presidents and the second the one which started with Miguel Alemn Valds considered as the civilian governments **La región sospechosa. La dialéctica hispanocatalana entre 1875 y 1939** Navarra Ordoño, Andreu, 2013 Andreu Navarra nos recorre con precisión las confrontaciones dialécticas entre centro y periferia a través de las polémicas de los intelectuales de uno y otro lado del Ebro La bipolaridad de las dos Españas la centralista y la periférica se nos refleja en las confrontaciones dialécticas entre Cervera y Pi y Margall Castelar y Balaguer Niz de Arce y Almirall Ortega y Maragall Castro y Bosch Gimpera Azara y Companys Visiones dispares de la significación en los conceptos de España y Cataluña Las fracturas en la intelectualidad se van agravando inquietantemente a lo largo del tiempo desde el punto de partida del recorrido intelectual que empieza con la simbólica llegada de los restos de Antoni de Capmany desde Cádiz a Barcelona el 15 de julio de 1857 Ricardo García Crecel *Antropología de la región de Murcia* L. Alvarez Munarriz, 2005 La región de lo espiritual Vargas Guillén, Germán, Carreño, Silva, Wilmer, Hernando, 2013-12-12 Esta obra expresa el interés contemporáneo de la filosofía en torno al mundo de la vida y a la constitución de la subjetividad o región de lo espiritual al conmemorar los cien años de la publicación de *Ideas I* de E. Husserl Su contenido consta de dos partes En la primera la profesora Rosemary Rizo Patrón hace un estudio introductorio comprensivo y temático en el que caracteriza los principales problemas que aborda Husserl en *Ideas I* En la segunda se presenta un amplio debate en torno a asuntos propios de la fenomenología que se desprenden de la obra citada de Husserl a partir de la noción ontológica región de lo espiritual o región de las regiones como centro de análisis compartido especialmente en el estudio de la subjetividad y del mundo Juan de la Cruz Varela. Sociedad y política en la región de Sumapaz (1902-1984) Rocío Londoño Botero, 2011-01-01 Este trabajo describe y analiza en detalle la compleja transformación social cultural y política de la región de Sumapaz a lo largo del siglo XX con énfasis en el campesinado como el agente fundamental de este proceso Uno de los hilos conductores es el desenvolvimiento del movimiento agrario de Sumapaz y sus cambios organizativos sociales y políticos A diferencia de otros estudios sobre el

movimiento agrario de esta región aquí se analizan no solo las luchas agrarias sino también la vida diaria de los campesinos su educación su cultura su religiosidad y sus lealtades políticas El segundo hilo conductor de esta historia es la biografía de Juan de la Cruz Varela 1902-1984 uno de los líderes sociales más destacados de Colombia en el siglo XX Una pieza fundamental en la reconstrucción de esta historia es el relato autobiográfico de Varela que nace de una serie de entrevistas que la autora sostuvo con él pocos meses antes de su muerte También se examinan la trayectoria política y el liderazgo de Erasmo Valencia en el movimiento campesino Igualmente se pone de relieve la formación de una nueva generación de dirigentes y activistas campesinos en la resistencia armada contra la violencia bipartidista de los años cincuenta y sesenta del siglo pasado

Región y nación Armando Cartes Montory, 2022-06-15 El presente texto ofrece un marco conceptual e histórico desagregado por regiones de la conformación de Chile consolida de esta forma una perspectiva que se ha venido trabajando en los años recientes por importantes historiadores nacionales Constituye una aproximación complementaria pero imprescindible a la evolución republicana que enriquece su comprensión En la actual coyuntura histórica una mirada más equilibrada territorialmente y que incorpore los desarrollos regionales puede aportar importantes claves que iluminen los debates del presente El libro se concentra en el siglo XIX chileno época de grandes transformaciones en que se sentaron las bases del Chile actual No era así en tiempos coloniales La configuración tradicional del país que reconocía la existencia de tres grandes provincias sobrevivió al advenimiento de la Independencia y la configuración de un Estado nación soberano Desde sus asambleas promoviendo gobiernos colegiados y congresos representativos las provincias instaron por un país multipolar y por espacios de autonomía regional lógica que se ve impulsada desde la vertiente ideológica por el auge del liberalismo federalista que fracasa en Chile pero que se impone en muchos países de América La instauración del Estado en forma con la Constitución de 1833 cierra un ciclo inicial de tensiones regionales en la conformación nacional Se inicia la consolidación burocrática del aparato público en diversos planos Entre tensiones y alianzas del centro y las elites interprovinciales se va conformando el Estado nacional chileno

La región en la organización territorial del estado Jaime Vidal Perdomo, 2001 La región como tercer modelo de organización territorial del estado La evolución del modelo centralista en Colombia hasta la Constitución de 1991 Antecedentes de la región en el derecho colombiano las corporaciones autónomas regionales y las regiones de planificación CORPES Esbozo del sistema regionalista italiano El estado autonómico español La región en Francia La región en la Constitución colombiana de 1991 Desde San Juan hacia la historia de la región Ana María J. García, María Julia Gnecco, 2006 *La región calchaquina* Julián Toscano, 1898

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Los Sentimientos De La Region**

In some sort of inundated with monitors and the cacophony of immediate conversation, the profound energy and psychological resonance of verbal art frequently fade in to obscurity, eclipsed by the constant barrage of sound and distractions. However, located within the lyrical pages of **Los Sentimientos De La Region**, a interesting perform of literary brilliance that impulses with natural emotions, lies an unique trip waiting to be embarked upon. Penned by a virtuoso wordsmith, this enchanting opus manuals visitors on an emotional odyssey, softly exposing the latent possible and profound impact embedded within the delicate web of language. Within the heart-wrenching expanse with this evocative evaluation, we can embark upon an introspective exploration of the book is central themes, dissect its interesting publishing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
