with Universalism, 2nd Edition Dennis Jensen, 2024-07-16 It's likely the most difficult problem in the Christian faith. It was a major reason that Bertrand Russell, John Stuart Mill, and countless others rejected Christianity. It was an ax that began to chip away at Charles Darwin's early faith. How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment? Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically. A close examination of the Bible demonstrates this, but it also rejects any form of universalism that trivializes personal obligations to God. The first edition of *Flirting with Universalism* looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God: universalism, eternalism, or traditionalism and annihilationism. The second edition covers additional important arguments. It concludes by taking a position between universalism and traditionalism: God will forever honor the final choices of those who reject God, and yet in the end all things will be reconciled to God. The Bible affirms the goodness, justice, and love of God.
